

- Meeting:** Skipton and Ripon Area Committee
- Members:** Councillors Richard Foster (Chair), Andy Solloway (Vice-Chair), Philip Barrett, Barbara Brodigan, Andy Brown, Nick Brown, Felicity Cunliffe-Lister, Robert Heseltine, Nathan Hull, David Ireton, Andrew Murday, Simon Myers, David Noland, David Staveley, Andrew Williams and Robert Windass.
- Date:** Thursday, 21 November 2024
- Time:** 3.00 pm
- Venue:** Ripon Town Hall, Ripon, HG4 1DD

Members of the public are entitled to attend this meeting as observers for all those items taken in open session. Please contact the Democratic Services Officer whose details are at the foot of the first page of the agenda if you would like to find out more.

You may also be interested in subscribing to updates about this or any other North Yorkshire Council committee - <https://edemocracy.northyorks.gov.uk/ieLogon.aspx?RPID=4452570&HPID=4452570&Forms=1&META=mgSubscribeLogon>.

Recording is allowed at Council, committee and sub-committee meetings which are open to the public, please give due regard to the Council's protocol on audio/visual recording and photography at public meetings, a copy of which is available to download below. Anyone wishing to record is asked to contact, prior to the start of the meeting, the Democratic Services Officer whose details are at the foot of the first page of the agenda. We ask that any recording is clearly visible to anyone at the meeting and that it is non-disruptive.

Agenda

- 1. Apologies for Absence**
- 2. Minutes of the Meeting held on 5 September 2024** (Pages 3 - 8)
- 3. Declarations of Interest**
All Members are invited to declare at this point any interests they have in items appearing on this agenda, including the nature of those interests.
- 4. Public Participation**
Members of the public may ask questions or make statements at this meeting if they have given notice (including the text of the question/statement) to David Smith of Democratic Services and supplied the text (contact details below) by midday on Monday 18 November 2024, three working days before the day of the meeting. Each speaker should limit themselves to 3 minutes on any item. Members of the public who have given notice will be invited to speak:-
 - at this point in the meeting if their questions/statements relate to matters which are not otherwise on the Agenda (subject to an overall time limit of 30 minutes);

- when the relevant Agenda item is being considered if they wish to speak on a matter which is on the Agenda for this meeting.

If you are exercising your right to speak at this meeting, but do not wish to be recorded, please inform the Chairman who will instruct anyone who may be taking a recording to cease while you speak.

- 5. Receipt of Petition titled 'Save Ripon Market'** **(Pages 9 - 12)**
To advise of a petition containing more than 500 signatures and ask the Committee to consider a response.
- 6. Committee Work Programme** **(Pages 13 - 18)**
- 7. Any Other Items**
Any other items which the Chair agrees should be considered as a matter of urgency because of special circumstances.
- 8. Date of Next Meeting**
Thursday, 12 December 2024 at 10.00am.

Members are reminded that in order to expedite business at the meeting and enable Officers to adapt their presentations to address areas causing difficulty, they are encouraged to contact Officers prior to the meeting with questions on technical issues in reports.

13 November 2024

North Yorkshire Council

Skipton and Ripon Area Committee

Minutes of the meeting held on Thursday, 5th September 2024, commencing at 10.02am.

Councillor Richard Foster in the Chair and Councillors Barbara Brodigan, Andy Brown, Nick Brown, Felicity Cunliffe-Lister, Robert Heseltine, Nathan Hull, David Ireton, Simon Myers, David Noland, Andy Solloway, David Staveley and Andrew Williams.

Officers present: Nick Turpin, Development Service Manager (South Area); Sharon Sunter, Economic Development Manager; Andrew Laycock, Regeneration Officer – Skipton and Ripon; Linda Marfitt, Head of Planning Policy & Place; Ruth Parker, Principal Planning Policy & Place Officer; Rachel Cryer, Principal Policy Place Officer; Laura Welsh, Planning Policy and Place Officer; Mark Codman, Parish Liaison and Local Devolution Manager; Christine Phillipson, Principle Democratic Services Officer; Vicky Davies, Senior Democratic Services Officer; and David Smith, Democratic Services Officer.

In attendance: Councillors Carl Les OBE and Mark Crane; Rt Hon Sir Julian Smith MP; Guy Wilson, Chair of the Ripon Military Heritage Trust; James Ellis, Director of Planning at Rural Solutions; Andrew Byrne, Bolton Abbey Estate.

Copies of all documents considered are in the Minute Book

130 Apologies for Absence

Apologies were received from Councillors Philip Barrett and Andrew Murday.

131 Minutes of the Meeting held on 6 June 2024

Considered

The minutes of the meeting of the Skipton and Ripon Area Committee held on 6 June 2024.

Resolved

- (a) That the Minutes of the meeting of the Skipton and Ripon Area Committee held on 6 June 2024, having been printed and circulated, be taken as read and confirmed and signed by the Chair as a correct record.

132 Declarations of Interest

Councillors Richard Foster and Andy Brown declared that at the Strategic Planning Committee of 14 May 2024 they were involved in the decision regarding an application which relates to the petition at Item 5.

Councillors Barbara Brodigan and Andrew Williams declared that they had submitted statements to or spoken at the 14 May 2024 Strategic Planning Committee regarding the application to which the petition at Item 5 relates. They both also declared that they had previously been in discussions with the Ripon Military Heritage Trust. Councillor Brodigan declared that she had signed the petition.

133 Public Participation

There was none.

134 Receipt of Petition titled 'Save Ripon's Military Heritage'

Considered

A report advising Members of a petition containing more than 500 signatures, verbal additions to this report from Nick Turpin, Development Service Manager (South Area), and a verbal statement from Guy Wilson, Chair of the Ripon Military Heritage Trust (RMHT).

Nick Turpin outlined the report, informing Members that the petition related to the planning application 20/02973/EIAMAJ, which was granted permission at the 14 May 2024 Strategic Planning Committee, subject to conditions and the completion of a s106 agreement. It was explained that the report to the Strategic Planning Committee covered military heritage in detail and that Members of the Committee discussed the issue during the meeting. Mr Turpin drew the AC's attention to Condition 47, which requires a heritage strategy to be submitted prior to the submission of the first reserved matters application and for the strategy to be brought back to the Strategic Planning Committee when the first reserved matter application is dealt with.

Guy Wilson introduced the petition, stating that as he served as Master of the Armourers; led in creating the Royal Armouries, Leeds; and was previously a director of a national museum, he understands that not everything can be saved. He went on to highlight the importance of the site stating that:

- The site formed part of Ripon's North Camp in the First World War, where soldiers trained or recovered from injuries.
- The foundations of the power station that powered both of Ripon's camps and the remains of the weir are present.
- The School of Military Engineering was in Ripon during the Second World War and evidence of this training is on the site. Cold War training bridges are also present on the site.
- The wooden huts of Deverell Barracks are unique.

Mr Wilson suggested that despite the aforementioned Condition 47, the heritage of the site is not protected and there is no plan for the area's archaeological investigation or preservation. He informed the Committee that the idea of re-erecting some of the more important huts away from the site had not been progressed. He also informed the Committee that RMHT has no formal stake in the project, and therefore can't fundraise to support it, something that could take significant time.

During the debate on this item, the following points were raised:

- There were concerns that there may not be enough time between the heritage strategy being submitted and the first reserved matter application being dealt with, and therefore, RMHT could not have time to fundraise. RMHT cannot start fundraising until there is confirmation of a location that the heritage assets can be preserved on.
- Members highlighted that the 23 February 2023 Harrogate Borough Council Planning Committee and the 14 May 2024 North Yorkshire Council Strategic Planning Committee were supportive of finding a location for the heritage assets. It was also highlighted that the Council's Conservation Officer supports the retention of a selection

of buildings and the bridges at Laver Banks if feasible.

- It was suggested that Officers bring in experts to assist with finding a solution due to the specific nature of the situation.
- Members highlighted that retaining some of the buildings on the development site without a proper scheme in place would leave them vulnerable to vandalism. It was suggested that the huts should become a tourist attraction that draws people to the city.

Following the debate, Nick Turpin informed Members that Officers were supportive of trying to find a solution but reminded them that it is up to Homes England and the Ripon Military Heritage Trust to put proposals forward.

Members supported the petition, and it was proposed to take the action requested by the petition and write a letter to the Defence Infrastructure Organisation and Homes England, to express the Area Committee's disquiet at the apparent disregard of the military heritage on the site. This should urge them to properly and promptly consider the preservation of the military heritage, and encourage discussions between the Ripon Military Heritage Trust and Homes England.

A vote was taken and the motion was declared carried with 11 votes for, none against and 2 abstentions (those Members that are members of Strategic Planning Committee).

Resolved

- a) That the Area Committee takes the action requested by the petition.
- b) That the Area Committee writes to the Defence Infrastructure Organisation and Homes England, to express the Area Committee's disquiet at the apparent disregard of the military heritage on the site. This should urge them to properly consider the preservation of the military heritage and encourage discussions between the Ripon Military Heritage Trust and Homes England.

135 Update from RT Hon Julian Smith MP

Considered

A verbal update from The Rt Hon Sir Julian Smith MP, provided remotely using MS Teams.

The Chair invited The Rt Hon Sir Julian Smith MP to provide an update on his areas of work, concerns, and priorities, before there was a discussion with Members. The key points are summarised below.

- A discussion on the government's intention to remove winter fuel allowance and the consequences that this would have on the residents in the Skipton and Ripon constituency.
- A discussion on the Airedale Hospital rebuild and The Rt Hon Sir Julian Smith MP informed Members that he was hopeful the rebuild would go ahead.
- Members highlighted the importance of NYC, the Mayor and the MP providing feedback to the new housing target figures consultation. The general view was that housing target figures were too high.
- The Rt Hon Sir Julian Smith MP offered to assist the Ripon Military Heritage Trust with

their campaign.

- The Rt Hon Sir Julian Smith MP agreed to provide an update on the processes to get more transparency in the petrol and diesel markets.

Members thanked The Rt Hon Sir Julian Smith MP for attending the meeting.

Resolved

- a) That the verbal update is noted.

136 Economic, Regeneration, Tourism and Transport Project Development Fund for the Area Constituency Committees

Considered

A report by Sharon Sunter, Economic Development Manager, providing a progress update on the budget position of the Economic, Regeneration, Tourism and Transport Project Development Fund in relation to this Committee.

Sharon Sunter introduced the report, and the following points were discussed during the debate:

Langcliffe Quarry – A History of the Limeworks Industry -

- Members were pleased that grant funding from the UKSPF NY programme has been awarded as this balances how funding has been awarded across North Yorkshire.
- Members were informed that NYC has been approached regarding a café proposal for one of the units at Langcliffe Quarry. They were also informed that 6/8 of the units are currently rented out with the two largest units still empty.

Ripon Mobility Hub -

- Members asked that the Area Committee has the opportunity to feedback into this project at an early stage.
- It was also suggested that Members should receive information on the additional funding bid.

In addition to the above, Members asked for an update on the project at Engine Shed Lane, Skipton. Sharon Sunter informed them that Craven District Council had produced designs using flood modelling data provided by the Environment Agency. An inaccuracy in this data was discovered and so a bid to the York and North Yorkshire Combined Authority has been produced to fund a review of the Craven designs.

Members also raised concerns that land at Airedale Avenue had been sold without informing the Area Committee.

Resolved

- a) That the update is noted.

137 Heritage, People & Place: A Placemaking Strategy for Bolton Abbey (The Masterplan)

Considered

A report by Ruth Parker, Principal Planning Policy & Place Officer, presenting the Heritage, People & Place: A Placemaking Strategy for Bolton Abbey.

Ruth Parker introduced the report before passing to James Ellis, Director of Planning at Rural Solutions, who gave a presentation. The following additional points were made to the report and presentation.

- Following the local Member briefing, The Strategy has been amended to emphasise the importance of Bolton Abbey Railway Station.
- The Strategy's next steps were explained.
 1. Members of the Area Committee to provide comments.
 2. A report to be received by the Council's Executive at the 17 September 2024 meeting. This will recommend that the Strategy is endorsed and forms a material planning consideration in the determination of planning applications in the area.

Members raised the following points:

- Bolton Bridge is not a village or a tourism destination and it should not become one. The Strategy should not be site specific but give a general picture of improvements that can be made.
- Some Members raised concerns that The Strategy had been produced by the Estate. Officers reinforced that The Strategy aligns with NYC policy and that they support the findings of the document.
- That The Strategy could be more environmentally friendly by relying less on car use and introducing solar panels in the car parks. Fewer cars would also reduce road congestion.
- The addition of a new hotel should be carefully considered, and development should be sympathetic.
- There were concerns of increased housing in the area but the estate confirmed that there are no plans for larger housing developments.
- The Strategy should focus more on improving the current farming industry.

Resolved

- a) That The Strategy is noted.
- b) That Members were generally supportive of The Strategy.

138 Parish Sector Liaison

Considered

A presentation by Mark Codman, Parish Liaison and Local Devolution Manager, and Christine Philipson, Principal Democratic Services Officer, providing an overview of the parish liaison functions in the Democratic Services and Localities teams.

Mark Codman gave a presentation and the following points were added to the slides contained within the papers.

- Updated figures were provided as there are 115 parishes in the Skipton and Ripon area.
- The precept statistics are particularly important as they may change how NYC liaise with the parishes.
- Members raised that some parishes were struggling to recruit clerks.
- Parishes often unhappy with the management of NYC highways and street-lighting.
- Training of Parish Councillors to help them better understand their role, bearing in mind that there is a fine balance with it being an unpaid position.

Resolved

- a) That the item be noted.

Councillor David Ireton left the meeting at 12.24

139 Youth Councils

Considered

A report by David Smith, Democratic Services Officer, presenting an update from James Neill, Chair of Skipton Youth Council.

Members reiterated that regular updates from the area's Youth Councils were useful, and they enquired about the Nidderdale, Ripon and Settle Youth Councils.

Resolved

- a) That the update is noted.

140 Committee Work Programme

Considered

A report by David Smith, Democratic Services Officer, inviting Members to consider, amend and add to the Committee's work programme.

Members made the following amendments to the work programme:

- Better liaison with Member when decisions are being made.
- Housing allocations and targets – following the publication of new targets.
- High street accommodation – use of empty rooms above shops.

Resolved

- a) That the above amendments be made to the work programme.

Councillor Andrew Williams left the meeting at 12.32

141 Any Other Items

Members discussed the Airedale Hospital rebuild and suggested writing a letter to the relevant minister showing the AC's support for the rebuild.

142 Date of Next Meeting

Thursday, 12 December 2024 at 10.00am.

The meeting concluded at 12.45 pm.

North Yorkshire Council

Skipton and Ripon Area Committee

21 November 2024

Receipt of Petition titled 'Save Ripon Market'.

Report of the Assistant Chief Executive – Legal and Democratic Services

1.0 PURPOSE OF THE REPORT

- 1.1 To advise of a petition containing more than 500 signatures.
- 1.2 To ask the Area Committee to consider a response.

2.0 THE PETITION

- 2.1 A petition has been received by North Yorkshire Council which contains 2,865 signatures.
- 2.2 The title of the petition is 'Save Ripon Market'. The statement attached to the petition is below (see *italics*):

North Yorkshire Council is proposing to stop erecting stalls for market traders. 75% of traders have said they will no longer attend Ripon market, as they have neither the vehicle space nor time to erect their own stalls. Traders who bring their own stalls will also be affected by a smaller market.

The viability of the market is at stake and the wider economy will be affected – shops, restaurants, cafes and transport operators – the entire hospitality and tourist trade, as fewer people will come to Ripon.

The change will be implemented in November. We need to act now!

We strongly oppose any move that undermines the viability of Ripon Market, which has provided the beating heart of the city for over 700 years and believe that implementing self erect stalls, without a full economic and community impact assessment, could seriously damage both the market and the wider economic benefits it brings to the city.

- 2.3 The petition can be seen on the Council's website here: [Petitions received | North Yorkshire Council](#)

3.0 COUNCIL'S ARRANGEMENTS FOR RESPONDING TO PETITIONS

- 3.1 The key features of the Council's arrangements for receiving and debating petitions, as published on the Council's website, are as follows:
 - a) Receipt of the petition is published on the Council's website (which has been done in the case of this petition).

- b) If a petition contains 500 or more signatures (but less than 30,130 signatories), it will be scheduled for debate at the next meeting of the appropriate Area Committee.
- c) The petition organiser is offered the opportunity to speak for five minutes at the Area Committee meeting to present their petition. Subsequently, at the meeting, the petition will be discussed by Councillors for a maximum of 15 minutes and a decision will be made on how to respond to the petition.
- d) Possible responses by the Council to petitions, as shown on the website, are:
 - i. **Option 1:** to take the action requested by the petition,
 - ii. **Option 2:** not to take the action requested for reasons put forward in the debate,
 - iii. **Option 3:** to commission further investigation into the matter, for example by a relevant committee; or,
 - iv. **Option 4:** where the issue is one on which the council Executive is required to make the final decision, the council will decide whether to make recommendations to inform that decision.
- e) The petition organiser will receive written confirmation of this decision. This confirmation will also be published on the website.
- f) In accordance with the arrangements described above, the petition organisers have been invited to join today's meeting to present their petition.

4.0 OFFICERS' COMMENTS

- 4.1 As a unitary authority, North Yorkshire operates seven outdoor markets across the county with five of these operating as 'self-set' where traders bring and set up their own stalls each week.
- 4.2 At the Knaresborough and Ripon markets the permanent traders have the option of a stall being supplied and erected by the Council for a surcharge of £5.30 per stall on their pitch rentals. However, this operation is currently run at a significant subsidy which unfortunately is not sustainable. Further immediate investment is also required in the Council's trailer equipment over and above our current costs to continue safe operations of stall set up.
- 4.3 The Council is therefore proposing to harmonise the operating model across the county and cease setting up market stalls for traders at Knaresborough and Ripon markets, bringing operations in line with how the other five outdoor markets run, to deliver a long term, efficient and sustainable solution. If implemented, the proposals would address the current annual subsidy for stall set up which is in the region of £25,000 - £35,000.
- 4.4 The majority of traders have their own stalls. These fall into two groups; those that are already self-set at Knaresborough and Ripon markets; and those that have a stall that is used elsewhere, including at other North Yorkshire Council outdoor markets, but opt to pay the surcharge for the Council to erect stalls in Knaresborough and Ripon.
- 4.5 However, for a minority who may not have their own stall it is recognised the proposed change may affect those traders more. In these limited cases the Council will explore how we can assist by making our stalls available free of charge to be used by traders (using their own storage and set up).

4.6 The Council has written to traders to advise them of these proposals and has requested they feedback their comments to enable us to understand their support or any issues this proposal may cause. In addition, Officers have attended the market places to engage directly with traders to answer any questions and hear first-hand their feedback. It is proposed that responses will be evaluated and options presented with a recommendation to the Corporate Director for Environment in consultation with the Executive Member for Highways and Transportation to their meeting on 06 December 2024.

5.0 COMMENTS ON THE OPTIONS AVAILABLE TO MEMBERS

5.1 As set out at 3.1 d), there are four options available to Members. A comment on each is listed below:

- a) **Options 1 and 2:** It is not possible to select Options 1 or 2, as the decision is not within the competence of the Skipton and Ripon Area Committee.
- b) **Option 3:** The matter could be referred to the relevant Overview and Scrutiny Committee for further investigation, if the Area Committee feels there is additional information it could use to prepare a report to the decision maker, with recommendations to inform the decision.
- c) **Option 4:** The Skipton and Ripon Area Committee can itself provide a comment to the decision maker, with recommendations to inform the decision.

5.0 Recommendations

5.1 That the Committee notes the petition and provides a response as detailed in paragraph 3.1 d).

Barry Khan
Assistant Chief Executive (Legal and Democratic Services)
County Hall
Northallerton
