Parent Participation, Engagement and Co-production Procurement

Report of the Corporate Director Stuart Carlton

1.0 PURPOSE OF REPORT

- 1.1 To request the approval for the re-procurement exercise for Parent Participation, Engagement and Co- production across North Yorkshire.

2.0 BACKGROUND

- 2.1 In 2019 the council awarded a contract for parent, participation, engagement and co-production. The purpose of the contract was to ensure that parents/carers of children and young people with SEND have the opportunity to express their views and influence SEND service delivery.
- 2.2 The contract ends on 31 March 2025, therefore we are seeking approval to go out to tender to procure for a provider to deliver this service.
- 2.3 Section 19 of the Children and Families Act 2014 states that the local authority must gather views, wishes and feelings as well as recognising the importance of participation. Supporting an independent parent care forum has been a key part of the local area partnership arrangements to facilitate this.
- 2.4 In Yorkshire and Humber, it is common practice for local area partnerships to have organised Parent Carer Forums (PCFs) to support families with children and young people with SEND and constructively engage with partners to facilitate coproduction. All of the below local areas have PCFs in place:
- **York:** Parent Carer Forum York
 - **East Riding of Yorkshire:** East Riding Parent Carer Forum
 - **Leeds:** Leeds Parent Carer Forum
 - **Sheffield:** Sheffield Parent Carer Forum
 - **Hull:** Hull Parent Carer Forum

3.0 ISSUE

- 3.1 The tender process will be in accordance with the Council's Procurement and Contract Procedure Rules and the Public Contracts Regulations 2015 or the Procurement Act 2023 with support from the central procurement team.

4.0 CONTRIBUTION TO COUNCIL PRIORITIES

4.1 The Council plan 2024-2028 states that

We want families to be empowered and resilient and networks such as schools, support organisations and the voluntary and community sector to understand and help address issues so that people can access appropriate support when they need it.

This is linked to the Priority:

- To work with communities and partners in the voluntary sector to develop enriching activities and support for children, young people and families.

4.2 The Local Area SEND Strategy 2023-2026 states that part of the vision is to work with the parent/carer forum. It will also use parent and carer voice to measure the success of the local area partnerships work to support children with SEND.

An ambition of the SEND Strategy is to ensure children and young people and parents/carers are fully involved in decision making at individual and strategic level.

Priority 2 - Working together - Improving communication, co-production and engagement states:

“Good communication is important so that children and young people, parents and carers feel listened to, their views inform decisions and that transparency develops trust across all partners. Parents have told us that clear communication is of high importance.”

5.0 ALTERNATIVE OPTIONS CONSIDERED

5.1 Alternate options include not procuring the service, this will mean the contract will expire and the service will conclude on the 31st March 2025.

5.2 If the Local Area Partnership were to not procure a contract for parent participation, engagement and co-production it would leave parent/carer feedback without co-ordination. There are currently around 35 small parent/carer support groups across the whole of North Yorkshire, which focus on different areas of need and support.

5.3 If the council were not to re-procure a central PCF there would be multiple challenges for the Local Area Partnership to overcome. It is of Strategic importance to have a coordinated and constructive input into coproduction and the Local Area Partnerships governance arrangements. This would be challenging without a central PCF. Coordination of input from other Parent and Carer support groups would require officer time, and therefore financial resource, in place of the investment in a recognised PCF.

6.0 FINANCIAL IMPLICATIONS

6.1 The current contract in place had an anticipated annual contract value of £33,120, therefore the total anticipated value of the contract was £165,600 across 5 years. With inflation taken into account over that period the anticipated annual cost for a similar model would be c.£40,000.

6.2 Parent Carer Forums (PCFs) in England are typically funded through a combination of sources:

1. **Government Grants:** The Department for Education (DfE) provides grants to support the work of PCFs. These grants help cover operational costs, such as staffing, events, and training.
2. **Local Authority Funding:** Some local authorities provide additional funding to support the activities of PCFs. This can include funding for specific projects or ongoing support for the forum's activities.
3. **Charitable Funding:** PCFs may also receive funding from charitable organizations and trusts that support children with SEND and their families.
4. **Fundraising Activities:** Many PCFs engage in fundraising activities to generate additional income. This can include events, sponsorships, and donations from the community.

6.3 The current parent participation, engagement and co-production contract is held by Parent Carer Voice (PCV), they are funded by North Yorkshire Council, Department for Education, NHS Humber and North Yorkshire, fund raising and additional grants. In 2023/24 Parent Carer Voice received a total of £85,147.

Funding partner	Contribution
North Yorkshire Council	39%
North Yorkshire Council – EBSA Project	25%
DfE	21%
Contact a Family	12%
NHS Humber and North Yorkshire	4%

6.4 Other councils fund their Parent Carer Forums in the same way. 73% of councils in the Yorkshire and Humber region contribute to their Parent Carer Forum, on average £39,000 per year in 2023-24.

Local Authority	Contribution
Sheffield City Council	£45,000
Lincolnshire County Council	£55,000
East Riding of Yorkshire Council	£22,000
Rotherham Metropolitan Borough Council	£50,000
Calderdale Council	£14,000

7.0 LEGAL IMPLICATIONS

- 7.1 The procurement exercise will be undertaken by the Council's Procurement and Contract Management Service.
- 7.2 This is a key decision and was added on the forward plan in November 2024.
- 7.3 Section 19 of the Children and Families Act 2014 states that the local authority must gather views, wishes and feeling as well as recognising the importance of participation.
- 7.4 The SEND Code of Practice 2015 also states that local authorities are actively encouraged to work with Parent Carer Forums.

8.0 EQUALITIES IMPLICATIONS

- 8.1 An Equalities Impact Assessment (EIA) has been carried out to consider the impact of this review and this can be found at Appendix A. There are no concerns raised by the EIA.

8.2 The Equalities duty is ongoing and will be reviewed throughout the planning, review, and procurement stages as well as prior to the award of any contracts.

9.0 CLIMATE CHANGE IMPLICATIONS

9.1 A Climate Change Impact Assessment (CCIA) has been carried out to consider the impact of this review and this can be found at Appendix B. No concerns are raised by the CCIA.

9.2 This will be reviewed throughout the planning, review and procurement stages as well as prior to the award of any contracts.

10.0 POLICY IMPLICATIONS

10.1 The procurement of a Parent Participation, Engagement and Co-production contract adheres to the SEND Strategy. There are no other policy implications.

11.0 HUMAN RESOURCES IMPLICATIONS

11.1 The Council envisages that the staff working on the current service may transfer to the Provider or its subcontractors, under the Transfer of Undertakings (Protection of Employment) Regulations 2006 (TUPE) along with the Services.

12.0 REASONS FOR RECOMMENDATIONS

12.1 The procurement process for Parent Participation, Engagement and Co-Production is recommended as gaining the views, opinions and thoughts of parents and carers across North Yorkshire is an integral part of both the Council Plan and the Local Area SEND Strategy.

13.0 RECOMMENDATION

To re-procure a contract for Parent Participation, Engagement and Co-Production for North Yorkshire Council from the 1 April 2025.

Equality Impact Assessments (EIAs) are public documents. EIAs accompanying reports going to County Councillors for decisions are published with the committee papers on our website and are available in hard copy at the relevant meeting. To help people to find completed EIAs we also publish them in the Equality and Diversity section of our website. This will help people to see for themselves how we have paid due regard in order to meet statutory requirements.
