The panel also had regard to the North Yorkshire Council Taxi Licensing Policy and the relevant statutory guidance.

The Licensing Officer and the applicant made presentations to the Sub-Committee,

together with the applicant's employer. Cross questioning was undertaken following the presentation.

Resolved –

That, having closed inspected the vehicle and considered the report, alongside copies of its recent MOTs and vehicle inspections, Members considered that:

- i) The vehicle was in good condition and has been well maintained.
- ii) The applicant's employer had presented himself as a professional operator.
- iii) The absence of complaints relating to the vehicle; and
- iv) The absence of complaints relating to the applicant.

Members were, therefore, satisfied that the applicant had shown sufficient reason to justify a departure from the Council's general policy in this instance and the Hackney Carriage Vehicle Licence for plate number HC180B be renewed for the period of one year.
