## General Licensing and Registration Sub-Committee

### Procedure

#### Introduction

1. The Sub-Committee will conduct its hearings fairly, observing the basic rules of natural justice.
2. Each hearing will take the form of a discussion led by the Chair and cross examination will not be permitted unless the Sub-Committee considers that cross examination is necessary.
3. Hearings will be held in public but the Sub-Committee may decide to exclude the public from all or part of a hearing where it considers the public interest in doing so outweighs the public interest in the hearing taking place in public. In this context "public" includes any party to the hearing or any representative of a party.

#### Procedure

4. At the beginning of the meeting the Chair shall:-
  - a) ask those present to introduce themselves;
  - b) explain the procedure;
  - c) ask the parties whether they wish permission for another person to appear at the hearing.
5. The Sub-Committee will consider requests from the parties for permission for other persons to appear at the meeting. Such permission will not be unreasonably withheld.
6. The Chair will conduct the hearing taking representations from the parties in the following order:
  - a) the Licensing Officer who will outline the background to the case. The Licensing Officer's role is to provide factual information to the Sub-Committee.
  - b) the applicant/licence holder (including any person appointed to represent the party or any other persons who have been given permission to assist the party).
  - c) any party making representations (including any person appointed to represent the party or any persons who have been given permission to assist the party).

7. Before determination, the applicant/licence holder will be given the final opportunity to address the Sub-Committee.
8. Each party will be given an equal maximum period of time in which to put forward any additional information requested by the Council, to question other persons (if given permission by the Sub-Committee) and address the Sub-Committee.
9. The Sub-Committee may exclude disruptive persons in certain circumstances.
10. The Sub-Committee may adjourn the hearing in certain circumstances.
11. The Sub-Committee will ask the parties to withdraw so that it can consider its determination. In considering its determination, the Sub-Committee may ask its Legal Advisor to provide it with legal and procedural advice. The nature of this advice will be notified to the parties.
12. The Sub-Committee will make its determination at the end of the meeting and this will be confirmed in writing.

#### **Failure of Parties to Attend a Hearing**

13. If a party has informed the Council that they do not intend to attend or be represented at a hearing, the hearing may proceed in their absence.
14. Where a party has not so indicated fails to attend or be represented at a hearing the Sub-Committee may:
  - a) where it considers it to be necessary in the public interest, adjourn the hearing to a specified date; or
  - b) hold the hearing in the party's absence.
15. Where the hearing is held in the absence of a party, the authority shall consider at the hearing of the application, representation or notice made by that party.
16. Where a hearing is adjourned to a specified date the Council will notify the parties of the date, time and place to which the hearing has been adjourned.

#### Application for the renewal of a Hackney Carriage Vehicle Licence – HC 026E

#### Report of the Corporate Director – Environment

##### 1.0 PURPOSE OF REPORT

- 1.1 To seek the determination by the Licensing Sub Committee of an application for a hackney carriage licence that does not comply with the standard criteria as stated in the Council's Hackney Carriage and Private Hire Policy ("the Policy"). Such vehicles may be licensed at the discretion of the General Licensing and Registration Sub Committee.

##### 2.0 BACKGROUND

- 2.1 An application for the renewal of a hackney carriage vehicle licence has been received. The application form is attached at **Appendix A**.
- 2.2 As the vehicle is over 10 years of age, it does not comply with the vehicle age criteria outlined in the Policy which requires vehicles be less than 10 years old from the date of first registration.
- 2.3 Details of the vehicle are as follows:
- |                     |                                          |
|---------------------|------------------------------------------|
| Make:               | Ford                                     |
| Model:              | Grand C-Max Zetec                        |
| Colour:             | BLUE                                     |
| First Registration: | 06 July 2015                             |
| Mileage:            | 163,076 (at time of MOT test 22/01/2026) |
| Fuel Type:          | DIESEL                                   |
| Engine Size:        | 1499 cc                                  |
| Co2 Emission        | 113 g/km                                 |
- 2.4 As part of the application process, the vehicle passed an MOT test on 22 January 2026 with no defects recorded. The vehicle also passed the Council's vehicle inspection on 22 January 2026 with no defects identified. These documents are attached at **Appendices B & C**.
- 2.5 Members are encouraged to view the vehicle before making their decision. It will be available on the day of the hearing for inspection.

##### 3.0 ALTERNATIVE OPTIONS CONSIDERED

- 3.1 The Sub Committee's full range of options is set out in section 10. No other alternative options are available.

##### 4.0 FINANCIAL IMPLICATIONS

- 4.1 No financial implications have been identified.

## **5.0 LEGAL IMPLICATIONS**

- 5.1 The Licensing Authority must determine an application for the grant of a private hire vehicle licence in accordance with relevant legislation and the Council's Policy. The Licensing Authority would leave itself open to appeal at the Magistrate's Court or Judicial Review should it not comply with all legal requirements.
- 5.2 The Applicant may appeal against the decision of the Sub-Committee if it decides not to grant the application. An appeal must be made to the Magistrates' Court within 21 days of receiving notification of the decision.<sup>1</sup>
- 5.3 The Local Government (Miscellaneous Provisions) Act 1976 and the Town Police Clauses Act 1847 requires Hackney Carriages to be licensed.
- 5.4 Section 47 of the Local Government (Miscellaneous Provisions) Act 1976 allows the local authority to attach any conditions that the district council may consider necessary to license a vehicle for private hire work. An appeal in relation to any attached conditions to the grant of a Hackney Carriage Licence must be made to the Magistrates' Court within 21 days of receiving notification of the decision.

## **6.0 EQUALITIES IMPLICATIONS**

- 6.1 No equalities implications have been identified.

## **7.0 CLIMATE CHANGE IMPLICATIONS**

- 7.1 No climate change implications have been identified.

## **8.0 POLICY IMPLICATIONS**

- 8.1 In conducting its licensing functions, the General Licensing and Registration Sub-Committee should have regard to the Council's Hackney Carriage and Private Hire Licensing Policy.
- 8.2 According to paragraph 8 of the Council's policy, the licensing regime should ensure that licensed hackney carriage and private hire vehicles are of high quality, offer safety and comfort to the users and operate in such a way as to protect the public's safety and well-being. Whilst facilitating access to an efficient and effective public transport service.
- 8.3 According to paragraph 15 of the Council's policy, in most cases, when considering licence applications, the licensing authority will consider each application on its individual merits. It may, at times, allow exceptions to the general policy.
- 8.4 According to paragraph 16 of the Council's policy, it will be necessary to consider, in relation to any particular application, whether the specific circumstances justify allowing an exception.

---

<sup>1</sup> By virtue of Section 48(8) of the Local Government (Miscellaneous Provisions) Act 1976

- 8.5 According to paragraph 17 of the Council’s policy, it will be up to the applicant to show that an exception should be made to the policy, and if the objectives can still be met, the licensing authority may exercise its discretion to depart from the general policy. Where exceptions are made, reasons will be given. The applicant has submitted a supporting statement to set out in detail the ‘Exceptional Reasons’ for submitting a request for this vehicle extension, this statement is attached at **Appendix D**.
- 8.6 According to Paragraph 47 of the Council’s Policy, the licensing authority will only generally issue a licence in respect of a hackney carriage if it is less than 10 years old (the age of the vehicle shall be taken from the date of first registration shown on the vehicle registration document, V5C). The vehicle in question surpassed the policy age limit on 06 July 2025. The policy with regards to vehicle specification shall be applied in the majority of cases when considering licensing applications, but the licensing authority will consider each application on its individual merits and may, at times, allow exceptions to this policy. Where exceptions are made in this regard, vehicles shall be subject to three mechanical inspections each year. The V5 document is attached at **Appendix E**.

## 9.0 REASONS FOR OPTIONS

- 9.1 The vehicle does not comply with the standard criteria as stated in the Policy; therefore, the determination of the application rests with the Sub-Committee.

### 10.0 OPTIONS

- 10.1 To grant the application for one year
- 10.2 To grant the application including additional conditions; or
- 10.3 To reject the application

I BELIEVE THAT THIS GRAND FORD C MAX [REDACTED] IS AN EXCEPTIONAL CAR IN EXCELLENT CONDITION. AT 163,000 MILES IT HAS NOT CLOCKED UP MANY MILES (FOR A TAXI) PARTLY DUE TO COVID RESTRICTIONS AND WORKING LOCALLY RATHER THAN LONG DISTANCE. THEREFORE IT APPEARS TO PASS YOUR CRITERIA.

[REDACTED]

**Please prepare a ‘written statement’ that Members shall require as a key part of the hearing.** Your statement/submission needs to set out all of the “exceptional circumstances” that you consider you have identified. This will enable Members to consider deviating from the Council’s Taxi and Private Hire Policy in making its final determination. Please **email** this by return to me as soon as possible as it will form an integral part of the General Licensing and Registration Sub-Committee Report.

**Policy Extracts::**

- 8.4 According to paragraph 16 of the Council’s policy, it will be necessary to consider, in relation to any particular application, whether the specific circumstances **justify** allowing an **exception**.
- 8.5 According to paragraph 17 of the Council’s policy, it will be **up to the applicant to show that an exception should be made** to the policy, and if the objectives can still be met, the licensing authority **may** exercise its discretion to depart from the general policy. Where exceptions are made, **reasons** will be given.
- 8.6 According to Paragraph 172 of the Council’s Policy, the licensing authority **will only generally issue a licence in respect of a private hire vehicle if it is less than 10 years old** (the age of the vehicle shall be taken from the date of first registration shown on the vehicle registration document, V5C). The policy with regards to vehicle specification shall be applied in the majority of cases when considering licensing applications, but the licensing authority will consider each application on its **individual merits** and **may, at times, allow exceptions** to this policy. Where exceptions are made in this regard, vehicles shall be subject to three mechanical inspections each year.

Kind regards

### General Licensing and Registration Sub-Committee

03 March 2026

- |                     |                                         |

| Colour:             | RED                                     |
| First Registration: | 29 July 2014                            |

| Co2 Emission        | 134 g/km                                |
- 2.4 As part of the application process, the vehicle passed an MOT test on 18 November 2025 with no defects recorded. The vehicle also passed the Council's vehicle inspection on 14 January 2026 with no defects identified. These documents are attached at **Appendices B & C**.
- 2.5 Members are encouraged to view the vehicle before making their decision. It will be available on the day of the hearing for inspection.

##### 3.0 ALTERNATIVE OPTIONS CONSIDERED

- 3.1 The Sub Committee's full range of options is set out in section 10. No other alternative options are available.

##### 4.0 FINANCIAL IMPLICATIONS

- 4.1 No financial implications have been identified.

## **5.0 LEGAL IMPLICATIONS**

- 5.1 The Licensing Authority must determine an application for the grant of a private hire vehicle licence in accordance with relevant legislation and the Council's Policy. The Licensing Authority would leave itself open to appeal at the Magistrate's Court or Judicial Review should it not comply with all legal requirements.
- 5.2 The Applicant may appeal against the decision of the Sub-Committee if it decides not to grant the application. An appeal must be made to the Magistrates' Court within 21 days of receiving notification of the decision.<sup>1</sup>
- 5.3 The Local Government (Miscellaneous Provisions) Act 1976 requires Private Hire Vehicles to be licensed.
- 5.4 Section 48 of the Local Government (Miscellaneous Provisions) Act 1976 allows the local authority to attach any conditions that the district council may consider reasonably necessary to license a vehicle for private hire work. An appeal in relation to any attached conditions to the grant of a private hire licence must be made to the Magistrates' Court within 21 days of receiving notification of the decision.

## **6.0 EQUALITIES IMPLICATIONS**

- 6.1 No equalities implications have been identified.

## **7.0 CLIMATE CHANGE IMPLICATIONS**

- 7.1 No climate change implications have been identified.

## **8.0 POLICY IMPLICATIONS**

- 8.1 In carrying out its licensing functions, the General Licensing and Registration Sub-Committee should have regard to the Council's Hackney Carriage and Private Hire Licensing Policy.
- 8.2 According to paragraph 8 of the Council's policy, the licensing regime should ensure that licensed hackney carriage and private hire vehicles are of high quality, offer safety and comfort to the users and operate in such a way as to protect the public's safety and well-being. Whilst facilitating access to an efficient and effective public transport service.
- 8.3 According to paragraph 15 of the Council's policy, in most cases, when considering licence applications, the licensing authority will consider each application on its individual merits. It may, at times, allow exceptions to the general policy.
- 8.4 According to paragraph 16 of the Council's policy, it will be necessary to consider, in relation to any particular application, whether the specific circumstances justify allowing an exception.
- 8.5 According to paragraph 17 of the Council's policy, it will be up to the applicant to show that an exception should be made to the policy, and if the objectives can still be met, the licensing authority may exercise its discretion to depart from the general policy. Where exceptions are made, reasons will be given. The applicant has submitted a supporting statement to set out in detail the 'Exceptional Reasons' for submitting a request for this vehicle extension, this statement is attached at **Appendix D**.

---

<sup>1</sup> By virtue of Section 48(8) of the Local Government (Miscellaneous Provisions) Act 1976

8.6 According to Paragraph 172 of the Council's Policy, the licensing authority will only generally issue a licence in respect of a private hire vehicle if it is less than 10 years old (the age of the vehicle shall be taken from the date of first registration shown on the vehicle registration document, V5C). The vehicle in question surpassed the policy age limit on 29 July 2024. The policy with regards to vehicle specification shall be applied in the majority of cases when considering licensing applications, but the licensing authority will consider each application on its individual merits and may, at times, allow exceptions to this policy. Where exceptions are made in this regard, vehicles shall be subject to three mechanical inspections each year. The V5 document is attached at **Appendix E**.

## **9.0 REASONS FOR OPTIONS**

9.1 The vehicle does not comply with the standard criteria as stated in the Policy; therefore, the determination of the application rests with the Sub-Committee.

### **10.0 OPTIONS**
