

Agenda

- Meeting:** Corporate & Partnerships Overview & Scrutiny Committee
- To:** Councillors Derek Bastiman (Chair), Bryn Griffiths (Vice-Chair), Val Arnold, Margaret Atkinson, Caroline Goodrick, Mike Jordan, Richard Musgrave, Andy Paraskos, Yvonne Peacock, Tony Randerson, Angus Thompson, Cliff Trotter and Annabel Wilkinson.
- Date:** Monday 7th June 2021
- Time:** 10.30am
- Venue:** Remote meeting held via Microsoft Teams

Under his delegated decision making powers in the Officers' Delegation Scheme in the Council's Constitution, the Chief Executive Officer has power, in cases of emergency, to take any decision which could be taken by the Council, the Executive or a committee. Following on from the expiry of the Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority and Police and Crime Panel Meetings) (England and Wales) Regulations 2020, which allowed for committee meetings to be held remotely, the County Council resolved at its meeting on 5 May 2021 that, for the present time, in light of the continuing Covid-19 pandemic circumstances, remote live-broadcast committee meetings should continue, with any formal decisions required being taken by the Chief Executive Officer under his emergency decision making powers and after consultation with other Officers and Members as appropriate and after taking into account any views of the relevant Committee Members. This approach will be reviewed by full Council at its July meeting.

The meeting will be available to view once the meeting commences, via the following link - www.northyorks.gov.uk/livemeetings. Recording of previous live broadcast meetings are also available there.

Business

- 1. Minutes of the meeting held on 19 April 2021** (Pages 3 - 8)
- 2. Apologies & Declaration of Interest**
- 3. Public Questions & Statements**
Members of the public may ask questions or make statements at this meeting if they have given notice and provided the text to Melanie Carr of Democratic Services (*contact details below*) no later than midday on Wednesday 2 June 2021. Each speaker should limit themselves to 3 minutes on any item. Members of the public who have given notice will be invited to speak:

- at this point in the meeting if their questions/statements relate to matters which are not otherwise on the Agenda (subject to an overall time limit of 30 minutes);
- when the relevant Agenda item is being considered if they wish to speak on a matter which is on the Agenda for this meeting.

If you are exercising your right to speak at this meeting, but do not wish to be recorded, please inform the Chairman who will instruct those taking a recording to cease whilst you speak.

- | | | |
|-----------|---|--------------------------|
| 4. | Bi-annual Update on Community Safety Plan Delivery & Partnership Working | (Pages 9 - 12) |
| 5. | Property Services Bi-annual Performance Update | (Pages 13 - 22) |
| 6. | Annual Update on Library Services | (Pages 23 - 36) |
| 7. | Annual Review of Locality Budgets 2020/21 | (Pages 37 - 100) |
| 8. | Work Programme 2020/21 | (Pages 101 - 104) |
| 9. | Other business which the Chairman agrees should be considered as a matter of urgency because of special circumstances. | |

27 May 2021

North Yorkshire County Council

Corporate & Partnerships Overview & Scrutiny Committee

Minutes of the remote meeting held on Monday, 19th April, 2021 commencing at 10.30 am.

County Councillor Derek Bastiman in the Chair. plus County Councillors Bryn Griffiths, Val Arnold, Margaret Atkinson, Caroline Goodrick, Richard Musgrave, Andy Paraskos, Yvonne Peacock, Tony Randerson, Angus Thompson, Cliff Trotter and Annabel Wilkinson.

Officers present: Justine Brooksbank, Neil Irving, Fiona Sowerby, Jonathan Spencer and Keeley Metcalfe.

Apologies: County Councillor Mike Jordan

Copies of all documents considered are in the Minute Book

141 Introductions & Chairman's Remarks

The Chair welcomed members of the Committee to the meeting, and County Councillor Bryn Griffiths acknowledged the contribution of the late County Councillor Geoff Webber to the past work of the committee. In particular, the recently completed review seeking the banning of the release of sky lanterns and helium balloons on council owned land

142 Minutes of the meeting held on 18 January 2021

Resolved –

That the Minutes of the meeting held on 18 January 2021 having been printed and circulated, be taken as read and be confirmed and signed by the Chairman as a correct record.

143 Apologies & Declaration of Interest

The Chair confirmed additional apologies had been received from the Leader of the Council - County Councillor Carl Les, and Executive Member for Stronger Communities - County Councillor David Chance, who were both unable to attend due to other meeting commitments.

144 Public Questions & Statements

There were no public questions or statements received.

145 Annual Workforce Plan

Justine Brooksbank, Assistant Chief Executive for Business Support, provided an overview of the detailed report presented, and highlighted the following:

- Staff numbers had settled with the bulk of restructures now completed. In regard to the composition of the workforce, there had been a slight increase in the under 25s and the number of men employed. The average length of service was 9years, compared to a national figure of 4.5years, with an overall average workforce age of 47.4yrs. It was

noted the Authority had historically had an older workforce and that there had been no complaints about discrimination against older members of the workforce, and additional support was provided to them where necessary e.g. IT training. It was also noted that there were more male employees in the higher pay bands;

- There had been a slight improvement in the number of staff with protected characteristics, with LGBT playing a more prominent role in the report;
- There had been a drop in sickness absence (20-25%), It was noted the figures were likely affected by the number of furloughed staff (700-800 staff). It also thought that staff were continuing to work because they were working from home, when previously they may have taken time off;
- A re-introduction programme for furloughed staff was underway;
- Mental health resilience and support was available to all staff, together with training for managers – Justine Brooksbank agree to provide a written update on take-up.
- A number of young people initiatives were underway to help address youth unemployment, which was increasing across North Yorkshire and had doubled in the last year;
- The Kickstart Scheme, with 40 placements with NYCC and a further 307 provided by other organisations across the region. It was noted that NYCC was the Gateway organisation, supporting those placements, which were all at various stages of the process (27 appointed to date);
- In regard to traineeships, NYCC had hosted the work experience element for 4 traineeships in early 2021 in business support and Technology and Change, with a further 2 planned this month;
- Apprenticeships at NYCC were doing well but the scheme was now much smaller than pre austerity days. It was noted that it had not been possible to spend all of the levy, so some of it had been returned. It was also noted that some schools across the region were unable to participate due to their small staffing numbers, and it was confirmed that up to 25% of the levy could be transferred to organisations across the North Yorkshire border, with the county already close to that level;
- The NYCC graduate programme had a successful track record, leading to the take up of substantive posts by those graduates;
- The focus on Diversity and Inclusion through a range of employee networks and events etc;
- Staff engagement through a range of means including the pulse survey;
- The rollout of TEAMs;
- Learning & Development opportunities;
- There had been a reduction in the spend on agency staff;
- Work was ongoing to address vacancies in the adult care sector and schools, with an intake of teachers from outside the area. It was suggested that delays in teacher training had arisen as a result of the pandemic, due to a delay in the take up of placements, and Justine Brooksbank agreed to provide written feedback on this after the meeting;
- There was no sense of anxiety amongst staff around LGR at this stage, in part probably due to the regular updates provided. However, it was noted that as LGR progressed, a recruitment issue may arise for middle management roles, due to the uncertainty of those posts going forward;
- No more than 20% of staff would be able to return to the workplace as of 21st June 2021 unless the Covid safety requirements changed. It was noted that some staff would welcome a return to the officer where others would not. There was also a sense of

fatigue amongst some staff from constant online meetings and some staff were struggling to separate work and home life;

- Future working arrangements post Covid would be based on service requirements, with the introduction of a framework to support services in identifying the most appropriate way forward. It was noted that whilst a new hybrid contract would not be required, some changes may be required to employees terms and conditions;

In reference to the last annual update, the Chair queried progress with the Committee's suggestions made at that time about the provision of staff training on Mental Health issues and dealing with people with Dementia, and the possible development of a future apprenticeship opportunity associated with Autism Plus. Justine Brooksbank agreed to provide feedback on those suggestions after the meeting.

The Committee were pleased to note the steps outlined that would assist and support staff in their development of new working arrangements, post Covid. They also acknowledged that staff had gone above and beyond throughout the pandemic, and agreed this should not be exploited going forward.

Members thanked Justine Brooksbank for her detailed report and requested that she pass on the Committee's thanks to all staff.

Resolved – That:

- The Update be noted
- A further update be provided in 12 months' time

146 Annual Update on Risk Management

Considered -

A report detailing the amendments to the Corporate Risk Register since the Committee's last update received in March 2020.

Fiona Sowerby, Head of Insurance and Risk Management introduced the report highlighting two new risks, the risks removed and those risks that had significantly changed. She drew specific attention to:

- The ranking of risks, shown at Appendix A, and provided an overview of the process for deciding their rank;
- Paragraph 4 of the report and Appendix B which highlighted the links between corporate and directorate risks;

Members were pleased to note the work underway to formulate risks registers for both North Yorkshire Highways and the Brierley Group, and were reassured that following a decision regarding the Local Government Review, work would commence to consider the risks associated with the transition to the new local government arrangements.

The Chair thanked the officer for her report, and it was

Resolved – That:

- i. The update be noted;
- ii. A further update be provided in twelve months' time

147 North Yorkshire Syrian Refugee Settlement Programme Annual Update

Considered –

An update and progress report on the resettlement in North Yorkshire of people resettled under the Syrian Vulnerable Persons Resettlement Scheme (VPRS) and persons resettled under the Vulnerable Children’s Resettlement Scheme.

Jonathan Spencer, Project Manager for North Yorkshire’s Refugee Resettlement Schemes provided an overview of the work that had been undertaken throughout the pandemic to support those refugees already resettled across the eight local authority areas in North Yorkshire. He also detailed the delays cause by the pandemic in progressing the resettlement programme, and confirmed that only five new families (considered high priority) had been resettled since the last update report, four of which were from the Lebanon.

Members noted:

- The quarantine period had provided a welcomed period of rest for the new families;
- The resettled families had shown a lot of resilience throughout the pandemic, with some refugees wanting to volunteer in their communities;
- English speaking had fallen, particularly in the younger children;
- The provision of computers to each family to allow online English lessons;
- The successful use of communication technology to keep refugee families connected, and to enable volunteers to maintain contact and provide support, with face to face meetings being limited to emergencies;
- The delays in accessing training through the employability Service due to the pandemic;
- There was no cost associated with seeking indefinite leave to remain, but it cost approximately £1,000 per person to seek British citizenship;
- Retention rates continued to be good with only 8 out of 55 refugees choosing to move outside of the region, in most cases to be closer to other families;
- The age demographic of refugees tended to be Adults in the late 20s/early 30s and primary school aged children. There have been some larger family groups that included grandparents, which brought with it some additional issues due to the lack of education in the older family members;
- The need for the scheme to continue at pace post Covid in order to achieve the previously planned number of resettlements in North Yorkshire between 2020 and 2024 (approximately 200);

Members queried how many North Yorkshire Schools were already or were in the process of becoming a School of Sanctuary. They also questioned what part North Yorkshire might play in the Hong Kong British National Overseas UK Welcome Programme. Jonathan Spencer agreed to provide additional feedback on both those issues following the meeting.

Members thanked the officer for all his hard work and commitment in support of the Scheme and requested a further update in a year’s time.

Resolved – That:

- i. The report be noted
- ii. A further update be provided in 12 months’ time

148 Corporate Volunteering Project Update

Considered:

A report of the Assistant Director for Policy, Partnerships & Communities providing a progress update on the Corporate Volunteering Project.

Neil Irving presented the report which detailed the impact of COVID on the delivery of the project with nearly all regular NYCC volunteering services either being halted or significantly reduced during lockdowns.

Members were pleased to note that as services were starting to return, volunteers were being asked to return to their previous roles. They also noted:

- The new volunteer group set up to respond to covid related community need on a weekend;
- The delay in developing a range of online processes for volunteers due to the pandemic;
- the online application form had been fully tested prior to its introduction;
- the introduction of online processes would not replace the traditional methods used previously;
- The changes in delivering volunteering celebration events in response to Covid

Members welcomed the retention of more traditional methods as they were concerned that some older volunteers may be put off by having to use online processes. They went on to query how sustainable the County council's reliance on volunteers was due to their age demographic, and what was being done to promote volunteering among younger people.

Neil Irving confirmed work to understand the age profile and motivation of volunteers was an ongoing part of the work of the Volunteer sub-group. He also confirmed:

- Universities played a key part in encouraging young people in to volunteering;
- Volunteer coordinators worked closely with their volunteers and were able to monitor their contribution and ensure it remained a positive experience;
- Some additional work would be required to gather feedback from volunteers on the application process and their volunteering work;

The Chair thanked the officer for the report and it was

Resolved: That the report be noted

149 Draft Work Programme 2021/22

The report of the Principal Democratic Services and Scrutiny Officer inviting Members to consider the Committee's draft Work Programme for 2021/22 taking into account the outcome of discussions on previous agenda items and any other developments taking place across the county.

Members agreed that the new Police, Fire & Crime Commissioner should be invited to attend the Committee's September 2021 meeting as it provide them sufficient time to prepare, following their take up of the post in May 2021.

Resolved – That the draft work programme be approved.

The meeting concluded at 12:24pm

North Yorkshire Community Safety Partnership June 2021

Community Safety Plan Delivery and Partnership Working

1.0 Purpose of this Report

- 1.1 To update on the partnership working around the priority areas agreed by North Yorkshire Community Safety Partnership. The Crime and Disorder Act 1998 places a statutory duty on local authorities to create multi-agency partnerships to tackle crime, and disorder and other behaviour adversely affecting the local environment and to reduce re-offending. The world of community safety continually changes, the need for partners to work effectively together is essential. In addition, Community Safety Partnerships also have a statutory duty to undertake domestic homicide reviews when the criteria are met.
- 1.2 North Yorkshire Community Safety Partnership has agreed the following priority areas for delivery;
 - Partnership development
 - Community Safety Hubs
 - Domestic abuse
 - Serious and Organised Crime (early intervention and prevention)
 - Hate crime and community cohesion.
- 1.3 The Safer Communities Team, NYCC, that support the delivery of the above also lead on the North Yorkshire partnership delivery of 'Prevent', identifying and supporting those individuals vulnerable to terrorism.
- 1.4 Membership, terms of reference and chairing arrangements have been reviewed. New chairing arrangements have been nominated and approved. Current arrangements for chair, Dr Justin Ives (chief executive, Hambleton District Council) and vice chair, Neil Irving (Assistant Director, North Yorkshire County Council) will be replaced. The new chair will be the incoming Assistance Chief Constable, North Yorkshire Police and vice-chair Jonathan Dyson (Director of Assurance, North Yorkshire Fire and Rescue Services).

2.0 Partnership Development

- 2.1 North Yorkshire Community Safety Partnership has continued to maintain effective relationships with other partnerships. Leads from the Safeguarding Adults Board, Local Safeguarding Children Partnership and Community Safety Partnership regularly meet and jointly deliver on;
 - Communications and engagement strategies
 - Actions from 'learning reviews'

- Strategic and operational matters e.g. multi-agency child exploitation arrangements.

2.2 The annual safeguarding week will be jointly delivered the week beginning the 21st June 2021, with a range of virtual events and webinars being made available for the multi-agency workforce.

3.0 Community Safety Hubs

3.1 Although there is a recognition that the nature of the work in each of the community safety hubs, across the districts, will differ. A consistent approach to recording cases and measuring the outcomes and impact is required. Over the last year, community safety leads have implemented, developed and consistently reviewed Orcuma FiRST (the case management system used by all of the Hubs, commissioned by the Office of the Police, Fire and Crime Commissioner). It is anticipated that this system will further enhance the evidence of the Hubs at operational and strategic levels.

4.0 Domestic Abuse

4.1 On the 29th April 2021, the Domestic Abuse Act came into force, it aims to make changes to better protect survivors of domestic abuse and strengthen measures to address the behaviours of perpetrators. We await further details on the timescales for implementation, statutory guidance to accompany the Act is to be published. (We do have some timescales in relation to statutory duties linked to safe accommodation.)

4.2 The Domestic Abuse Act will:

- Create a statutory definition of domestic abuse, emphasising that domestic abuse is not just physical violence, but can also be emotional, coercive or controlling and economic abuse. As part of this definition, children will be explicitly recognised as victims if they see, hear or otherwise experience the effects of abuse
- Create a new offence of non-fatal strangulation
- Extend the controlling or coercive behaviour offence to cover post-separation abuse. Clarify the law to further deter claims of “rough sex gone wrong” in cases involving death or serious injury
- Establish in law the Domestic Abuse Commissioner, to stand up for victims and survivors, raise public awareness, monitor the effectiveness of local authorities, the justice system and other statutory agencies and hold them to account in tackling domestic abuse
- Place a duty on local authorities in England to provide support to victims of domestic abuse and their children in refuges and other safe accommodation
- Prohibit GPs and other health professionals from charging a victims of domestic abuse for a letter to support an application for legal aid.

4.3 The Act will strengthen measures to tackle perpetrators by

- Prohibiting perpetrators of abuse from cross-examining their victims in person in family and civil courts

- Enabling domestic abuse offenders to be subject to polygraph testing as a condition of their licence following their release from custody
- Providing for a new Domestic Abuse Protection Notice and Domestic Abuse Protection Order, which will prevent perpetrators from contacting their victims, as well as force them to take positive steps to change their behaviour e.g. seeking mental health support
- Introducing a statutory duty on the secretary of State to publish a domestic abuse perpetrator strategy.

4.4 It is critical to provide life-saving safe accommodation and support for those victims and their children that need it following domestic abuse. Within the Act, local authorities are required to assess the need for support in their area for all victims of domestic abuse (including their children) who need to access safe accommodation.

4.5 IDAS is currently commissioned to deliver community based support for victims, refuges and dispersed accommodation across North Yorkshire and York. North Yorkshire County Council, City of York Council and the Office of the Police, Fire and Crime Commissioner jointly commission these arrangements. Most of the elements described in the definitions for accommodation and support, within the Act, are covered in current contract arrangements.

4.6 Additional grant funding has been received by Tier 1 authorities (North Yorkshire County Council and City of York Council) and Tier 2 authorities (all districts). Following the needs assessment a joint strategy regarding safe accommodation must be published by August 2021. Future reporting on spend and progress to central government will come from the Tier 1 authorities. The funding will be used to enhance current arrangements and ensure there is a range of options and support including dispersed properties and sanctuary schemes, to meet the wide range of needs.

4.7 There is no 'local connection' restriction for accommodation and referrals will be accepted from other local authority areas in the UK through the national Women's Aid network and Mankind Initiative. It is recognised nationally that services need to allow for victims and survivors to travel the distance needed to be safe from their abusers; local provision may not be suitable. During 2020/ 21 36% of victims accessing accommodation services in North Yorkshire and York, were recorded as local, 56% came from out of area.

5.0 Serious and Organised Crime (Early Intervention and Prevention)

5.1 Working in partnership with other agencies, two task and finish groups have been established. One focussing on the training and information available for the multi-agency workforce, in identifying and supporting those vulnerable to serious and organised crime. A second group will focus on identifying, collating and developing the multi-agency interventions available to practitioners in supporting individuals and their families.

6.0 Hate Crime and Community Cohesion

6.1 A multi-agency Positive Communities project group has been established that offers to deliver a range of resources to education settings, to enhance young people's understanding of positive and cohesive communities. This group is currently exploring the arrangements around train the trainers approaches (to gain a wider reach), use of peer to peer support and an accessible platform to share resources.

7.0 Recommendations

7.1 For Members to take note of the overarching activity being driven and developed, with strategic oversight from North Yorkshire Community Safety Partnership. Future updates will be provided and specific themed reports can be presented at future committees, if identified.

Report Author: Odette Robson, Head of Safer Communities

Presented By: Dr Justin Ives, North Yorkshire Chairman of Community Safety Partnership

24 May 2021

Corporate and Partnerships Overview and Scrutiny Committee

Page 137
Property Update
7 June 2021

Property Service Objectives

- More efficient property service providing modern, flexible accommodation that support Modern Council principles and reflect the requirements of services.
- A service that is better able to understand and control cost, including utilities, maintenance and other services arising from improvements in the quality of data.
- Development of a more flexible traded offer that can be designed around the specific requirements of client organisations.
- A service that understands the costs of building construction and delivers Value for Money in all projects.

Savings

- £1.5 million savings target arising from 2020 Programme
- Of which, £904,000 achieved
- Further savings to be achieved through: -
 - Further rationalisation
 - Increased efficiencies, including energy
 - Development of trading activities

NYCC Property Portfolios – Summary Item 5

Workplace Portfolio

All the property used for the direct or indirect delivery of services that are not provided by Schools & PRUs

Managed by Asset and Workplace

<i>Number of properties</i>	178
<i>Floor area</i>	129,122 sq. m.
<i>Total expenditure</i>	£7,884,930
<i>Total income</i>	£566,816

Schools Portfolio

All community schools & community Pupil Referral Units

Managed by CYPS, the schools & the PRUs

<i>Number of properties</i>	244
<i>Floor area</i>	388,240 sq. m.

Non-Operational Portfolio

All the property not used for direct or indirect service delivery in the short, medium or long terms

Managed by Asset and Workplace

<i>Number of properties</i>	178
<i>Floor area</i>	73,127 sq. m.
<i>Total expenditure</i>	£827,750
<i>Total income</i>	£735,903

Total : 590,489 sq.m.

Workplace portfolio figures exclude HWRCs and OECs.

All the figures exclude academies, although NYCC retains the freehold of most of their sites.

Year	Property	Saving (£)
2020/21	Crayke House, Easingwold	48,000
2021/22	Standard Way, Northallerton	100,000
Page 17	East Block / 50 South Parade	73,000
2022/23	Morgan House, Northallerton	100,000

Challenges, Risks and Issues

Implications Arising from Covid-19

- General advice to Work from Home
- Implementation of 'Covid Secure Workplace'
- Work on Testing
- Working with Contractors
- Impact upon Construction
- Planning for future working arrangements

Energy Efficiency and Carbon Reduction

Target for 15% reduction in energy utilisation over 5 years from 2017-18 baseline: -

	Consumption (kWh)	Emissions (Tonnes)	Target (kWh)
Gas	19,089,984	3,515.61	
Electric	7,662,460	2,693.81	
Oil	201,167	55.50	
Total	26,953,612	6,264.92	22,910,570.

Energy Efficiency and Carbon Reduction

- Rationalisation
- Investment in energy efficiency measures within estate
 - Boiler Replacement
 - Heating Controls
 - LED Lighting
 - Brierley Building Works (E.g. Zoning / East Block)
 - Works arising from Public Sector Decarbonisation Scheme
 - Smart Campus Review
- Programmes of Work to Promote Behavioural Change
 - Previous Corporate Sites Roadshows
 - Home working advice
- Programme of Work to Review Heat Decarbonisation

‘Open’ for 41% of year

We've had to adapt how we delivered and introduce new services....

There were challenges:

- **Capacity**
- **Skills**
- **IT kit**
- **Loss of income**
- **Fear/concern**

Select & Collect

A new service for customers to pre-order books and collect at the door

"I love select & collect - the staff and volunteers choose better books than I do myself!"

Select & Collect

A new, safe way to borrow books in North Yorkshire. We select and you collect.

Our free service lets you tell us the kind of books you like; our library team hand picks your choices and arranges for you to come and collect them at a convenient time.

- 1** Call or email your local library to place your order.
- 2** We select some books for you based on your requests.
- 3** We contact you to arrange a time for you to collect.
- 4** Collect your books and enjoy for three weeks.

We issued over 559,000 books last year!

Select & Collect survey

We asked what you thought of the new Select & Collect service
Here's what you said:

93%
said we had helped them cope with lockdown

92%
said we had helped them feel less isolated

96%
satisfaction with their select & collect bundles

95%
said we had improved their sense of wellbeing

We developed a new Library App

It's already being used on more than **2,900** devices

Download our new libraries app

- Search the catalogue for books, audio books and DVDs
- Reserve and renew items
- Access FREE digital content including e-books, e-audio books, and digital newspapers, magazines and comics
- Search for 'North Yorkshire Libraries' on

We partnered with Adult Learning to deliver 'How to use' sessions for customers

We created the: Young Adult Libraries Team

After Dinner Book Club

nylibs_youth has **169** followers

Make Stuff Happen Club

Have your say Saturday

We piloted a virtual class visit to Scarborough

And we didn't have to take anyone to the loo or match the coat to the child!!

Reading Friends funding (£10k) to pilot telephone/online reading groups to reduce isolation, support well-being

The Page Turners

- a Teen online group

Call and Chat

- telephone group for housebound

"I don't know who's idea it was but it is a lovely one and a lovely little group. We all get on so well and it's so nice to talk to everyone. Thank you!"

We became a drop off point for North Yorkshire's Reboot project.

78 useable devices donated -
28 distributed to individuals plus
149 delivered to schools

We kept the core service going....

We delivered our Home Library Service

We serve **1,276** HLIS customers

We made over 3,500 be-friending phone calls during the first lockdown

Some libraries had a make-over!

Malton Library

Northallerton Library

Sherburn Community Library

We hosted over 800 virtual events, activities, and story times

Our mobile library
battled through
weather and
traffic to get to
customers on
time

Authors couldn't come to
us so we went to them

Settle Library hosted a talk with Kathleen Kinder on The Modern Book Scene

Orange Prize nominee Claire Fuller talked about her latest book

Harry Fairburn on histories of Women's Suffrage, Life in a Plague Town, and the Chartists

We celebrated diversity

We had national recognition from DCMS and MozFest for our celebration of Black History Month

Ripon Rainbow Takeover virtual Parade

YALT organised an LGBTQ writing competition for young people

Young volunteers at Thirsk Community Library set up a virtual Lego Club!

And

The Globe@Stokesley held their Code Club online!

We remembered.....

Holocaust Memorial Day; Catterick

VE Day Musical Memories; Pickering

We took a walk down memory lane

We cared

We celebrated Halloween with books and pumpkins

We handed out seasonal craft bags

We processed an unbelievable number of new books! (and thanks to the van drivers too!)

The HQ team responded to 14,185 calls and emails

Lessons learnt:

- Give it a go
- Keep calm
- Communicate

Challenges to come:

- Customer Confidence
- Retaining the best
- Volunteer capacity
- Finance

Lockdown Libraries

“thankyou for being open because what you are doing is making a difference to peoples lives and especially their well being and mental health”

NHS consultant at Skipton Library on Select and Collect

“Libraries are a vital part of our communities and at a time when so much else is inaccessible the benefit of escapism with a good book is beyond measure”

The Globe@Stokesley

“you are a ‘lifeline’ for having the PN computers available during lockdown”

Tadcaster

“My father,... has been staying with us since last March. He is 90 and is blind. He has benefited immensely from the talking books that volunteers have delivered.”

Dewent Valley BRIDGE

“I would like to thank NYCC and in my case the Library service for what I consider superb, pragmatic and intelligent work and support for fed up people like me in this stressful time.”

Email to General Manager

On re-opening

Rex, age 3, chooses own books for first time - Helmsley

“We have just had a lovely time and felt very safe!!! X “

Northallerton - Facebook post

“We got up early this morning so we could come in when you opened”

Whitby

“You’ve done amazing work on Facebook during Lockdown – so pleased the library is open again”

Selby

Community Library Feedback

“Would like to say we feel NYCC have done a great job throughout the pandemic. Everyone at Northallerton has been responsive to enquiries with a real desire to help out. We were impressed at the swift arrival of supplies of perspex screens, sanitiser etc. Also felt there was a lot of flexibility to accommodate and support the local decisions we made eg to open up a bit more slowly etc.”

“there seems to be a mismatch between the necessity for community libraries to abide by NYCC H&S requirements in the SLA and yet say we're not obliged to follow NYCC restrictions”

“Communication has been excellent and the weekly updates have been good so thanks to all involved with those”

“The new books are going down a storm”

“delighted with the huge influx of new books which are much appreciated and relieved the home library pickers in particular!”

“The only slightly less fulsome comment is about the amount of paperwork regarding risk assessments etc last year in advance of reopening.”

Libraries support Recovery

Supporting the high street and the local economy:

helping people get back into work, or start their own business; online resources such as COBRA, Universal Skills and Citizenship

Supporting children and families to help close the educational gap: Item 6

working with Grow & Learn, launching our new Under-Fives scheme; Summer Reading Challenge and FEAST

- building customer confidence
- recruiting and (re)training volunteers
- building on what we've achieved: online events programme, digital library and Select & Collect

Tackling isolation & mental health issues:

bringing communities back together safely through shared activities and events; Reading Friends, HLIS

Tackling the digital divide to get more people online and build their digital confidence:

offering IT buddies; working with Citizens Online and Reboot

So we've got even more planned for this year!

Follow your local library on Facebook to keep up to date or go to www.northyorks.gov.uk/libraries

North Yorkshire County Council

Corporate and Partnerships Overview and Scrutiny Committee

7 June 2021

Annual review of County Councillor Locality Budgets 2020/21

1. Purpose of the report

- 1.1. To review the operation of County Councillor Locality Budgets in the financial year 2020/21.

2. Background

- 2.1. Locality Budgets enable County Councillors to respond to local needs by recommending the allocation of small amounts of funding to support projects or activities that directly promote the social, economic or environmental wellbeing of the communities they represent.
- 2.2. The Locality Budgets scheme seeks to ensure that County Councillors have a clear role in the allocation of funding in their Division within the criteria and process agreed by the Executive. This role includes actively promoting the scheme within their Division so that the money is allocated to meet appropriate local needs.
- 2.3. Because the allocation of funding is an executive decision, decisions are made by the Executive Member with responsibility for Stronger Communities, taking into account the information received and the recommendation of the relevant County Councillor.
- 2.4. Transparency is a significant feature of the scheme:
 - County Councillors are required to declare all relevant interests when making a recommendation, including membership or other connections with organisations that will benefit from or manage a Locality Budget award
 - Awards are published on the County Council website at <https://www.northyorks.gov.uk/county-councillor-locality-budgets>

3. Summary of approved recommendations in 2020/21

- 3.1. In 2020/21 each County Councillor had a Locality Budget allocation of £10,000.
- 3.2. County Councillors were particularly encouraged to focus on projects or activities that respond to local needs and community initiatives arising from the impact of Covid-19 pandemic, the impact of climate change, and/or that promote the Council's Stronger Communities programme. In addition, for humanitarian projects linked to the Covid-19 pandemic only, the restriction of £5,000 per project or activity was removed to allow County Councillors to jointly fund larger initiatives.
- 3.3. The first date for the receipt of recommendations was 3 April 2020 and the last date was 31 January 2021. The start date was earlier than normal to enable County Councillors to respond to needs arising from the Covid-19 pandemic and because there were no elections in May 2020.
- 3.4. Because of the exceptional circumstances of the Covid-19 pandemic the Chairman of the County Council gave a blanket call in exemption to enable the Executive Member for Stronger Communities to make decisions swiftly and with immediate effect, thereby allowing County Councillors to react quickly to changing circumstances and to respond promptly to local needs arising from the impact of the Covid19 pandemic.
- 3.5. 70 County Councillors made a total of 547 recommendations, an average of over seven recommendations per County Councillor.
- 3.6. 497 projects and activities were supported in total. This is slightly less than the number of approved recommendations because the scheme allows more than one County Councillor to support a project or activity.
- 3.7. The funding committed in the year was £686,170 (95.30% of budget). The average recommendation was £1,254, the lowest £300 (the minimum allowed) and the maximum was £5,000 (the maximum allowed).
- 3.8. A list of all approved recommendations is attached as appendix 2 and a summary of committed funding by County Councillor is attached as appendix 3.
- 3.9. 52.24% of the funding was committed to projects and activities managed by not for profit organisations (including charities and voluntary organisations), 23% to parish and town councils, 13.40% to NYCC directorates for additional services over and above mainstream budgets

and 9.21% to schools. A breakdown of committed funding by type of organisation is attached as appendix 4.

3.10. The funding was committed to a very broad range of types of projects and activities, with the largest amounts for projects and activities involving; Covid-19 projects (14.20%), community safety (10.17%), schools (equipment / ICT) (8.29%), highway improvements (8.13%), support for vulnerable adults (7.58%) and environmental improvements (including In Bloom projects) (6.83%). A breakdown of committed funding by type of project or activity is attached as appendix 5.

4. Impact

4.1. The aim of the scheme is to enable County Councillors to respond to local needs by recommending the allocation of small amounts of funding to support projects or activities that directly promote the social, economic or environmental wellbeing of the communities they represent.

4.2. Measured against this aim, the scheme has had a positive impact. During 2020/21, the scheme supported 497 projects and activities that improved the social, economic or environmental wellbeing of local communities in North Yorkshire.

4.3. However, the very wide variety of projects and activities supported and the need to ensure that the costs of monitoring are not disproportionate makes it impossible to meaningfully measure or directly compare the impact of individual projects and activities.

4.4. County Councillors are provided with a copy of completed monitoring forms in respect of their recommendations so that they are aware of the impact of each project or activity and can take this into account when making future recommendations. Monitoring forms and appropriate supporting evidence are also reviewed by officers. Any concerns about potential fraud or financial irregularity are dealt with in accordance with standard Council procedures.

5. Equality

5.1. An equality impact assessment was undertaken before the scheme was introduced and reviewed in 2017. No adverse impacts were anticipated and none have any been identified since.

5.2. The scheme states that funding will not be approved for projects or activities that are contrary to the Council's equality and diversity policy. Organisations also have to agree to meet all relevant legislation including equality before receiving funding.

6. Arrangements for 2021/22

6.1. In February 2021, the County Council made provision for Locality Budgets at £10,000 per County Councillor per financial year for 2021/22 and 2022/23.

6.2. The seventh year of the scheme started on 17 May 2021 and the last date for the receipt of recommendations is 31 January 2022.

7. Recommendation

7.1. That the Committee considers and comments on the operation of County Councillor Locality Budgets during the 2020/21 financial year.

Neil Irving
Assistant Director - Policy, Partnerships and Communities
17 May 2021

Appendix 1 – Summary of the Locality Budgets scheme in 2020/21

Appendix 2 – Approved recommendations in 2020/21

Appendix 3 – Committed funding by County Councillor in 2020/21

Appendix 4 – Committed funding by type of organisation in 2020/21

Appendix 5 – Committed funding by type of project or activity in 2020/21

Appendix 1 - Summary of the Locality Budgets scheme in 2020/21

1. Each County Councillor can recommend the allocation of funding to support specific projects or activities that directly promote the social, economic or environmental wellbeing of the communities within their Division. Projects and activities must be lawful and not undermine the Council's or a partner's priorities or service delivery.
2. This year County Councillors are particularly encouraged to focus on projects or activities that respond to local needs and community initiatives:
 - arising from the impact of Covid-19 pandemic;
 - arising from the impact of climate change; and/or
 - that promote the Council's Stronger Communities programme.
3. County Councillors are encouraged to consider how their recommendations can best be used to lever in additional funding, volunteers and community engagement - multiplying the overall impact.
4. Projects and activities can include services provided by the County Council provided that these are additional to normal service levels and do not create an ongoing expenditure commitments for the Council. County Councillors must discuss and agree these with the relevant service manager before submitting a recommendation form.
5. Each County Councillor has a budget allocation of £10,000 this year. Budget allocations cannot be moved between financial years. The minimum funding which can be recommended for a project or activity is £300 and the maximum £5,000. Two or more County Councillors can recommend funding for a single project or activity, but the maximum total funding from the overall Locality Budget scheme for any project or activity in a financial year is £5,000. However, for humanitarian projects linked to the Covid-19 pandemic only, the restriction of £5,000 per project or activity is removed to allow County Councillors to jointly fund larger initiatives.
6. Recommendations must be made by County Councillors using the Flexi-grant online form.
7. County Councillors must declare on the recommendation form all relevant pecuniary and personal interests including membership or other connections with every organisation that is going to benefit from or manage a Locality Budget award.
8. If the Monitoring Officer has any concerns about any recommendation, this will be raised with the relevant County Councillor.
9. All recommendations will be considered by the Executive Member with responsibility for Stronger Communities (or in their temporary absence, the Leader), who will make a decision taking into account the information received and the recommendation of the relevant County Councillor.

10. In the event that the Executive Member has made a recommendation or has a relevant pecuniary or personal interest in a recommendation, they will not take that decision, but will refer the matter for determination by the Leader.
11. The Locality Budgets business support officer will notify the County Councillor of the decision taken by the Executive member and the reasons.
12. Information about all awards will be published on the Council's website. Documents associated with the scheme (eg recommendations and monitoring forms) are not exempt from disclosure under FOI legislation.
13. All recommendations made by a County Councillor and all decisions by the Executive Member will be made in accordance with the principles of decision making set out in the Council's Constitution.
14. County Councillors can make recommendations from Friday 3rd April 2020. No recommendations from County Councillors will be accepted after Sunday 31st January 2021. No recommendations or decisions will be made if any part of the relevant Division is covered by a pre-election period linked to elections or by-elections to the Council, a district council or parliament (ie the period between the day the notice of election is published and the final election results; normally six weeks).
15. Funding will not be awarded for projects or activities that have already been completed or expenditure that has already been incurred.
16. Expenditure must be completed within twelve months of the offer of funding being accepted.
17. If funding is awarded for a project or activity to be undertaken or managed by an external organisation, the Council will offer a grant to the organisation provided that the organisation is a parish or district council or a voluntary or community organisation, has an organisational bank account and agrees to:
 - provide the Council with a statement of how the funding has been spent and how it has benefited the local community;
 - allow the Council reasonable access to all records relating to the funding for at least four years after the funding has been awarded;
 - meet all relevant legislative requirements;
 - repay to the Council all unspent funding within one month if it has not been
 - spent within twelve months of it having been awarded; and
 - acknowledge receipt of a grant from the Council in all publicity relating to the project or activity and in their annual accounts and report.
18. If an organisation does not sign to accept the offer of a grant within three calendar months of the offer being made, the offer will lapse and cannot be

renewed without a new recommendation being made by a County Councillor.

19. Funding will not be approved in respect of:
 - projects or activities that will only benefit an individual or an individual family or a private business;
 - political parties or trade unions or employers' associations or groups affiliated with any of these;
 - lobbying or lobbying organisations;
 - projects or activities that seek to promote a faith or belief as their main purpose;
 - projects or activities that are contrary to the Council's equality and diversity policy; or
 - organisations which actively or vocally oppose fundamental British values.

20. All projects and activities awarded funding will be sent a monitoring form which must be completed and returned with appropriate supporting evidence (eg copies of quotes and receipts for expenditure, photographs and project reports) to the Locality Budgets business support officer at County Hall within twelve months of the funding being awarded. A copy of each completed monitoring form will be provided to the relevant County Councillor by the Locality Budgets business support officer.

21. If a satisfactorily completed monitoring form and appropriate supporting evidence are not submitted within twelve months of the funding being issued, a request will be made for all the funding to be repaid within one month.

22. External organisations that have not returned satisfactorily completed monitoring forms and appropriate supporting evidence will not be eligible for future funding.

23. All concerns will be dealt with in accordance with standard Council procedures relating to suspected fraud or financial irregularity.

Appendix 2 – Approved recommendations in 2020/21

<i>Councillor</i>	<i>Amount</i>	<i>Description of Grant / Name of Organisation</i>
Cllr Val Arnold	£300	Purchase of items for the goodie pack to be given to 302 NYCC Care Leavers / NYCC Care Leavers
Cllr Val Arnold	£2,500	Purchase of a VAS for Kirkbymoorside / Kirkbymoorside Town Council
