

Agenda

Notice of a public meeting of

Richmond Area Constituency Committee

To: Councillors Alyson Baker, Caroline Dickinson, Bridget Fortune, Kevin Foster, Bryn Griffiths, Tom Jones, Carl Les, Heather Moorhouse, Stuart Parsons, Yvonne Peacock (Chair), Karin Sedgwick, Angus Thompson, Malcolm Warne, Steve Watson, David Webster, John Weighell OBE, Annabel Wilkinson and Peter Wilkinson (Vice-Chair).

Date: Wednesday, 22nd March 2023

Time: 10.00 am

Venue: Brierley Room, Northallerton, DL7 8AD

This meeting will be held using video conferencing with a live broadcast to the Council's YouTube site. The Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority Police and Crime Panel Meetings) (England and Wales) Regulations 2020 lapsed as of 7 May 2021. Any formal decisions that the Committee needs to make that are legally binding will be made in consultation with by the Chief Executive Officer using his emergency delegated powers, taking into account the recommendations of the Committee.

The meeting will be available to view once the meeting commences, via the following link - www.northyorks.gov.uk/livemeetings Recordings of previous live broadcast meetings are also available there.

Business

- 1. Minutes of the Meeting held on 23 November 2023** (Pages 3 - 6)
- 2. Apologies & Declarations of Interest**
- 3. Public Questions or Statements**
Members of the public may ask questions or make statements at this meeting if they have given notice and provided the text to Melanie Carr of Democratic Services (*contact details below*) no later than midday on Friday 17 March 2023. Each speaker should limit themselves to 3 minutes on any item. Members of the public who have given notice will be invited to speak:

Enquiries relating to this agenda please contact Melanie Carr Tel:
or e-mail

Website: www.northyorks.gov.uk

- at this point in the meeting if their questions/statements relate to matters which are not otherwise on the Agenda (subject to an overall time limit of 30 minutes);
- when the relevant Agenda item is being considered if they wish to speak on a matter which is on the Agenda for this meeting.

4. **Stronger Communities Annual Report 2022-23** (Pages 7 - 16)
5. **Appointment to Outside Body** (Pages 17 - 18)
6. **Verbal Update on Northallerton Infrastructure and Development Project**
7. **Draft Work Programme 2023-24**
8. **Other business which the Chairman agrees should be considered as a matter of urgency because of special circumstances.**

Barry Khan
Assistant Chief Executive
(Legal and Democratic Services)

County Hall
Northallerton

14 March 2023

North Yorkshire County Council

Richmond (Yorks) Area Constituency Committee

Minutes of the remote meeting held on Wednesday, 23rd November, 2022 commencing at 10.00 am.

County Councillor Yvonne Peacock in the Chair. Plus County Councillors Alyson Baker, Caroline Dickinson, Bridget Fortune, Kevin Foster, Bryn Griffiths, Carl Les, Heather Moorhouse, Karin Sedgwick, Malcolm Warne and Annabel Wilkinson.

Officers present: Mark Ashton, Jayne Charlton, Andrew Dixon, Howard Emmett, Amanda Newbold, Matthew Robinson and Jane Le Sage.

Apologies: Angus Thompson and John Weighell OBE. .

Copies of all documents considered are in the Minute Book

20 Minutes of the Meeting held on 5 September 2022

Resolved –

That the Minutes of the meeting held on 23 November 2022, having been printed and circulated, be taken as read and confirmed by the Chairman as a correct record.

21 Apologies & Declarations of Interest

Councillor Yvonne Peacock declared a non-prejudicial interest in Agenda item 4, as the owner of a private hire company that provided school transport.

There were no other declarations of interest.

22 Public Questions or Statements

There were no public questions or statements.

23 YorBus Pilot Update

Considered – A report provided by Andrew Clarke, Public and Community Transport Manager giving an update on the ongoing Yorbus Pilot.

Andrew Clarke introduced the report, which outlined the service and provided a performance analysis for 2021/22, which included passenger data and feedback on the associated key performance indicators. He also confirmed that the pilot period had been extended for a second year up to 30 June 2023.

Whilst some concern was expressed about the cost of running the service, Members welcomed its introduction, recognising its benefit to smaller communities. They also noted:

- The steady increase in use of the service and that it was attracting more young people than other subsidised bus services.
- Customer satisfaction was above the expected level.

- The introduction of a pre-booking option and the impact it was having on journey availability
- The increase in fares as of August 2022.
- The reasons for use i.e., travelling to doctors/hospital, and for shopping and socialising.
- Its favourable comparison with other digital demand responsive services.
- The ongoing work to identify additional future funding options and options for an extended roll out to other parts of the county.

Members suggested the service could be used to provide vital access to work and education for young people living in rural areas.

The Chair thanked the officer for the update, and it was

Resolved – That the update be noted.

24 Update on the Emergency Plans

Considered – A update on community resilience and emergency planning provided by Matthew Robinson -Head of Resilience & Emergencies.

Matthew Robinson provided a brief overview of the benefits of having local community emergency plans in place to provide support in dealing with the first 48 hours following an incident.

He also provided an overview of how Councillors could help local communities to introduce an Emergency Plan, help during an incident, and after an incident through the assessment of a community's reaction.

Members recognised the risk associated with a reliance on wi-fi as a result of the switch from analogue to digital telephony. They also noted that any existing emergency plans would need updating to remove District and Borough Council contacts in preparation for vesting day. They also noted the use of the locality fund by some members to support emergency planning work in their divisions e.g. for the purchasing of generators.

Members suggested a crib sheet with telephone numbers for key officers/service teams and external partners, would be helpful for all members. As would some literature to use to promote the benefits of having an emergency plan to small community groups.

The Chair thanked the officer for his report and it was

Resolved – that the report be noted.

25 North Northallerton Bridge Update

Considered – An update report on North Northallerton Bridge, informing Members of the ongoing progress on its delivery.

Area Highways Manager, Jayne Charlton, presented the update report, and confirmed that subject to weather conditions, the bridge was to be open to the public from mid December 2022 onwards. It was noted that pedestrian access could not be provided sooner due to a manufacturing issue which had held up the installation of the lighting columns.

Councillor Heather Moorhouse requested information on highways related issues affecting climate change and requested that a report on CO₂ emissions be brought to a future meeting.

Resolved – That the update report be noted.

26 Annual Schools Educational Achievement & Finance Report

Considered - A detailed and wide-ranging report introduced by Mark Ashton, Strategic Planning Officer, providing information on:

- The no of schools across the area and their status;
- School standards and attainment;
- Exclusions;
- Special Education Needs;
- Elective Home Education;
- Schools Finance;
- Local school place planning issues;

Members welcomed the report and noted:

- The good Ofsted outcomes.
- Falling school numbers had been the catalyst for the Rural Commission.
- The introduction of new and affordable housing in rural villages would bring more children to those areas supporting the sustainability of rural schools.
- The increase in exclusions at both primary and secondary schools.
- The numbers of pupils in elective home education - a large proportion were working well with EHE parent groups in place and EHE advisors in all localities monitoring those schools with higher EHE numbers and the quality of the education being provided.
- The impact of rising energy costs on school budgets (110% for electricity and up to 350% for gas).
- The importance of liaising with partners in the NHS on young people's mental health issues.
- The work of the strategic planning team e.g. monitoring the preferences of parents understanding the local issues affecting future pupil numbers at specific schools such as Catterick school.

The Chair thanked the officers for the report and it was

Resolved – That the annual update report be noted.

27 Work Programme

Considered - A report presenting the committee's draft work programme for the municipal year 2022-23.

Melanie Carr, Principal Democratic Services & Scrutiny Officer introduced the committee's work programme and asked Members to review it taking into account the outcome of discussions on previous agenda items and any other developments taking place across the area.

It was agreed that the Chair would work with the supporting officer to update the draft work programme ahead of the Committee's next meeting.

Resolved – That the work programme be noted.

The meeting concluded at 11.38 am.

This page is intentionally left blank

NORTH YORKSHIRE COUNTY COUNCIL

RICHMOND AREA CONSTITUENCY COMMITTEE

22 MARCH 2023

Stronger Communities Update

1.0 Purpose of Report

To provide Members with an update on the Stronger Communities Programme and an overview of progress made in the Richmond Constituency area.

2.0 Background

2.1 Despite the ever-changing landscape of the pandemic over the past 12 months, the community support infrastructure through the Community Support Organisation (CSO) network has remained largely in place since March 2020. As we moved into recovery, a minority of CSOs wound down or scaled back their pandemic response activities. A significant number have however continued to work with the programme on supporting communities with the challenges they face in relation to cost of living and winter pressures. This has been alongside exploring how the successful CSO model could be built upon and developed further to support the health, wellbeing and prevention agenda, and wider community resilience in localities, through the Community Anchor Organisation (CAO) model concept.

2.2 In addition to this work, the programme has also been able to resume pre-pandemic projects and has taken the lead role on a number of new countywide programmes.

2.3 A number of new national initiatives have been launched over the past 12 months particularly around alleviating the cost of living pressures being felt by families and residents on low incomes. Stronger Communities are leading on a number of these programmes and work in partnership with others within the Council and externally.

3.0 Community Support Organisations (CSOs) & Community Response

3.1 The work of the CSOs has shifted focus in 2022/23, moving from pandemic response to recovery. Instead of supporting people who were self-isolating or shielding, their efforts have been on building confidence and independence and helping to remove some of the dependencies that emerged during the pandemic. This has included activities such as supported shopping trips, accompanied walks, social events and support groups and activities.

3.2 In acknowledgement of broader community resilience challenges including cost of living and winter pressures, the CSOs have been retained until the end of March 2023; continuing to work in partnership with NYCC to act as a place based single point of contact for locally based support, in collaboration with their volunteers, partners and networks.

3.3 A total of £924,700 has been invested in the CSO infrastructure across the county in 2022/23; this includes a £22,000 contribution from the Humber and North Yorkshire Integrated Care Board (ICB) to support the development and rollout of the Rockwood Frailty Toolkit. A breakdown of CSO investment by geography is outlined below.

District	No. of CSOs	Total Value
Craven	3	£92,000
Hambleton	4	£138,000
Harrogate	6	£203,500
Richmondshire	5	£126,000
Ryedale	2	£68,000
Scarborough	3	£173,200
Selby	3	£124,000
Total	26	£924,700

3.4 Future Opportunities for CSOs

Stronger Communities has also been working alongside the CSOs to identify elements of the model that could be retained and developed further to support the wider health, well-being and prevention, and community resilience agenda. Following a well-attended 'Response to Recovery' event that took place in May 2022 for those organisations that had undertaken the CSO role, followed by the 'Learning Together and Co-Creation' day in early November, the development of a Community Anchor Organisation network across North Yorkshire has been progressed. This is building on the successful CSO model, and further exploring the role that locally rooted, place based organisations can play in building resilience in communities.

3.5 In February 2023, as part of its established 'Achieve Together' Investment Programme, Stronger Communities opened a new opportunity to establish a Community Anchor model for North Yorkshire. Grants of £15,000 a year (for up to 3 years) will be made available from April 2023 for place rooted organisations, based in principal service towns or centres, who are able to serve a wider hinterland. This investment supports the core aims of the wider Stronger Communities Programme which include:

- Prevention and reducing health inequalities
- Community resilience
- Social regeneration

3.6 After gathering insight from other local authorities and community development programmes and gaining insight from voluntary and community sector organisations (including CSOs), a number of characteristics and activities which we would hope to see in a Community Anchor Organisation have been developed. This encompasses:

Characteristics

- Crucial to the place and the community in which it is based.
- A voice for local people.
- Collaborative, open and encouraging of other contributions.
- Proactive with a can-do mindset.
- Already delivering services.
- Independent and community led.
- Financially resilient.

Activities

- Building local partnerships and alliances to deliver services.
- Improving physical and mental wellbeing and reducing health inequalities.
- Regeneration of their communities.
- Building community resilience.

- Improving people’s financial resilience.

3.7 The funding currently being used to support this work is non-recurring and as such, the challenge will be to develop financially sustainable options for CAOs in order for them to become less dependent on public sector grants and establish diverse income streams – which could include earned income through contracts and charging.

3.8 Community Grants

In addition to the work with CSOs, Stronger Communities has awarded £114,696 in Community Grants supporting 109 groups and / or projects to date in 2022/23. This investment has allowed communities and small grass roots groups and organisations to recover from the pandemic and to re-establish local events and activities in their communities. A geographical breakdown of the grants awarded is outlined below.

District	No. of Grants	Total Value
Craven	8	£10,000
Hambleton	8	£7,300
Harrogate	14	£13,990
Richmondshire	10	£10,000
Ryedale	15	£14,500
Scarborough	37	£35,214
Selby	16	£15,692
Countywide	1	£8,000
Total	109	£114,696

3.9 A breakdown of grants awarded in the Richmond Constituency area is attached at **Appendix A.**

4.0 **Wider Stronger Communities Programme Work**

4.1 The Stronger Communities programme has been able to resume some of its pre-pandemic work over the past twelve months; it is also leading on a number of large new national programmes.

4.2 The range of activities the team are leading on, or are contributing to, is broad and varied:

- Holiday Activities and Food Programme for free school meal eligible children (Department of Education funded)
- Household Support Fund - awards to low-income households (Department of Work and Pensions funded)
- Homes for Ukraine Programme (Department for Levelling up Housing and Communities)
- Wellbeing and Prevention investment – Stay Healthy, Independent and Connected
- Digital Inclusion
- Cost of living
- UK Shared Prosperity Fund (UKSPF)
- Mental health programmes (NHS)
- Local Government Reorganisation (LGR)

- 4.3 Holiday Activities and Food Programme
Stronger Communities continue to lead on the delivery of this programme, which was launched with the branding of FEAST (Food, Entertainment, Arts & Sport Together) in partnership with Children and Young People's Service (CYPS) and the voluntary and community sector. Coordination of the programme has been undertaken by North Yorkshire Together who in conjunction with a network of locally placed clubs and community organisations, deliver a range of enriching activities over holiday periods.
- 4.4 The new Holiday Activities and Food Coordinator is now in post and is working with North Yorkshire Together partners, as well as colleagues in CYPS, Stronger Communities and Public Health to develop the programme further with a particular emphasis on providing a wraparound service for families, its nutrition and healthy food offer, building stronger relationships with schools, and increasing the number of teenagers engaging with the programme.
- 4.5 Household Support Fund
In the last 6 months, Stronger Communities have continued to administer the Department for Work and Pensions (DWP) funded Household Support Fund.
- 4.6 The third phase of the scheme aimed to support those most in need with significantly rising living costs between October 2022 and March 2023, particularly focussing on those who missed out on national government cost of living support. In line with the expenditure guidelines and the agreed eligibility framework developed in partnership with the seven District and Borough Councils, 23,395 eligible households across North Yorkshire have received a direct award in the form of a shopping voucher in January 2023. This encompassed eligible families, pensioners and working age adult households, as well as those who missed out on other forms of national Cost of Living support. In addition to this, supplementary funding was awarded to North Yorkshire Local Assistance Fund (NYLAF), Warm and Well, and 16 food providers across the County.
- 4.7 Household Support Fund will continue from 1 April 2023 for a further 12 months; guidance for the scheme has been received and work will commence on how this will be deployed shortly.
- 4.8 Homes for Ukraine Programme
Following the launch of the national Homes for Ukraine programme, officers from the Stronger Communities team have continued to lead on North Yorkshire's multi-agency approach to ensuring arrangements are in place for host families (sponsors) are approved (home and welfare checks) and procedures are in place to distribute the government funding for sponsors and guests. The approach also supports the many local groups who have set up across the county to help welcome and support the Ukrainian refugees with things such as language lessons, social events and peer support.
- 4.9 The number of Ukrainian guests residing in North Yorkshire, through the Homes for Ukraine sponsorship programme was approximately 838 at the end of Q3. In addition, 346 guests, who initially arrived in North Yorkshire, have either moved into private rental accommodation, to another Local Authority area, or returned to Ukraine, making a total of 1184 arrivals since March 2022. Of the guests who have moved on from their sponsor, 78 groups, or 191 individuals are now living in rental properties within North Yorkshire.
- 4.10 The government has recently announced a number of updates to the scheme; this includes an extension to the maximum sponsorship term from 12 to 24 months, an increase to the thank you payment once guests have been in the UK for 12 months, and additional funding to acquire housing and support for guests to move into their own homes and reduce the risk of homelessness.

4.11 Wellbeing and Prevention – Stay Healthy, Independent & Connected

The Stronger Communities team have continued to support colleagues in Targeted Prevention (Health and Adult Services) to develop options for future investment in well-being and prevention, learning from the place-based pilots operating in Craven and Selby. The Stay Healthy, Independent and Connected Grants scheme was launched in late 2022, with new providers starting work in their localities on 1 April 2023.

4.12 Digital Inclusion

The digital buddies and champions programme delivered in partnership with Citizens Online, libraries, Living Well and community volunteers has proved a vital resource during the pandemic helping people to access online services and stay connected to friends and families. This has been delivered in tandem with the recycling of ICT equipment and devices project Reboot North Yorkshire. Awareness of Reboot North Yorkshire continues to grow, with an increased number of organisations and services referring their beneficiaries into the scheme, particularly those who are socially isolated, or those in need of a device to access training or education.

4.13 Cost of living - Food Insecurity

Following the Council's investment of a Defra grant in 2020/21 for a range of community projects that help combat food and fuel insecurity arising out of the pandemic; additional funding was made available to deliver the Food for the Future programme, aiming to embed local sustainable food support options, which also support beneficiaries to build their levels of confidence and independence. An additional 44 have also been made available to food banks and / or providers of free or low-cost food through the three rounds of HSF.

4.14 The food insecurity research and insight work continues to progress well in conjunction with City of York Council (CYC), with the report expected in Spring 2023. This broadly encompasses the following areas:

- Developing and utilising an evidence base of interventions including associated outcomes.
- Building our understanding of the realities faced by food providers, the unmet needs, the real-life outcomes, and thoughts about sustainability /viability.
- Developing a clearer map of provision across York & North Yorkshire and gaining a feel for possible gaps in areas / or models.
- Innovating / experimenting with an approach that involved people with lived experience.

The team continues to work closely with the Public Health Healthier Lives, Community and Economy team who are looking to bring together a range of organisations in the food sector to establish a food system framework and ultimately a food partnership to address the immediate to long term challenges presented. Joint work on exploring the impact of Cost of Living on Health Outcomes will also commence in Spring 2023.

4.9 Broader Cost of Living work

In conjunction with internal and external partners and coordinated by Stronger Communities, the cost-of-living support page on the NYCC website has been updated and reconfigured to provide as comprehensive a picture as possible. This encompasses links to more local level sources of information, including the District and Borough Councils and Community Support Organisations (CSOs), as well as detailing information on Warm Spaces, and support available for community and voluntary groups wishing to tackle cost of living challenges in their communities.

The programme has also supported the development of the NYCC Cost of Living Communications Campaign utilising a variety of tools. This includes the development of a range of social media assets and an A5 leaflet that has been made available in hard copy and digitally, which will drive people to the updated cost of living page on the website, their local CSO, and potentially to NYCC's Customer Service Centre by telephone as an alternative.

4.10 UK Shared Prosperity Fund (UKSPF)

As part of the government's Levelling Up agenda the Council submitted its proposals for its allocated UKSPF funding, which have now been approved. There is a strong emphasis within the criteria for UKSPF on place shaping, community empowerment, engagement and strengthening the voluntary and community sector, and Stronger Communities are taking the lead role in the delivery of the Communities and Place strand. An advisory group is in place made up of public and voluntary sector partners and the year one allocations have been signed off with contracts being prepared.

4.11 Mental health programmes (NHS)

The Stronger Communities Programme has worked in partnership with colleagues in Public Health and the NHS to deliver a range of community led mental health projects since 2019. These include grass roots suicide prevention programmes and other specialist mental health services. As part of the national Community Mental Health Transformation programme, Stronger Communities continue to work in partnership with the NHS to transform mental health services for people with a serious mental illness through building capacity within communities and the voluntary sector. The approach includes NHS financial investment, managed by Stronger Communities, working with four place based multi-agency partnerships to develop and/or pilot new community -based services and projects through grant funding to voluntary organisations and community groups with the overarching aim of enabling people with a serious mental illness to live well in their communities.

4.12 Children and Young People

In conjunction with Children and Young People Service (CYPS), the Stronger Communities team continues to work with Early Help to deliver their Get Going grants scheme that seeks to grow community capacity by working alongside and with our communities to stimulate, support and develop activities that enable children, young people and their families to be happy, healthy and achieving.

4.13 Capacity Building

The Stronger Communities Programme has continued to strengthen local community assets and infrastructure; this has included encouraging relationships and collaborations between voluntary and community sector organisations as well as stabilising, and / or building capacity within them if required. The impact of the pandemic on income and capacity within the sector, together with concerns in relation to rising fuel costs is resulting in concerns about their long-term viability and sustainability. Stronger Communities continues to work with colleagues such as Community First Yorkshire, The Two Ridings Foundation, the Lottery and other partners to identify issues and concerns and develop joint responses.

5.0 Planning for the future

5.1 Independent Evaluation

The Stronger Communities Programme is subject to a 5-year independent evaluation, conducted by Skyblue Research; evaluation of the CSOs has been encompassed within this, alongside continuing to develop our ten-year strategy, People, Place and Power.

- 5.2 The Learning Review Evaluation (2018 – 2022) highlighted a number of key achievements of the programme. Some of the headlines include:
- 1,100 community projects supported in over 200 communities in North Yorkshire since 2018. This rises to 1,415 projects since the programme's inception in 2015.
 - Over 600 Voluntary, Community and Social Enterprise (VCSE) organisations have received financial and / or relational support from the programme.
 - An estimated 100,000 benefitted from the programme between 2015 and 2020, with 60,000 benefitting in 2020/21.
 - £3.45million of external funds have been secured as a result of Stronger Communities organisational development investment in to VCSEs or place based collaborations.

5.3 Local Government Reorganisation (LGR)

The Stronger Communities team is involved in a number of work-streams to support the formation of the new unitary council. Stronger Communities also delivered elements of the Let's Talk campaign in partnership with Borough and District Councils between September and December 2022.

6.0 Local Area Information

- 6.1 The Richmond constituency area is currently served by seven CSOs, with the current agreements ending at the end of March 2023. Each organisation is focussed on supporting the wellbeing and independence of their beneficiaries, meaning a large reduction in the pandemic-related support provided previously, such as shopping and prescription delivery. The organisations are as follows:

- Hambleton Community Action (covering Northallerton and Bedale)
- Stokesley and District Community Care Association
- The Bridge (covering Richmond and Catterick)
- Colburn Hub and Café
- Leyburn Arts and Community Centre
- The Upper Dales Community Partnership
- Reeth and District Community Transport

- 6.2 As referenced in Section 4.6, the new SHIC grants will be delivered in the Richmond constituency area through a new partnership model involving a combination of place-based organisations (some of which are currently acting as CSOs), as well as specialist support organisations. Through this model all communities will have access to specialist advice and guidance as well as an opportunity to make local social connections.

- 6.3 The Community Mental Health Transformation programme, led by Tees Esk and Wear Valleys NHS Foundation Trust, is supported by a Hambleton and Richmondshire Task and Finish Group. In addition to supporting the group through the management of a grants programme, Stronger Communities is working alongside a range of partners to consider how to streamline clients' experience of accessing mental health support, ensuring co-production underpins the transformative approach. A number of workshops have taken place throughout the year involving those with lived experience, the VCSE and specialist medical and social care professionals.

7.0 Recommendations

- 7.1 It is recommended that Members note the content of this report.

Report Authors

Lucy Moss-Blundell, Stronger Communities Delivery Manager (Richmondshire)
Adele Wilson-Hope, Stronger Communities Delivery Manager (Hambleton)
Marie-Ann Jackson, Head of Stronger Communities

9 March 2023

Appendix A – Breakdown of Community Grants Awarded

District	Organisation Name	Project	Value
Richmondshire	Yorkshire Energy Doctor	Cost of living support	1000

Richmondshire	The Wensleydale Chorus	Production cost support	1000
Richmondshire	Richmond Refugee Support Group	Refugee integration activities	1000
Richmondshire	Leyburn Jazz Festival	Music event 2022	1000
Richmondshire	Colburn Reunion	Event contribution	1000
Richmondshire	Colburn Catterick Richmond Fijian Community	Community Event	1000
Richmondshire	Racing Welfare	Supporting retired racing community	1000

North Yorkshire County Council

Richmond Area Constituency Committee

22 March 2023

Appointments to Outside Bodies

Report of the Assistant Chief Executive (Legal and Democratic Services)

1.0 Purpose of the Report

- 1.1 To enable appointments to Committees and Outside Bodies to be considered.

2.0 John Dakyn's Education Charity at Kirby Hill – Trustee Vacancy

- 2.1 There is currently a vacancy for a Trustee on the John Dakyn's Education Charity, following the recent resignation of Mr J A Cowie.
- 2.2 This is a Category 3 outside body appointment. County Councillor Angus Thompson as the local Member, is invited to confirm his nominee for the vacancy at this meeting. Nominees are expected to be a member of the local community but may be the local Member. Once seconded, Area Constituency Committee Members are asked to vote to approve the appointment.
- 2.3 Once the appointment has been made, Democratic Services will forward the contact details (i.e. postal address, email address and phone number) for the appointed nominee to the Secretary of the outside body.
- 2.4 The decision to appoint to a category 3 outside body is an Executive function which has been delegated to the relevant Area Constituency Committee. As such, the decision to appoint must be published within 2 days of being made and is subject to the Council's call-in procedures.

3.0 Recommendation

- 3.1 That the Richmond Area Constituency Committee appoint the nominee for the vacancy, nominated by the local Member as the County Council's appointee on the John Dakyn's Education Charity, to serve until a replacement is appointed.

Barry Khan
Assistant Chief Executive (Legal and Democratic Services)
