6. Report of the Assistant Chief Executive (Business Support) – Not for Publication

Considered –

The report of Justine Brooksbank, Assistant Chief Executive (Business Support), regarding the proposed recruitment and selection process for the post of Corporate Director of Business and Environmental Services, as a result of the current post holder retiring in August 2020.

The Chief Executive, Richard Flinton, introduced the report and said that David Bowe had been the Director of Business and Environmental Services for the past 9 years. David Bowe had given a substantial notice period, which will help considerably with the recruitment process.

Richard Flinton said that the current post had been reviewed to see whether any changes were needed to ensure that it continued to meet local requirements. He confirmed that the role was still needed and relevant. As such, there was a need to establish a sub-committee of the Chief Officer Appointment and Disciplinary Committee to take part in the recruitment process.

Justine Brooksbank summarised the key points in the report, as follows:

- The aim is to attract applicants of the highest calibre
- The Job Profile had been checked to ensure that it would not exclude people who did not have experience of working in a local authority
- It was proposed that the remuneration be unaltered
- Once appointed, the sub-committee will need to meet twice. Once on 13 November 2019 to undertake shortlisting of applicants for invitation to the assessment event and once on 10 December 2019 to take part in the interview process
- The sub-committee will decide upon the candidate for appointment and then make a recommendation to County Council on 19 February 2020.

Justine Brooksbank also asked members to consider whether they would be happy for the Chief Executive, Chairman and Assistant Chief Executive (Business Support) to have delegated authority to determine the longlist ahead of the meeting of the sub-committee with outline information on number of candidates and reasons for inclusion or exclusion from longlist will be provided to the sub-committee, and to complete any necessary shortlisting after the day one process to provide a manageable and credible shortlist for the sub-committee to consider on day two.

County Councillor Carl Les thanked Richard Flinton and Justine Brooksbank for the overview of the report and opened up the discussion.

County Councillor Don Mackenzie said that he agreed with the recruitment and selection process, as had been outlined in the report. He asked that his thanks to David Bowe be noted for all of the good work that he had done over the years in such a high profile, customer facing role at the Council. These comments were echoed by all those present.

County Councillor Tony Randerson said that he would be supportive of the proposed delegation of powers as long as the sub-committee was not presented with a final short list and still had a role to play in a shortlisting exercise.

In response, Justine Brooksbank said that the intention was to produce a long list of candidates that was manageable and which had removed applications that were obviously not suitable as they did not meet the criteria in the Job Profile.

County Councillor Carl Les summed up the discussions and asked that the committee consider the recommendations at paragraph 5.0 in the report.

The recommendations were proposed, seconded and on a show of hands unanimously supported.

The membership of the Chief Officer Appointment and Disciplinary sub-committee was agreed as County Councillors: Philip Broadbank; Tony Randerson; Janet Jefferson; Carl Les; Don Mackenzie; Andrew Lee; John Weighell OBE; and Gareth Dadd.

Resolved –

1. To appoint a Sub-Committee to undertake and decide upon this appointment in accordance with the Staff Employment Procedure Rules, including the undertaking of shortlisting and interviewing.
2. To delegate authority to the Chief Executive in consultation with the Chairman, and Assistant Chief Executive (Business Support), review the applications to determine a manageable long list and complete further shortlisting after Day One to remove applicants not appointable prior to the final interview.
3. Consider and agree the proposed recruitment process in terms of timescale and selection arrangements.

7. Any other business which the Chair agrees should be considered as a matter of urgency because of special circumstances

There was none.

NORTH YORKSHIRE COUNCIL

THE CHIEF OFFICERS APPOINTMENT AND DISCIPLINARY COMMITTEE

6 June 2022

Report of the Assistant Chief Executive (Business Support)

1.0 Purpose of the report

- 1.1 To commence the recruitment process to the position of Chief Executive Officer for North Yorkshire Council
- 1.2 To determine the salary for the post to be approved by Full Council.

2.0 Background

- 2.1 With the formation of the new North Yorkshire Council, as set out in the North Yorkshire (Structural Changes) Order 2022, the Council now needs to begin the process of appointing a Chief Executive Officer.
- 2.2 The Local Government (Structural and Boundary Changes) (Staffing) Regulations 2008 regulation 4, sets out the need to appoint to a Head of Paid Service. In line with this requirement and as stated in the Explanatory Memorandum to The Local Government (Structural and Boundary Changes) (Staffing) Regulations 2008 No. 1419, para 3.5 there is a.... *'requirement to recruit to the post of head of paid service (chief executive) in the new single tier council, through open competition'*.
- 2.3 The Unitary programme envisages that savings will be made through the removal of duplication and efficiencies resulting from economies of scale and new synergies between services, and it is noted that the anticipated savings on Chief Executive salaries across the County will be in excess of £1 million a year (including on costs).

3.0 Remit of the Chief Officers Appointments and Disciplinary Committee

- 3.1 The full Committee appoints the Chief Executive Officer, and then appoints a Sub-Committee to appointment Chief Officers to the new Council.
- 3.2 Where a Chief Executive Officer vacancy exists the Chief Officers Appointments and Disciplinary Committee shall:
 - (a) interview all qualified applicants for the post; or
 - (b) select a shortlist of such qualified applicants and interview those on the shortlist;

and (in either case)

- (c) having carried out such interviews, either appoint one of the candidates to the vacancy, or decide not to appoint any of the candidates, but instead to take such further action in relation to the filling of the post as the committee may determine. Full Council must approve in advance any offer of appointment to Chief Executive Officer.

- 3.3 The Chief Officers Appointment and Disciplinary Committee is to consider from time to time the terms and conditions of Chief Officers and make necessary changes to them in accordance with paragraph 4 of its terms of reference.

4.0 Proposed Outline of the Recruitment Process

- 4.1 It is proposed that the campaign be launched in June 2022, with a nationwide recruitment campaign, widely advertised to attract an appropriate field. The Committee can then shortlist in early July followed by assessment and interview in late July. An outline of the proposed recruitment process for consideration is at Appendix 1.
- 4.2 Full council approval is needed to appoint, and will be sought prior to formal offer being made, subject to the right of the Leader and the Executive to object to the proposed appointment (Staff Employment Procedure Rule 5).

5.0 Proposed Job Description

- 5.1 The Job Description is detailed at Appendix 2 for consideration and approval and has been drafted in consultation with the Leader and Assistant Chief Executive (Business Support).

6.0 Chief Executive Remuneration

- 6.1 The constitution states; *“The determination of the remuneration and other terms and conditions which shall apply to a Chief Officer post on appointment, must comply with the Pay Policy Statement, provided that if it is proposed to make an appointment on terms and conditions which do not comply, the matter shall be referred to full Council for consideration as to whether the Pay Policy Statement should be amended prior to a final offer being made to any candidate. Any amendments proposed to Chief Officer remuneration and other terms and conditions, which would comprise an amendment to the Pay Policy Statement, shall be considered by the Chief Officers Appointments and Disciplinary Committee, and recommended by them to full Council for approval.”* .
- 6.2 As this is a new position for the new Council, the salary needs to be considered and determined by this Committee and then recommended to full Council for approval.

- 6.3 The County Councils Chief Officer Appointment And Disciplinary Committee in 2007, with the implementation of equal pay and the introduction of a new grading structure, determined that pay bands for senior posts covered by its remit should be in the market median up to top quartile. The committee considered this appropriate due to the following factors:
- The Council is one of the largest local authorities in the region and hence the span of management jobs in terms of breadth, size and complexity will reflect this.
 - The need to be able to recruit both managers with potential starting at bottom of pay band (median rate) and proven senior managers who already work at that level and who would need to be offered a competitive salary to attract them (at top quartile).
 - The future recruitment needs at senior management levels as a result of the age profile of management teams.
 - The council's overall performance, its standing with national and regional bodies, and its ability to respond to changes and new priorities.
- 6.4 The Committee may consider this methodology and approach, which has been used for NYCC since 2007, as relevant to the new council and appropriate for continued use for this post.
- 6.5 The new Council will have a workforce of over 10,000, a revenue spend of £1.4 billion and an ongoing capital programme of £350 million, and owns wholly or jointly a number of companies all with separate workforce and budget.
- 6.6 In order to attract an appropriately qualified and experienced field, salaries of comparable Chief Executive roles have been considered and are detailed in Appendix 3. The authorities used for the pay modelling in Appendix 3 are those, which have gone through LGR since 2009, are similar authorities in size or geography or are relevant neighbouring authorities. The sample pay data shows the pay for unitary councils of a similar size to North Yorkshire are in the above median quartile, which is a salary range of £188k - £216k pa.
- 6.7 In order to balance the need to attract a suitably experienced and qualified field, enable flexibility of starting salary relative to the experience of appointee at appointment, and salary progression based on performance, a salary range from £180k to £197k, with 4 incremental progression points, (£180k to £185,670 to £191,340 to £197,010) is proposed. This makes the salary range competitive with similar sized authorities locally and nationally. Incremental progression is performance related, and will be determined by the Leader, after having sought views from others as appropriate.
- 6.8 Appendix 3 also shows the information of current pay rates, bonus etc. currently applicable to the North Yorkshire Councils Chief Executives.

The savings on CEX salaries across the county area is circa £1m (including on costs).

6.9 All other terms and conditions for the new CEX post are as standard and applied to all Council employees.

6.10 Returning Officer fees are set nationally in The Parliamentary Elections (Returning Officers' Charges) Order 2019 - <https://www.legislation.gov.uk/ukxi/2019/1454/made> and funded separately, therefore, these fees are paid in addition and separate to annual salary.

7.0 Financial implications

7.1 The financial implications are set out in the body of this report.

8.0 Legal implications

8.1 The legal implications are set out in the body of this report.

9.0 Climate change Implications

9.1 There are no significant climate change implications arising from this report.

10.0 Equalities implications

10.1 It is recommended to carry out a transparent and open recruitment process which will comply with the Council's equality processes.

11.0 Recommendations

That the Committee:

11.1 Considers the remuneration for the position of Chief Executive Officer of the new unitary authority to be referred to full Council for approval.

11.2 Considers the job description for the position of Chief Executive Officer.

11.3 Considers the recruitment process to appoint the new Chief Executive Officer.

APPENDIX 1 - Outline of the proposed Recruitment Process

The proposed process and approach is typical industry standard and good practice for the appointment of Chief Executive Officers.

1.0 Overview

Campaign launched June 2022, with a nationwide recruitment campaign, widely advertised to attract an appropriate field.

The Committee to consider applications received to determine the candidates shortlisted to progress to the assessment and interview stage in early July.

The recruitment assessment process to be take place over 2 days in late July.

Day 1; a welcome and information session covering some of the key issues for NYC outlined by Senior Managers, panel meetings with key stakeholders to include: partners, key members and individual sessions with the Council Leader.

Day 2; Feedback from Day 1 sessions provided to the Committee. Committee interview candidates to determine a preferred candidate.

Approval of the appointment by full Council prior to formal offer being made, subject to the right of the Leader and Executive's right to object (Staff Employment Procedure Rule 5).

2.0 Proposed Attraction

To support the recruitment process and ensure access to a good range of high quality candidates it is proposed the campaign is advertised in the MJ (Local Government Publication), across job boards and social media channels in addition targeted executive search, for a minimum of two weeks but covering three weekends. This is considered sufficient to attract candidates as the local government review has been in the national spotlight for some time, with the decision for North Yorkshire agreed and published last July, and hence interested parties and sector leaders will be anticipating the advertisement of the role.

National advertising will ensure the role is marketed across the sector to generate interest. In order to ensure a good level of interest and sufficient suitable candidates, Executive Search could be used. This involves identifying existing leaders in roles that would bring the experience required for the role with executive search agents ensuring these leaders are aware of the opportunity directly. Given the scale and magnitude of this role, it is relatively easy to identify these target leaders in public sector.

The options for Executive Search are:

Option A: Do not engage Executive Search.

Given the national profile of North Yorkshire and the reach via advertising channels, the Committee may not wish to engage Executive Search.

Option B: Internal Executive Search Service;

The Council's internal Executive Search Service has extensive experience of appointing Chief Officers to local government and wider public sector such as Police and Fire Services on a national basis (for instance recently Cornwall Council, Gloucestershire Council, Doncaster BC, City of York Council, North Yorkshire and Nottingham Police & Fire Services). The service is included on national procurement frameworks, with team members having worked in the executive search industry prior to joining the Council. The service has already begun market research to identify senior leaders across the sector in readiness to launch the campaign.

Option C: Procure an external search agent:

Via a compliant procurement exercise, engage an alternative external executive search agent. The cost of an executive search agent is typically £30k and this will add approx. 6 to 8 weeks into the timetable (2-3 weeks procurement assuming call off a procurement framework, plus time for the agents to be briefed and commence their market research ahead of campaign launch).

The Assistant Chief Executive (Business Support) and Executive Search Officers (if utilised) will meet with the Leader to discuss key issues, from which the campaign will be drafted and details of this and a link to the campaign site will be provided to this committee prior to publishing.

3.0 Proposed Assessment
