---

#### **35 Election of a Chair**

Sarah Holbird, Democratic Services Officer for North Yorkshire Council welcomed everyone to the meeting and stated that as this was the first meeting of the Committee following the Annual Meeting of 2023, the first item of business would be the election of a Chair.

Councillor Yvonne Peacock was nominated and seconded for the position of Chair. There were no further nominations, so following a show of hands Councillor Yvonne Peacock was elected as Chair of the Committee.

#### **Resolved –**

That Councillor Yvonne Peacock be appointed Chair, to serve until the first meeting of the Committee following the Annual Meeting in May 2024.

#### **36 Minutes of the Meeting held on 22 March 2023**

#### **Resolved –**

That the Minutes of the meeting held on 22 March 2023, be taken as read and confirmed and signed by the Chair as a correct record.

#### **37 Election of Vice-Chair**

The Chair invited nominations for the Vice-Chair of the Committee, to serve until the first meeting of the Committee following the Annual Meeting of the Council in 2024.

Councillor Caroline Dickinson was nominated and seconded for the position of Vice-Chair. There were no further nominations, so following a show of hands Councillor Caroline Dickinson was elected as Vice-Chair of the Committee.

**Resolved –**

That Councillor Caroline Dickinson be appointed as Vice-Chair, to serve until the first meeting of the Committee following the Annual Meeting of the Council in 2024.

**38 Apologies for Absence**

Councillor Tom Jones' apologies were noted.

**39 Declarations of Interest**

Councillor Yvonne Peacock declared a non-pecuniary interest in relation to Item 9 – Yorbus Pilot Project Update (Minute 43 refers) as a director of the Upper Dales Community Partnership which operates a community bus service.

**40 Public Participation**

There were no public questions or statements.

**41 Area Constituency Committees in the new North Yorkshire Council**

Considered – A report of the Assistant Chief Executive (Legal and Democratic Services) which provided a guide to the ways of working for the Area Constituency Committees. The Committee were advised that the committees' terms of reference and ways of working had been developed following consultation with the Area Constituency Committee chairs and senior officers.

Members attention was specifically drawn to the following areas:

- The introduction of Mid-Cycle Briefings with the chair, vice-chairs and group spokes to develop the work programme.
- The need for any local scrutiny to be co-ordinated with the relevant Overview & Scrutiny Committees to ensure no conflict or duplication.
- That the Committee has a range of options available to it to make recommendations on reports brought before it.
- £50,000 seed funding is available to each Area Constituency Committee to support local projects. The details of framework are being reviewed but recommendations on its allocation will be via the Corporate Director of Community Development. The process will need to be robust and open to scrutiny and challenge.
- The various sets of police and community safety data that was received by the former Districts is being reviewed to be standardised.

**Resolved –**

That the report be noted.

## **42 Update on Delivery of North Yorkshire Flood Risk Strategy (2022-2027)**

Considered –

A report of the Corporate Director of Environment which provided details of the on-going work associated with the delivery of the North Yorkshire Flood Risk Strategy (2022-2027).

Emily Mellalieu introduced the report and outlined the main points. The strategy incorporates the knowledge gained during the period of the first strategy which was a success, therefore the strategy review was only light touch with very similar objectives – prevention of risk; protection from risk; preparing for risk and recovery and review of risk.

Members were advised that the current priority area was not within the Richmond (Yorks) Constituency. In relation to the Dales Villages Project, property resilience has been identified as an option for most communities but there have been delays with the procurement process with progress expected next year.

A considerable amount of time is taken up undertaking the statutory consultee role with SuDS approval being incorporated within this role for all planning applications from 2024.

A debate followed with the below key points being discussed and questions raised:

- Over time bridges are structurally damaged by flooding with repairs being costly and any bridge closures having a major impact on local areas.
- Prevention is key and it's important that all agencies work together in a collaborative manner.
- Responsibility for reviewing flood zones in relation to the Planning process. It was confirmed that this lies with the Environment Agency, with North Yorkshire as the Lead Local Flood Authority being a statutory consultee for surface water flooding.
- Mitigation opportunities so water is released slowing into rivers to reduce the risk of flooding.  
The impact of the geography on flooding in certain areas and the loss of absorbent land.
- The success of the Kirbymoorside community event and what uptake there had been on the offers of support. Officers advised that the majority of the 150 eligible properties had signed up for support, with many open to using preventative products.
- The purpose of a Section 19 report following a flood event and the engagement with local communities in their preparation.
- The renewal of the flood defence scheme at Stokesley.

**Resolved –**

That the update be noted.

## **43 Yorbus Pilot Project Update**

Considered –

A report from Andy Clarke, Public and Community Transport Manager which provided an update on the YorBus pilot Digital Demand Responsive Bus Service which will end on 30 June 2023.

The service has been providing an on-demand bus service connecting Ripon, Masham, Bedale and surrounding villages. The pilot was extended for a year and a pre-booking system introduced 24 hours ahead, however this did not increase its use. The per person

costs are considerably higher for the project when compared with scheduled services as it is difficult to get people all going in the same direction. Similar schemes across the country are encountering similar issues.

All funding bids to try and maintain the service have been unsuccessful. A detailed communication plan has been implemented to make residents aware the pilot is ceasing.

There was general disappointment on the outcome of the pilot and the failure of the funding bids, in particular the unsuccessful application to the rural mobility fund.

In the debate that followed Members highlighted the Let's Talk Transport consultation that was taking place and that participation should be encouraged to fully identify issues and inform work going forward.

**Resolved –**

That the update be noted.

**44 Road Closures in Hawes**

The Chair, Councillor Yvonne Peacock advised of a specific issue encountered in Hawes during a recent road closure undertaken on behalf of Yorkshire Water. The timings of temporary traffic lights were not adequate for the layout of the road, with a number of vehicles ending up bonnet to bonnet. Lorries, tankers, motorhomes and cars had to reverse along narrow twisting roads posing considerable danger. Several vehicles mounted very narrow pavements to be able to pass each other. The Committee were shown sections of CCTV provided by a local shop which showed examples of the issues.

During debate it became apparent that there were a number of issues across the County connected to service providers and their subcontractors while undertaking works on the highways and this formed part of a wider issue.

**Resolved –**

- (a) That Yorkshire Water and their subcontract by requested to attend a Special Meeting of the Committee.
- (b) That details of the statutory requirements imposed on utility companies when undertaking works on the highway be provided to the Committee.

**45 Appointments to Outside Bodies**

Considered – A report of the Assistant Chief Executive (Legal and Democratic Services) which invited the committee to appoint the Council's representatives on the outside bodies listed in the report. Daniel Harry, Democratic Services and Scrutiny Manager, informed Members that it was proposed to review all outside body appointments.

Members advised that the Safer Hambleton Steering Group for Community Safety and the Safer Richmondshire Community Safety Local Delivery Team no longer existed. It was also queried if Hambleton Community Action was still operating and Officers were asked to make enquiries.

**Resolved –**

- (a) That the following Members be appointed to serve until the Council elections in 2027 on the Category 2 outside bodies as listed below:

Hambleton Community Action	Councillor Caroline Dickinson
Hambleton Over 50's Forum	Councillor Caroline Dickinson
Hartlepool Power Station Local Community Liaison Council	Councillor Heather Moorhouse
Richmondshire Leisure Trust Board	Councillor Kevin Foster

- (c) That the following Member appointments made by the former District Councils be ratified and continue as a North Yorkshire Councillor appointment:

Maple Park Limited Liability Partnership	Councillor Steve Watson
Stokesley and District Community Care Association (Trustee)	Councillor Bridget Fortune

- (d) That a review of outside bodies take place within the next 12 months.

## **46 Work Programme**

Considered – A report presenting the committee’s 2023-24 work programme.

The Chairman introduced the Work Programme and invited Members to consider, amend and add to the Work Programme.

Members suggested the following items for the work programme:

- The different approaches to car parking across the Constituency area and the variations in the charges. The issue was raised due to the ongoing parking problems in Leyburn Town Centre.
- A presentation on the successful Catterick Levelling Up bid.
- Ambulance times.
- How the former districts work on the vibrancy of market towns is continuing, which includes transport and visitor economy.

### **Resolved –**

That the work programme be noted and the agreed additions included.

## **47 Any Other Items**

There were no other items of business.

The meeting concluded at 11.55 am.

## Connor Fox, Member of Youth Parliament for Central North Yorkshire

My name is Connor Fox and I am the member of youth parliament (MYP) for central NY including Selby, Richmondshire, Thirsk and Hambleton. One of my main points for the election was to push for the improvement of free school meals, as this was an issue raised to me by many young people and parents alike. During my time as MYP I have taken part in a roundtable with a baroness with regards to education. My section focused on free school meals, as well as contacting my MP Rishi Sunak and keeping him informed on my work.

At the start of 2023 I carried out a survey asking questions about free school meals which received 250 responses. I have compiled a report based on this survey where I outlined the main issues raised by responders and offered my opinions on possible improvements to be made. From this survey I created a petition for the improvement of free school meals, which has also been sent out to various schools.

However to answer the question of why this is an issue within North Yorkshire according to the department of education there are 12,767 children eligible for free school meals (as of Jan 2022), this is 15.4% of all state school pupils in the area. This is a prevalent issue now more than ever in this unprecedented cost of living crisis affecting our country and local area.

It is not just myself taking action on this issue, the UK Youth parliament had many policies submitted to be included in our national manifesto (My own policy to improve free school meals included). This eventually became our key focus as seen through the 2023 Spill the tea campaign and the aforementioned roundtables with key decision makers in the government.

In fact as we speak the UKYP is preparing to meet in parliament and discuss our key issues raised with regards to FSM. The annual conference saw many MYP's including myself speak on the matter, with my own speech being on the importance of free school meals vouchers in the holidays. While programmes do exist for families to attend, this is not good enough, the issue lies that many families do not want to attend sessions and expose their situation. Vouchers are an anonymous form of help and do help as shown through my attached survey report.

As well as the wider campaign I have worked on, youth councils also play a role in my work. For a time Bedale youth council was a running YC with members where we held sessions and even held a session for young carers day earlier this year. Though due to extenuating circumstances the membership dwindled and the YC disbanded. However it is still my goal to work on youth representation as I have done through working with the newly created Selby youth council.

I hope I have informed you well and look forward to attending your next meeting to offer my insight and experience in this key issue facing our local families and young people alike.
