14. Minutes of the Meeting held on 5th July 2023

Resolved -

The minutes of the meeting held on 5th July 2023 were confirmed and signed as an accurate record.

15. Declarations of Interest

Councillor Nick Brown declared a registered interest in relation to him being a member of the Grand Lodge of England, in relation to an issue to be considered later in the meeting.

16. Public Questions or Statements

There were no public questions or statements.

17. Appointment of further Independent Persons for North Yorkshire Council

Considered –

The report of the Monitoring Officer updating the Committee regarding the appointment of further Independent Persons for Standards for North Yorkshire Council.

The term of office of the two Independent Persons for the predecessor authority North Yorkshire County Council continued post Vesting Day as a continuing authority model of local government re-organisation. The Committee previously agreed that the Monitoring Officer should look to recruit further Independent Persons to assist North Yorkshire Council

in promoting and maintaining the high standards of conduct amongst its elected and co-opted members as well as members of the town and parish councils in the area for which North Yorkshire Council assumed responsibility from Vesting Day.

As a result of the Committee's decision a recruitment process was undertaken for additional Independent Persons, shortlisting of applicants was undertaken by the Monitoring Officer and the Chair of the Committee and interviews with the shortlisted applicants were undertaken by a panel of Members from the Committee.

The following were identified as the preferred Independent Persons, following that process:-

- Gillian Baker – Gillian was an independent person for standards for Ryedale District Council from 2007 to 2023.
- Roy Martin – Roy was an independent person for standards for Hambleton District Council from 2019 to 2023.
- James Nelson – James was an independent person for standards for Hambleton District Council's Standards Hearing Panel from 2019 to 2023.
- Richinda Taylor – Richinda was an independent person for standards for Scarborough Borough Council since 2013.

These Independent Persons were recommended to Full Council to join the existing Independent Persons, Louise Holroyd and Hilary Gilbertson, on the Standards and Governance Committee. Full Council approved the appointments in July 2023.

Resolved –

That the report be noted.

18. Dispensation Request - Councillor Stephanie Duckett

Considered –

A report of the Monitoring Officer concerning a dispensation request from Councillor Stephanie Duckett. This request was for the four years until the end of his term and would allow for her to speak and vote at meetings regarding council housing. A copy of Councillor Duckett's application was attached to the report. She believed the application would satisfy the appropriate criteria, namely that the granting of the dispensation would be in the interests of persons living in the authority's area.

Councillor Duckett was a tenant of predecessor council Selby District Council for 47 years and is now a tenant of North Yorkshire Council. She was seeking a dispensation from the Committee to enable her to participate in meetings involving council housing tenants' rights and rents. She informed the Monitoring Officer that she has previously received dispensations from her former authority in relation to this matter.

Members discussed the request, and the following issues were raised:

- It was clarified that Members were required to declare at meetings that they had been given a dispensation when an issue arose relating to that matter.
- Members welcomed the early submission of the dispensation request.
- Following discussions at an earlier meeting it was stated that it was appropriate for the dispensation to be granted for the full term of the Councillors period of office, as this avoided the possibility of Members forgetting to renew their dispensation and breaching the Code.

Resolved-

That the dispensation request for Councillor Stephanie Duckett be approved, as set out in the report.

Voting Record

Unanimous

19. Dispensation Request - Councillor Cliff Lunn

Considered –

A report of the Monitoring Officer concerning dispensation request from Councillor Cliff Lunn. Councillor Lunn emailed the Monitoring Officer on 29 August 2023 to request a dispensation from the Standards and Governance Committee, to enable him to speak and vote on a planning application

The circumstances of the request related to an application for proposed residential development on land at Leeds Road for 140 houses. Councillor Lunn lives within 250 yards of the proposed development. He informed the Monitoring Officer that he had attended meetings set up by the developer for the people of the village and was aware of the unpopular nature of the development but had not put in any objection nor made any negative comments about the development. He had given advice to his neighbours as to planning considerations and what was a valid objection. He did not feel he had done anything which would indicate pre-determination.

It was noted that dispensation request related only to this specific planning application and, if granted, would allow him to take part, fully, in the meeting and vote on the application.

Members discussed the request, and the following issues were raised:

- Members referred to his statement relating to him having an open mind on the application.
- It was considered that local Planning ACCs may lead to a large number of such dispensation requests as the Members on the Committee were local to that area and were likely to be involved with applications within their electoral division and near to their properties.
- It was felt important that Members had an opportunity to represent local residents on Planning issues, but it was unclear as to whether the Member should be fully involved if their own property was considered to be affected by the application, and that other local residents could put pressure on the Member to vote in a certain way, particularly if they the neighbours of the Councillor. In relation to this it was stated that a public perception test would need to be undertaken to determine whether there was predetermination or bias on the part of the Member. This was done on a case by case basis and it was for the Member to show that they had not shown or declared any prejudice in respect of the issue concerned.
- Members were unsure as to whether this specific request should warrant a dispensation as they considered it was for the Member to determine whether they had an interest or not. If predetermination was found, through the public perception test, then the Member would not be able to consider the application whether or not a dispensation was in place. In terms of declarable interests these were determined by public law and had different criteria to those relating to predetermination.
- Members noted that Councillor Lunn's property was not immediately adjacent to the application site and suggested it was for him to determine whether he considered he had a declarable interest or not when the item was discussed at the meeting. There

was also some concern regarding the number of applications for dispensations that may arise in respect of local Planning Committees, should this be granted.

Resolved –

That the application for a dispensation submitted by Councillor Cliff Lunn be refused.

Voting Record

Unanimous

20. Local Ethical Framework Developments

Considered –

The Report of the Monitoring Officer updating Members on the development of the national ethical framework under the Localism Act 2011. The following issues were highlighted:-

- LGA Local Leadership Framework for Councillors
- Online Safety Bill
- LGA: “Debate not Hate – Ending abuse in public life for Councillors”
- CSPL Annual Report 2022/23
- CSPL – Upholding standards in public life recommendation tracker
- LGA survey re Model Code of Conduct for Members

Links to the details on each item were provided in the report.

Resolved –

That the report be noted.

21. Declarations of Interest

Considered –

Report of the Monitoring Officer in response to a question raised by the Standards and Governance Committee as to whether membership of a masonic lodge would need to be registered under the Code of Conduct and declared at meetings.

Under the Council’s Code of Conduct, councillors are required to register membership of a Masonic Lodge if it is a body that has “charitable purposes.” Details pertaining to why that is necessary and included in the Code were outlined in the report. It was noted that simply being a Member of a Masonic Lodge was not a declarable interest unless the charitable concerns were the subject of a report to a Committee. Guidance from the Standards Board for England provided further details and were included within the report, alongside case-law on this matter.

It was noted that Freemasons were not precluded from taking part in discussions at a meeting to discuss a specific but should declare an interest if they are a member of that Lodge. The public test for predetermination would be undertaken to consider whether they had an open mind on a decision to be taken in such a case.

Resolved –

That the Committee notes the guidance relating to registration and declaration of interests.

22. Protocol re Unreasonably Persistent/Vexatious Complainants

Considered –

The report of the Monitoring Officer for Members to consider an updated Protocol for the Committee re Unreasonably Persistent/Vexatious Complainants.

An opportunity had been taken to update the Protocol following Vesting Day on 1 April 2023 and an updated Protocol was attached at Appendix 1 to the report for Members' comments.

Should Members be minded to agree the draft Protocol, then consequential amendments would be required to the standards complaints procedure. Draft consequential amendments were set out in Appendix 2 for Members' comments.

Members discussed the draft protocol and the following issues were highlighted:-

- If a local elected Member was the subject of unreasonably persistent/vexatious complaints, appropriate updates would be provided directly to the Member. The Committee emphasised that it was not just local Members involved and the protocol should be altered to refer to the affected Councillor.
- Clarification was provided as to how unreasonably persistent/vexatious complaints were determined, with this being based on the complaint, rather than the complainant. In a number of cases the same complaint is submitted into different parts of the authority with a scattergun approach. The protocol aims to prevent that from leading to a large amount of resources being devoted to the same issue. When a complaint is determined as being unreasonably persistent/vexatious then a single point of contact is given to the complainant who handles any issues arising from the complainant, subsequently. That position is reviewed every 6 months. Should the complainant disagree with the Council's position on this they are advised to refer the matter to the Ombudsman.

Resolved –

- (i) That, subject to changing the reference to affected Members from local Members, the updated Protocol re Unreasonably Persistent/Vexatious Standards Complainants at Appendix 1 be approved.
- (ii) That, following the amendment highlighted in (i) above, the draft consequential amendments to the standards complaint procedure at Appendix 2 be approved.

23. Complaints Update

Considered –

The report of the Monitoring Officer regarding complaint activity under the ethical framework that would be brought to scheduled meetings of the Standards and Governance Committee.

Since 1 April 2023, to the date of the report, the Council had received eighty-six complaints that members may have breached the relevant authority's code of conduct for members:

Nine of those complaints were complaints about Members of North Yorkshire Council, five of which were connected complaints against the same Councillor raised by connected complainants.

Seventy-seven complaints related to complaints about members of parish and town councils in the North Yorkshire area. Of those four were connected complaints against parish councillors raised by connected complainants and forty-seven were connected complaints, brought by the same complainant.

Twenty-five of the eighty-six cases had been assessed by the Monitoring Officer in consultation with the Independent Person for Standards resulting in:-

Twelve cases not meriting any further action;

One case been resolved informally;

Twelve cases to be investigated -eleven of those cases were connected with only one allegation within the complaints is to be investigated

The remainder of the complaints were in preparatory stages or awaiting assessment by the Monitoring Officer in consultation with the Independent Person for Standards and a further update would be given to the Committee by the Monitoring Officer subsequently.

A more detailed breakdown of the complaints was attached as an appendix to the report.

Members discussed the update and the following issues were highlighted:-

- A Member suggested that it was difficult to comment on the complaints as there was little detail provided. In response it was stated that the subject matter could not be provided in a public forum, however, Members would be provided with full details outside of the meeting.
- It was stated that the new Code of Conduct was a large document that could create difficulties for some Parish Councils in terms of their meeting its requirements in full and it was suggested that working alongside them, to fully understand what was required may be beneficial in terms of reducing the number of complaints. It was stated that officers had met with the YLCA to discuss the development of training on the Code of Conduct, as many of the issues for local Councils are monitored by them, and it was suggested that a number of workshops would be developed with them, providing helpful examples. An executive summary would also be developed to assist with understanding the Code. A Member suggested that it would be useful for executive summaries to be produced for each section, eg Planning.
- It was suggested that for Members to be able to determine developing trends in complaints it may be appropriate for the documents to be provided as confidential items, eliminating them from the public view. A Member agreed with this as it was important that the Committee were able to have full details to provide assistance with complaints.
- It was emphasised that documents such as the Code of Conduct should be produced in an understandable format, avoiding abbreviations and jargon, to assist other bodies that were expected to abide by them, thereby promoting the sentiments of the Parish Charter. It was suggested that Parish and Town Councils required resources to assist them with their understanding of the process involved.

Resolved –

That the Committee notes the current position on complaints received.

24. Registration of Officers' Interests

Considered –

The report of the Monitoring Officer updating Members on the review of the process for the registration of officers' interests.

Members had previously requested an update be brought to the Committee regarding the process for the registration of officers' interests in respect of the process for this.

Following the Vesting Day of North Yorkshire Council, as a continuing authority form of local government reorganisation, the current paper-based process continued but was under

review, with an electronic system being considered. The initial focus was on budget managers (600) in phase 1, with the aim, in the longer term, to extend to all staff in phase 2.

Details of the proposed system were outlined in the report.

The officers scheme differed from that of the Members scheme, despite having similar categories, in that there was no requirement for the officers interests to be published on a publicly accessible platform.

Resolved -

That the Committee notes the contents of the report.

25. Requests for Community Governance Reviews

Considered –

The report of the Assistant Chief Executive (Legal and Democratic Services) seeking the Committee's approval to adopt a protocol setting out how the council will respond to requests for Community Governance Reviews (CGRs).

The report detailed the legislation in relation to CGRs, the opportunity for North Yorkshire Council to review and make changes to community governance within those areas, the process involved in undertaking a CGR and how the Council's constitution devolved the function to this Committee of making recommendations to Council in relation to CGRs.

A draft protocol setting out how the council would respond to requests for CGRs was appended to the report detailing what CGRs could be used for, how they could be initiated and outlined the process for carrying out a review. The protocol covered the period up to the scheduled May 2027 elections and set out the current context in which requests for CGRs would be considered.

Issues relating to the Local Government Boundary Commission for England's (LGBCE) and its impact on reviews were outlined in the protocol as was how the requirement for an urgent review was determined.

Members discussed the report and the following issues were highlighted:-

- It was asked whether the timetable for a total review could be met given that the LGBCE would need to be in place before this could be undertaken. In response it was stated that it was expected that the review could be implemented in the time between the LGBCE and the Council election in 2027.
- It was clarified that the need for GCRs was relatively infrequent.
- A Member suggested that local Members should be informed of GCRs taking place for Parish Councils in their respective Electoral Division. It was stated that this would be added into the protocol.

Resolved –

- (i) That the Standards and Governance Committee adopt the Community Governance Reviews – protocol for consideration of requests, attached as an appendix to the report.
- (ii) That authority be delegated to the Assistant Chief Executive (Legal and Democratic Services), in consultation with the Executive Member for Corporate Services, to determine if requests for Community Governance Reviews should be treated as urgent and brought forward to the Standards and Governance Committee to recommend approval of terms of reference to the Council.

26. Broadcasting and recording of public committee meetings

Considered –

The report of the Monitoring Officer advising Members on the broadcasting and recording of public committee meetings.

Currently North Yorkshire Council broadcasts and records meetings of Full Council, the Executive, the Police Fire and Crime Panel, Planning Committees and some Area Constituency Committee meetings. In addition, a number of meetings are recorded/broadcast where there is significant public interest.

A report would shortly be taken to Management Board and then Cabinet regarding the provision of the necessary technology at key sites in the county to enable some or all of the Council's public committee meetings to be recorded, broadcast and have hybrid access. The report would propose a range of costed options from carrying on as now to recording/broadcasting all public committee meetings of the Council.

Further details would be provided to the Committee as this progressed.

Resolved –

That the Committee notes the contents of the report.

27. Standards Bulletin

Considered -

The report of the Monitoring Officer presenting for the Committee's consideration, a draft of the latest Standards Bulletin, a copy of which was appended to the report.

It was asked to whom the Bulletin was circulated. In response it was stated that it was sent to all Councillors, some officers and some Parish Councils. It was suggested that all Parish Councils would benefit from receipt of the Bulletin as it would assist with their engagement with the Standards process.

Resolved –

That the Bulletin be approved for circulation and that Parish Councils be included in the circulation.

28. Other Urgent Business

Request for CGR – Dishforth Parish Council

It was stated that the Clerk of Dishforth Parish Council had asked that their request for a Community Governance Review be dealt with by the Committee were dealt with as a matter of urgency.

The circumstances relating to the request were outlined and information provided as to what could be undertaken by the Parish Council in view of the details provided.

Members were requested to determine whether this matter should be dealt with by the Committee as an urgent item at this meeting.

A Member noted that the Parish Council was in his Electoral District and was in danger of becoming inquorate. It was stated that although this was the case, the current quorate Parish Council could co-opt to prevent this from happening.

Members agreed that the matter should not be taken as an urgent item at this meeting and should be referred to the Assistant Director (Legal and Democratic Services) in conjunction with the relevant Executive Member to follow this issue up and decide how it should be dealt with.

There being no further business, the meeting ended at 4:05pm.

North Yorkshire Polling District and Polling Place Review Final Proposals

1.0 PURPOSE OF REPORT

- 1.1 The Committee are asked to approve the final recommendations for polling districts and polling places within the North Yorkshire Council area.

2.0 BACKGROUND

- 2.1 Local authorities are required to review their polling districts and polling places for UK parliamentary constituencies at least once every five years. Under the Electoral Registration and Administration Act 2013, the compulsory review periods are now:
- a) The period of 16 months beginning with 1 October 2013, and
 - b) The period of 16 months beginning with 1 October of every fifth year after that.
- 2.2 The current compulsory review period commenced on 1 October 2023, and this is the first time that a polling district review has been conducted as North Yorkshire Council (NYC).
- 2.3 A polling district is a geographical area created by the sub-division of a parliamentary constituency for the purposes of a UK Parliamentary election. Currently NYC has 888 polling districts, with around 560 stations.
- 2.4 A polling place is the building or area in which the (Acting) Returning Officer (A)RO will allocate a polling station. The polling place should be designated so that the polling station is within easy reach of all electors from across the polling district.
- 2.5 As required under 18C(1) of the Representation of the People Act 1983 the Council gave notice of the review of polling districts and polling places, and the timetable set out as follows:

ACTION	DATE
Commence Review	Monday 16 October 2023
Consultation deadline	November 13 November 2023
Decision at Standards and Governance Committee	Wednesday 13 December 2023
Publish Notice of Changes	Monday 18 December 2023
PUBLISH REVISED ELECTORAL REGISTER	Thursday 1 February 2024

- 2.6 In addition to the 5 yearly statutory review, local authorities can undertake interim reviews at any time to make changes to the polling district/place schedule if required due to buildings becoming unavailable or other reasons. The Returning Officer may also make changes to polling stations at short notice if required for the delivery of a poll.

3.0 APPROACH TAKEN AND RATIONALE FOR RECOMMENDATIONS

3.1 There are a number of legislative requirements for polling district and polling place reviews. These are:

- each parish must be a separate polling district, unless special circumstances apply;
- the council must designate a polling place for each polling district, unless the size or other circumstances of a polling district are such that the situation of the polling stations does not materially affect the convenience of the electors;
- the polling place must be an area in the district, unless special circumstances make it desirable to designate an area wholly or partly outside the district;
- the polling place must be small enough to indicate to electors in different parts of the district how they will be able to reach the polling station;
- Local authorities must also comply with accessibility requirements which are that so far as is reasonable and practicable every polling place should be accessible to electors who are disabled.

3.2 Within the next two years, a Local Government Boundary Review will be undertaken, and as a result, a further polling district and polling places review will be required to account for any new electoral boundaries established following the completion of the boundary review. With this in mind, changes have only been recommended where:

- the existing polling place was no longer available
- where the existing polling place is no longer suitable for continued use as a polling station, or,
- in the case of polling districts, merges have been recommended where both polling districts are in the same electoral area and are already using the same polling station, and where the ratio of electors to stations as recommendation by the Electoral Commission can be met (2,500 electors max to a station, though polling places can be split into multiple polling stations if space allows).

3.3 Initial recommendations were published at the start of the review, shared and representations sought as part of the required consultation process.

3.4 The full list of polling districts and the final recommendation for each one is shown in Appendix C, and the list of recommended changes to current arrangements is shown in Appendix D.

4.0 CONSULTATION UNDERTAKEN AND RESPONSES

4.1 In carrying out consultation the Council has followed the Electoral Commission guidance on how the review should be conducted. Appendix A sets out the list of consultees from whom representations were sought during the consultation period.

4.2 The Council consulted the (A)RO of the six current parliamentary constituencies within North Yorkshire, who made representations on existing and proposed arrangements. The Council published the (A)RO's proposals and invited comments. It is important to note that the proposed recommendations have been made to factor in the changes to Parliamentary constituency boundaries that come into force at the next General Election.

4.3 In addition to the usual groups interested in electoral arrangements the Council particularly wanted to include and obtain comments and views of disability groups within the NYC area, which was achieved through engaging with NYCs Consultation Team.

4.4 The notice of review was published on 16th October along with a copy of the initial recommendations on the Council's website [Previous consultations | North Yorkshire Council](#) to allow anyone to make representation, following a media release to publicise it.

Initial recommendations formed a consultation document, generated by Constituency, and then further divided by NYC Division, listing each polling district and its designated polling place.

- 4.5 Paper copies of the documents were placed in council offices around North Yorkshire. NYC social media feeds were also used to promote the consultation at the start of, during, and towards the end of the consultation.
- 4.6 During the consultation period, 135 responses were received. Of those, approximately 50% were in favour / supportive of changes, and 50% against.
- 4.7 A summary of all responses received can be seen in Appendix B. The (A)RO has also made comments against all representations.
- 4.8 Of those that were against the proposals, 23 were specifically opposing the recommendation to move the polling place in Low Row in the Richmond (Yorks) constituency to nearby Gunnerside. Many of the representations received referred to recent and ongoing improvements to the accessibility of the building. As a result, the final recommendation for this polling district is to retain the polling place at Low Row Institute.
- 4.9 A further 20 representations were specifically opposed to the recommendation to move the polling place in Dallowgill in the Skipton and Ripon constituency to Kirkby Malzeard. As a result of these representations, the Electoral Services team made a visit to the Methodist School Room in Dallowgill and assessed its suitability for continued use as a polling place. The conclusion was that it is not suitable to be used as a polling station due to the poor access for voters with disabilities and due to the condition of the building and the facilities. The final recommendation is unchanged from the initial recommendation to move the polling place for Dallowgill to Kirkby Malzeard Mechanics Institute.
- 4.10 As a consequence of representations received during the consultation period, site visits were carried out by members of the Electoral Services team where necessary, and changes were made to the initial recommendations as a result of the consultation process in five instances shown in the table below.

Constituency	Division	Polling District at 1 Dec 2022	Polling Place	(Acting) Returning Officer Initial Recommendation	(Acting) Returning Officer Final Recommendation
Harrogate and Knaresborough	High Harrogate & Kingsley	HRJAH1H	Starbeck Methodist Church	Merge with HRJAH2H. No change to polling station	Do not merge polling districts. Create new polling district boundary. Polling station to change to Christ Church Parish Centre

5.0 ALTERNATIVE OPTIONS CONSIDERED

- 5.1 *Amend the final recommendations:* Any amendments to the final recommendations may require a further consultation on the amended recommendations. An additional period of consultation would lead to a delay in the implementation date for polling districts and effect the publication of the revised register of electors planned for 01 February, 2024 and potentially impact the preparations for the elections expected in 2024.
- 5.2 *Not to approve the final recommendations:* To not approve the recommendations would leave NYC in breach of its duty to review polling district and polling places.
- 5.3 Where alternative proposals were received as a result of the consultation process, each proposal was considered. Where necessary, visits to alternative venues have been made and a response to each representation proposal received is detailed in Appendix B along with any revisions that have been made to the initial proposals as a result.

6.0 FINANCIAL IMPLICATIONS

- 6.1 The recommendations in the polling district review are broadly cost neutral as the overall number of polling places used is almost the same as the pre-existing arrangements.

7.0 LEGAL IMPLICATIONS

- 7.1 The Electoral Registration and Administration Act 2013 requires the Council to undertake this review between the period of 1 October 2023 and January 2025.

8.0 EQUALITIES IMPLICATIONS

8.1 An Equalities Impact Assessment Screening Form has been completed and can be found at appendix E

9.0 CLIMATE CHANGE IMPLICATIONS

9.1 None. An initial climate change impact assessment form is attached at Appendix F.

10.0 RISK MANAGEMENT IMPLICATIONS

10.1 Breach of Electoral Registration and Administration Act 2013 by not conducting and completing this review within the given timescales.

10.2 Pressures of scheduled and unscheduled elections expected in 2024 would not easily allow this review to be undertaken any later, particularly given the uncertain nature the timing of the next UK Parliamentary General Election which must be held before by January 2025.

11.0 REASONS FOR RECOMMENDATIONS

11.1 To ensure compliance with Electoral Registration and Administration Act 2013

11.2 To ensure polling districts and polling places are fit for purpose, having been reviewed by North Yorkshire Council after its formation, on 01 April 2024, and in consultation with the (A)RO.

13.0 RECOMMENDATION(S)

i) to approve the final recommendations for polling districts and designated polling places as shown in Appendix C.

APPENDIX A – List of Consultees

The Council's Campaigns Team produced a partner pack giving details of the polling district review and inviting comments from interested parties. The partner pack was shared with the following organisations and the accompanying information encouraged recipients to share with their users and partner organisations:

Community First Yorkshire

Humber & North Yorkshire Integrated Care Board

GP Federation and Heartbeat Alliance

Sight Support Ryedale

Selby Talking Newspaper

North Yorkshire Council Engagement Team

North Yorkshire Local Enterprise Partnership

Department of Work and Pensions, North Yorkshire contacts

Inclusion North

All Parish Councils

In addition, North Yorkshire councillors and MPs representing the 6 North Yorkshire constituencies were contacted about the review and how to respond to the consultation.

No	Division	Polling Districts affected	Commentator	Summary of comment	Assessment of comments	(Acting) Returning Officer's final recommendation
1	Bilton & Nidd Gorge	HRBAHH	Member of public	Dene Park Community Centre is not convenient for voters on my side of polling district	The Community Centre is well located within the polling district and remains suitable for polling	No change
2	Boroughbridge & Claro	HRWJH1H/ HRWJH2H	Oliver Quarmby, Arkendale, Coneythorpe & Clareton Parish Council	The Community Hall in Arkendale works very well, is accessible and well located near the bus stop	Thank you	No change

3	Boroughbridge & Claro	HRWGHH	John Goss, Boroughbridge Town Council	The Methodist Church in Boroughbridge is ideal it have a ramp up to the building and a new ramp access into the building . Its in an ideal location in the town. Parking is a bit difficult	Thank you	No change
4	Coppice Valley & Duchy	HRDAH2H	Member of public	The resident lives closer to the polling station at St Joseph's Church than Harrogate Civic Centre and would like to change where they vote	St Joseph's Church is closer to resident's address, but to move it there would mean moving other voters in the same polling district to a location further away from their current polling station.	No change
5	High Harrogate & Kingsley	HRJAH1H/ HRJAH2H	Cllr Chris Aldred, High Harrogate & Kingsley Division	Starbeck Methodist Church is outside the polling districts and is inconvenient for voters. Suggest moving voters in certain streets to Christ Church polling station and moving polling station for remainder to the Common Room at the Station View Sheltered Housing Scheme	The polling districts boundary can be amended as suggested and the polling station for voters in HRJAH1H can be moved to Christ Church. Electoral Services staff have enquired about booking the common room as an alternative to Starbeck, but have been told it is not possible.	Voters in HRJAH1H to vote at Christ Church. Voters in HRJAH2H to vote at Starbeck Methodist Church.

6	Killinghall, Hampsthwaite & Saltergate	All	Member of public	No issues with accessibility	Thank you	No change
7	Valley Gardens & Central Harrogate	HRSAH2	Member of public	Current polling station is too far away to walk to	The current polling station is well established, is within the polling district and remains a suitable premises	No change

No	Division	Polling Districts affected	Commentator	Summary of comment(s)	Assessment of comments	(Acting) Returning Officer's final recommendation
1	Aiskew & Leeming Bar	HBBE02R	Michael Chaloner & Ian Barr, Aiskew & Leeming Barr Parish Council	You are again planning to have no Polling Station in Leeming Bar which results in people traveling significant distances out of their ward from parts of Leeming Bar to Leeming Village Hall to cast their vote. The Reubens Hotel is a suitable venue	Electoral Services officers visited the Reubens Hotel, agree it is suitable and can be booked for use as a polling station	Change polling station to Reubens Hotel, Leeming Bar
2	Aiskew & Leeming Bar	HBBE09R	Member of public	No problem.	Thank you	No change
3	Bedale	HBTA01R	Jonathan Jessop, Carthorpe Parish Council	Our facilities at the Community Hall are currently accessible and suitable for voting.	Thank you	No change
4	Bedale	HBTA19R	Member of public	I am currently a postal voter; however, were this to change, arrangements in Well are satisfactory.	Thank you	No change
5	Catterick Village & Brompton-on-Swale	RICA04R	Diane Kirkham, Catterick Parish Council	The Parish Council think the Booth Memorial Hall is still suitable as the polling station.	Thank you	No change

6	Hipswell & Colburn	RIHI04R	Helen Grant, St Martins Parish Council	There doesn't appear to be any changes for St Martins which I am pleased to see. Parking at The Station can be difficult sometimes and disabled access to the room which is through heavy doors could be difficult for some.	Thank you. Comments about the doors are noted and will be included in election plans	No change
7	Hutton Rudby & Osmotherley	HBOS01R	William Thomas Scott, Carlton Parish Council	I can see no change from existing arrangements to this and neighbouring localities. I am therefore supportive of review with no further comment.	Thank you	No change
8	Morton-on-Swale & Appleton Wiske	HBMO02R	6 members of public	Kirkby Fleetham is a more convenient venue for voters in Great Langton than Danby Wiske	Agree with comments	Change polling station to Kirkby Fleetham Village Hall
9	North Richmondshire	RIME07R	Member of public	Melsonby St James the Great does not have disabled access	The polling station at Melsonby entrance has a lip, the venue has a ramp that will be available to be used.	No change
10	North Richmondshire	RICR05R	Member of public	Village is a good polling station	Thank you	No change

11	Northallerton North & Brompton/ Northallerton South	HBNN02R/ HBNS01R/ HBNS02R	Member of public	Objection to using The Forum as a polling station due to some of the performers it has hosted in the past	The venue is a well used community venue and is suitable for continued use as a polling stations.	No change
12	Northallerton North & Brompton/	HBNN01R/ HBNN02R	Member of public	Now with a new bigger village of Brompton and outer Northallerton on Darlington Road maybe a third venue for the town between Brompton and Northallerton and Romanby and Northallerton North Estate and re sort the polling stations for all.	We agree that new housing developments in the area will require a new polling station, but believe this is better introduced following the scheduled full boundary review	No change
13	Romanby	HBRY01R	Member of public	Remain perfectly suitable	Thank you	No change
14	Stokesley	HBST03R	Michael Canavan, Stokesley Town Council	Accept the No Change proposal.	Thank you	No change
15	Stokesley	HBST02R	Mary Frew, Kirkby Parish Council	The polling station and arrangements remain the same. They are accessible and suitable, no further comments.	Thank you	No change

16	Upper Dales	RILS01R	2 members of public	I am very pleased you are retaining St Mary's Church as I am severely disabled and would have great difficulty accessing Reeth whereas Arkengarthdale Church have improved disabled access	Thank you	No change
17	Upper Dales	RIHA04R	23 respondents including Cllr Yvonne Peacock, Upper Dales Division and Melbecks Parish Council	Low Row village has an older population and they do not have transport and have limited public transport. Closing Low Row will make it more difficult to vote. The village hall has started to update the hall and one of the aims is better access when they can afford.	The comments about accessibility to the hall and future plans are noted.	Retain polling station at Low Row.
18	Upper Dales	RILS05R	3 members of public	Supportive of continued use of current polling station	Thank you	No change

Consultation Responses & Representations Received to Initial Proposals

CONSTITUENCY: Scarborough and Whitby

No	Division	Polling Districts affected	Commentator	Summary of comment(s)	Assessment of comments	(Acting) Returning Officer's final recommendation
1	Danby & Mulgrave	SCDISW/ SCDJSW	Lythe Parish Council	There are no proposed changes to the Lythe Parish area, thus no comments from Lythe Parish Council.	Thank you	No change
2	Esk Valley & Coast	SCGFSW	Member of public	Sneaton village hall is a good polling station for the community of the parish	Thank you	No change
3	Whitby Streonshalh	SCFASW	Member of public	The current polling station (Whitby Missions and Seafarers' centre) is not even within the polling district and requires a trek down into town and back up again. A better solution would be to use St Hilda's business centre on The Ropery YO22 4ET. Or further up the hill the Green Lane centre YO22 4EH.	Electoral Services have enquired in the past about using a space at St Hilda's Business Centre, but no suitable space is available. The community centre on Green Lane has been used as a polling station previously, but complaints were received from voters about its location at the top of a steep hill, and for that reason the location ceased to be used as a polling station.	No change

4	Whitby Streonshalh	SCRASW	Cllr Neil Swannick, Whitby Streonshalh Division	Church House and United Reformed Church are the same building as far as I know, so no problem there as long as the new polling station is accessible.	They are separate building, but next door to each other. New station is accessible.	No change
5	Whitby Streonshalh	SCFCSW	Cllr Neil Swannick, Whitby Streonshalh Division	The problem with this location is that since the polling station was moved a few years ago, the street lighting has failed and cannot currently be restored by NYC due to the street not being an adopted highway. This would potentially cause problems if there was a winter election as the street is in total darkness at night.	The premises at the former St Hilda's Primary School are much more convenient for voters than Whitby Library. Before the next scheduled polls, the status of the street lighting will be reassessed and if necessary, temporary measures put in place on polling day to improve the external lighting in the vicinity of the polling station.	No change
6	Various	Various	J.G. Harston, Whitby Town Council	Submission focussed on the naming of polling districts in the Scarborough & Whitby constituency	Suggested name changes have been agreed as per proposal for polling districts that do not form part of warded parishes only. We disagree with the proposal to retain two polling districts in Scalby as the numbers of polling station voters will not exceed Electoral	No change to polling district boundaries, polling districts to be renamed as per the submission for polling districts not part of warded parishes with the

1	Camblesforth & Carleton	SECDXSA/ SECLDSA/ SECNLSA	Dave Perry, Drax, Long Drax and Newland Parish Council	I agree that no changes are necessary	Thank you	No change
2	Cliffe & North Duffield	SEDHESA	Member of public	The Polling Station for Hemingbrough near Selby takes place in the village institute however this institute is used 5 days a week as a Preschool for children between the ages of 2-4 years and must close on election days. Can alternative venue be used?	This is a well-known community building and remains suitable for use as a polling station.	No change
3	Monk Fryston & South Milford	All	Member of public	Relieved to see no change proposed. Agree that no change is necessary.	Thank you	No change
4	Osgoldcross	SEWLSSA	Gillian Ivey, Little Smeaton Parish Council	Yes, the allocated venue for polling station for both Smeaton Villages is acceptable.	Thank you	No change

5	Selby West	SESLSSA	Member of public	The former district council offices are perfect for voting. There's parking and a bus service into the hospital grounds	Thank you	No change
6	Spofforth with Lower Wharfedale and Tockwith	HRYMA2SA	Member of public	Voting for local councillor wasn't possible at Kirkby Overblow, had to drive 15mins to Sicklinghall. Village has a high proportion of elderly residents and this was difficult for some.	No suitable alternative is available in the polling district	No change
7	Thorpe Willoughby & Hambleton	SEHAGSA	Member of public	There is no public transport to Hambleton from Gateforth	The current location is a private residence and does not meet accessibility requirements. No suitable alternative exists within the polling district.	No change

CONSTITUENCY: Skipton and Ripon

No	Division	Polling Districts affected	Commentator	Summary of comment(s)	Assessment of comments	(Acting) Returning Officer's final recommendation
1	Bentham & Ingleton	CRIAC5SR	John Metcalfe, Ingleton Parish Council	There are a number of premises within the Parish of Thornton in Lonsdale which would be suitable for use as a polling station without asking the residents to travel further to vote	No suitable alternative has been identified during the consultation period.	Change polling station to Ingleborough Community Centre
2	Gargrave & Malhamdale	CRGAM2SR	Catherine Downs, Bank Newton Parish Meeting	Residents in Bank Newton Parish find it easy to go to Gargrave Village Hall to vote in elections.	Thank you	No change
3	Gargrave & Malhamdale	CRGAM1SR	Member of public	I am very pleased to see there is no proposal to change the voting location in the Airton/Scosthrop area. This area has a high percentage of elderly and physically less-able voters, many of whom still like to go to the polling station to physically place their vote.	Thank you	No change
4	Gargrave & Malhamdale	CRHLP1SR	Member of public	A central location seems to be accessible to most people.	Thank you	No change

5	Masham & Fountains	HRXMSSR	20 respondents against initial proposal including Cllr Felicity Cunliffe-Lister, Masham & Fountains division and the Parish Council. 1 response in favour of initial proposal.	<p>The Parish Council and Dallowgill residents feel very strongly that a polling station should remain in the school room at the Methodist Chapel in Dallowgill.</p> <p>There is adequate disabled access through the side entrance and adequate, albeit basic, toilet facilities.</p>	<p>A member of the Electoral Services Team visited the premises on 9th November to make an assessment and concluded the building is not suitable for continued use as a polling station. It is accessed by a narrow and uneven dirt and gravel track. The area outside the polling station is rough and pitted, and there is no level access to the main hall, making it unsuitable for disabled voters. There is level access via a door to the side through the kitchen, but the door is narrow, there is a lip to cross the threshold and there are obstacles preventing easy wheelchair access into the polling station. There are very few residential properties visible from this location and the vast majority of voters would need to drive to this location. There is no street lighting and external lighting</p>	Move polling station to Kirkby Malzeard Mechanics Institute, no change to initial proposals

					at the school room is not the best. Accessing this location in poor weather conditions would be treacherous. For polling staff who would be required to work there for 16 hours on polling day, there is no drinking water and the toilets are in a poor state.	
6	Pateley Bridge & Nidderdale	HRYESSR	Member of public	Suitability is fine but there are access issues at Pateley Memorial Hall. Although disabled parking and a low-threshold doorway are signposted, the passageway from that doorway to the polling booths has been obstructed by stacks of chairs on my last two visits making it unusable. I've needed to be helped through the 'able-bodied' entrance (up steps) in order to vote.	We will ensure any obstructions are removed to ensure polling booths are accessible to all	No change
7	Skipton West & West Craven	CRSKW2SR	Member of public	For those with mobility issues parking is limited at the church but generally the venue is good	There is a dedicated disabled parking space at the church	No change

8	Wathvale & Bishop Monkton	HRZASSR	Member of public	There is no polling station in Asenby. Voters have to travel to next village Rainton. Those who do not drive cannot get there.	No suitable alternative has been identified during the consultation period.	No change
9	Wathvale & Bishop Monkton	HRWES1SR	2 responses from Cllr Nick Brown, Wathvale & Bishop Monkton Division and a member of the public	Change of Polling Station from Crown Inn, Roecliffe to the Methodist Chapel, Boroughbridge will require car transport as bus service is minimal and not at a convenient time for elderly/infirm Roecliffe residents. A more convenient Polling Station site would be St Mary's Church, Roecliffe.	The church is not suitable having no disabled access or parking and a long gravelled drive	No change
10	Wathvale & Bishop Monkton	HRWDS1SR/ HRWDS2SR/ HRWDS3SR	Cllr Nick Brown, Wathvale & Bishop Monkton Division	I feel that because these new suggested polling stations are over a mile away from these villages your proposals are undemocratic.	In Norton-le-Clay/Cundall the proposal is to move the polling station from Dishforth to Marton-le-Moor which is slightly closer for most voters in those polling districts	No change
11	Wharfedale	CRBAF11SR	Debbie Burton, Rylstone Parish Meeting & 3 members of the public	Cracoe Village Hall is a good venue for Rylstone residents. It is accessible for all, with good car parking, and facilities.	Thank you	No change
12	Wharfedale	CRBAF6SR	Member of public	No change for us, so no issues.	Thank you	No change

13	Sowerby & Topcliffe	HBSO05T	Member of public	Happy with Sowerby Scout Hut	Thank you	No change
14	Sowerby & Topcliffe	HBSO05T	2 members of public	I am concerned that the people of Sowerby Gateway do not have a nearer polling place. It is almost two miles for some voters. There could have been a place at the Hub in Orchid House? This is not accessible for some, there is no transport service and will mean some people walking quite a long way in the dark after work.	We agree a second polling station is required. We made an enquiry about booking the Hub, but were told it was not available due to existing bookings.	Create new polling district for Sowerby Gateway, and change polling station when a suitable venue is identified. Until then, no change to polling station.
17	Thirsk	HBTH07T	Member of public	I have no problem with the proposal	Thank you	No change

18	Thornton Dale & Wolds	RYSFT	Levisham Parish Meeting	It's not changed. The poll place is as it's always been at Lockton. Non drivers can not access and would vote via mail.	Thank you	No change
19	Thornton Dale & Wolds	RYTDT	Gerald Bainbridge, Thixendale Parish Council	Status Quo, hence no comments.	Thank you	No change
20	Thornton Dale & Wolds	RYTET	Femi Shellard, Weaverthorpe Parish Council	I am pleased that there aren't any plans to change the Polling Place in Weaverthorpe as the Village Hall is fully accessible.	Thank you	No change

What are you proposing to do?	Adopt of new schedule of polling districts and polling places which will determine where voters cast their ballots in person at elections taking place in North Yorkshire.		
Why are you proposing this? What are the desired outcomes?	Conducting the review is a statutory requirement. Where changes to existing arrangements are proposed, the reasons are either that the existing location is no longer available or is not suitable for voters with a disability, or will improve access and convenience for voters.		
Does the proposal involve a significant commitment or removal of resources? Please give details.	No, the proposals are broadly cost neutral.		
Impact on people with any of the following protected characteristics as defined by the Equality Act 2010, or NYC's additional agreed characteristics			
As part of this assessment, please consider the following questions:			
<ul style="list-style-type: none"> To what extent is this service used by particular groups of people with protected characteristics? Does the proposal relate to functions that previous consultation has identified as important? Do different groups have different needs or experiences in the area the proposal relates to? 			
If for any characteristic it is considered that there is likely to be an adverse impact or you have ticked 'Don't know/no info available', then a full EIA should be carried out where this is proportionate. You are advised to speak to your directorate representative for advice if you are in any doubt.

Initial Climate Change Impact Assessment (Form created August 2021)

The intention of this document is to help the council to gain an initial understanding of the impact of a project or decision on the environment. This document should be completed in consultation with the supporting guidance. Dependent on this initial assessment you may need to go on to complete a full Climate Change Impact Assessment. The final document will be published as part of the decision-making process.

If you have any additional queries, which are not covered by the guidance please email climatechange@northyorks.gov.uk

Title of proposal	Statutory Polling Districts and Polling Places Review
Brief description of proposal	Adopt a schedule of polling districts and polling places to be used to determine where people vote at future elections.
Directorate	Legal & Democratic

Lead officer	Kerry Russett, Head of Electoral Services
Names and roles of other people involved in carrying out the impact assessment	Ben Natrass, Electoral Services Manager

The chart below contains the main environmental factors to consider in your initial assessment – choose the appropriate option from the drop-down list for each one.

Remember to think about the following;

- Travel
- Construction
- Data storage
- Use of buildings
- Change of land use
- Opportunities for recycling and reuse

Environmental factor to consider	For the council	For the county	Overall
Greenhouse gas emissions	No effect on emissions	No Effect on emissions	No effect on emissions
Waste	No effect on waste	No effect on waste	No effect on waste
Water use	No effect on water usage	No effect on water usage	No effect on water usage
Pollution (air, land, water, noise, light)	No effect on pollution	No effect on pollution	No effect on pollution
Resilience to adverse weather/climate events (flooding, drought etc)	No effect on resilience	No effect on resilience	No effect on resilience
Ecological effects (biodiversity, loss of habitat etc)	No effect on ecology	No effect on ecology	No effect on ecology
Heritage and landscape	No effect on heritage and landscape	No effect on heritage and landscape	No effect on heritage and landscape

If any of these factors are likely to result in a negative or positive environmental impact then a full climate change impact assessment will be required. It is important that we capture information about both positive and negative impacts to aid the council in calculating its carbon footprint and environmental impact.

Schedule of election fees for elections and by-elections in North Yorkshire

1.0 PURPOSE OF REPORT

- 1.1 The Committee are asked to approve a schedule of election fees to be paid at future scheduled elections and unscheduled by-elections in North Yorkshire.

2.0 BACKGROUND

- 2.1 When an election is called, the Returning Officer is required to employ sufficient staff to carry out the processes necessary to conduct a poll, including staffing polling stations, vote counts and postal vote opening sessions. A schedule of fees is set in advance setting out the payment for each job role. In previous years, fee schedules were approved by agreement of District and Borough Chief Executives within North Yorkshire, and these were last agreed in 2021. This committee approved an interim schedule of fees in May 2023, while awaiting expected written guidance on indicative fees from Central Government.
- 2.2 Although Central Government do not provide funding for local elections, they do fund national elections such as Parliamentary General elections, so when setting a schedule of election fees, it is prudent to pay due regard to the guidance they issue in relation to the levels of fees that they will allow. Updated guidance from the Election Claims Unit (part of the Cabinet Office) outlining indicative rates of pay for each type of election job has now been published, which allows for a more comprehensive schedule of fees to be submitted to this committee for approval.
- 2.3 What follows are recommendations for elections fees to take effect immediately, allowing fees to be adopted for the scheduled Combined Authority Mayoral election in May 2024 and any unscheduled by-elections arising before then.

3.0 RECOMMENDED SCHEDULE OF ELECTIONS FEES

- 3.1 The fees set out in Appendix A are recommended for approval and are based on written guidance received from the Election Claims Unit on indicative fees for elections. The recommended fees are based on adopting the interim fees already approved on a permanent basis where those fees sit within the newly published pay bands. In Appendix A, "out of hours" refers to hours worked on Saturdays and in the evening, while any hours worked on Sundays or bank holidays would be paid at double the day rate, as covered in the guidance document (Appendix B).
- 3.2 It is further recommended that when the Election Claims Unit publishes updates to its indicative fees in future years, the North Yorkshire fee schedule is automatically updated in line with it e.g. if the pay bands were to be uplifted for 2024/25, the North Yorkshire fees would have the same uplift applied. .

4.0 ALTERNATIVE OPTIONS CONSIDERED

4.1 Setting fees at the bottom end of the ranges published in the indicative fees would cost less, but could make our fees uncompetitive with neighbouring councils, possibly leading to recruitment problems for scheduled elections. It would also represent a drop in the fees paid previously. Setting fees at or near the top of the range would make the roles attractive but would be costly.

5.0 FINANCIAL IMPLICATIONS

5.1 Approving the proposed interim schedule would be broadly cost neutral as in most cases the new fees are equal to the interim fees already approved. In a small number of cases (senior roles at election counts), the new fee is lower than the interim fee, so there will be a slight saving on staff costs for election counts if this new schedule is approved.

6.0 LEGAL IMPLICATIONS

6.1 Adopting this fee schedule will ensure all roles exceed the national minimum wage.

7.0 EQUALITIES IMPLICATIONS

7.1 There are none. ^[OBJ] An Equalities Impact Assessment Screening Form is provided at Appendix C

8.0 CLIMATE CHANGE IMPLICATIONS

8.1 There are none. A Climate Change Impact Assessment Screening Form is provided at Appendix D.

9.0 REASONS FOR RECOMMENDATIONS

9.1 Approving a schedule of fees will enable a degree of certainty for those organising elections, providing a basis for them to recruit sufficient casual staff to work at elections taking place in the North Yorkshire council area. By paying due regard to the fees guidance provided by the Electoral Claims Unit, it ensures our fees will be in line with national expectations. Allowing fees to rise in line with future updates to national guidance provides greater certainty going forward by establishing a consistent approach.

10.0 RECOMMENDATIONS

- (i) That the Committee approves the recommended fee schedule shown Appendix A be used by the Returning Officer for the purposes of employing staff to work at elections taking place in North Yorkshire.
- (ii) That this fee schedule is amended in line with amendments made to the national indicative fee schedule in future years.

Pay Bands for Elections Staff 2023/24

This document sets out the pay bands for staff working on polls funded from the Consolidated Fund (UK Parliamentary and Police and Crime Commissioner elections). The rates are applicable across **Great Britain** and will apply to any UK Parliamentary or PCC elections, including relevant by-elections, that take place during the financial year of **2023/24**.

A brief guide to the pay bands has been included. However, there will be a comprehensive set of guidance issued for staff payments which Returning Officers should read before setting rates of pay for election staff.

- The pay bands set out an **hourly day rate** for election roles.
- Work that takes place during evenings, nights and Saturdays can be paid at an uplifted rate of up to a maximum of **1.5x** the day rate.
- Work that takes place during Sundays and Bank Holidays can be paid at an uplifted rate of up to a maximum of **2x** the day rate.
- Staff working at the count can receive a guaranteed minimum payment equivalent to **four hours** of pay at the relevant rate for the role. This covers the first four hours of work and is payable even if the count concludes sooner than this.
- If additional hours are worked at the count, these will then be paid at the relevant hourly rate, in addition to the guaranteed minimum payment.
- The night rate can be paid between the hours of **10pm-8am** for members of staff working at the count. There will be additional flexibility to allow for an earlier start of 9:30pm if count staff are required to attend the count venue for briefing. Starts earlier than 9:30pm, however, will need to be paid at the day rate up until 10pm.
- Any work undertaken outside of the hours mentioned above must be paid at the day rate.
- Different roles cannot all be paid at the top end of each pay band.
- Rates paid to roles in the same pay band should follow a sliding scale, proportionate to the tasks undertaken. The order of the roles in each pay band should provide an indication as to where they fit within the pay band.
- Elections or core services teams can be paid their contracted rate for overtime work they undertake that falls under their contracted responsibilities. Work undertaken during normal office hours cannot be reimbursed from the Consolidated Fund.
- If elections or core services teams are undertaking work that falls outside of their contracted responsibilities, such as managing the count, they should be paid at a rate proportionate to the task, rather than a rate proportionate to the seniority or the grade of the officer undertaking the role.
- If there are roles not listed below for which you are seeking a rate of pay, please contact ECU and we will try to provide further advice on this.
- All roles should be necessary for the conduct of the elections, and the corresponding rates should be reasonable and proportionate to the tasks undertaken.

Pay Band A	
Roles	Pay Band 23/24
Casual admin support	£10.42-£14.18
Polling Station - Ballot Box/Equipment Issuing Assistants	
Postal Vote - Prep and Issue Assistant	
Postal Vote - Opening and Checking Assistant

Count and verification assistants	
Count Security*	
Postal Vote Security*	
Reception staff	
Poll Card - Printing	
Letters Printing	

*Does not apply to security company staff if this service is outsourced. This only applies to staff employed by the RO directly. For security staff who are outsourced, ECU will consider rates that are reasonable. These should be supported by evidence of value for money, for example, by obtaining multiple quotes from two or more security firms.

Pay Band B	
Roles	Pay Band 23/24
Polling Station - Ballot Box/Equipment Issuing Supervisors	£12.60-£16.80
Postal Vote - Prep and Issue Supervisor	
Postal Vote - Opening and Checking Supervisor	
Ballot box receipt supervisor

Postal Vote - Signature Adjudicators	
Top table assistant/data officer	
Media handling/comms	

*Presiding Officers taking on additional responsibilities can be paid an additional £25 on top of the overall PO fee for the day. These responsibilities can include managing common areas in polling places with more than one polling station. Such staff are often referred to as Senior Presiding Officers.

Pay Band D	
Roles	Pay Band 23/24
Count Manager*	£15.75-£27.30
Polling Station Inspector	
Postal Vote - Opening Session Manager	

*ECU will generally accept one count manager per venue. However, should there be particular circumstances that warrant more than one count manager in your constituency or voting area this should be discussed and agreed in advance with ECU.

Other Rates	
Type	Rates 23/24
Poll card (hand) delivery	£0.15-£0.34
Travel up to 20 miles (Public Transport)*	£10
Travel more than 20 miles (Public Transport)*	£20
Mileage rate	£0.45
Training per member of staff (up to a maximum)	£40
Training Prep & Delivery (per session)	£100-£150
Bookkeeping (capped at a maximum)	£400
Stage and audio equipment at the count (per venue)	N/A**

*Fees for travel can be paid to polling station inspectors and presiding officers only, and only for travel necessary for the conduct of the poll. Please contact ECU should there be circumstances particular to your area that would require other staff to be paid for necessary travel.

**There is no formal limit set for staging and audio equipment. This is on the basis that these items should be obtained at a rate that is reasonable and that this should be supported by evidence. When claiming for stage and audio equipment, ROs should provide multiple quotes from suppliers to demonstrate that they have sought value for money. Where stage and audio equipment is provided by the venue, any costs claimed should be clearly itemised so that they can be properly scrutinised by ECU. Failure to provide a detailed breakdown of the costs may result in the costs being challenged or removed.

Initial Climate Change Impact Assessment (Form created August 2021)

The intention of this document is to help the council to gain an initial understanding of the impact of a project or decision on the environment. This document should be completed in consultation with the supporting guidance. Dependent on this initial assessment you may need to go on to complete a full Climate Change Impact Assessment. The final document will be published as part of the decision-making process.

If you have any additional queries, which are not covered by the guidance please email climatechange@northyorks.gov.uk

The chart below contains the main environmental factors to consider in your initial assessment – choose the appropriate option from the drop-down list for each one.

Remember to think about the following;

- Travel
- Construction
- Data storage
- Use of buildings
- Change of land use
- Opportunities for recycling and reuse

Environmental factor to consider	For the council	For the county	Overall
Greenhouse gas emissions	No effect on emissions	No Effect on emissions	No effect on emissions
Waste	No effect on waste	No effect on waste	No effect on waste
Water use	No effect on water usage	No effect on water usage	No effect on water usage
Pollution (air, land, water, noise, light)	No effect on pollution	No effect on pollution	No effect on pollution
Resilience to adverse weather/climate events (flooding, drought etc)	No effect on resilience	No effect on resilience	No effect on resilience
Ecological effects (biodiversity, loss of habitat etc)	No effect on ecology	No effect on ecology	No effect on ecology
Heritage and landscape	No effect on heritage and landscape	No effect on heritage and landscape	No effect on heritage and landscape

If any of these factors are likely to result in a negative or positive environmental impact then a full climate change impact assessment will be required. It is important that we capture information about both positive and negative impacts to aid the council in calculating its carbon footprint and environmental impact.

Temporary Appointments to Aldbrough St. John Parish Council

Report of the Assistant Chief Executive Legal and Democratic Services

1.0 PURPOSE OF REPORT

- 1.1 To inform the Committee of the situation of Aldbrough St. John Parish Council and to seek approval to invoke the power to temporarily appoint named persons to sit on the Parish Council.

2.0 BACKGROUND

- 2.1 In order for a town and parish council to operate, they need to be quorate. There are occasions where, due to resignations or a lack of nominations for vacancies at elections, a town or parish council is not able to operate for this reason.
- 2.2 Section 91 (1) of the Local Government Act 1972 provides that the principal authority (North Yorkshire Council) can make an order to appoint to a town or parish council until such time as the vacancies on the Parish Council have been filled by either election or co-option.

3.0 REQUIREMENT TO APPOINT PERSONS TO ALDBROUGH ST. JOHN PARISH COUNCIL

- 3.1 Aldbrough St. John Parish Council comprises of 5 seats and requires a minimum of 3 seats to be filled to be considered quorate. Following resignations of the 3 remaining councillors, the casual vacancy procedures were followed, and following expiration of the notices, the Council was notified that the Parish Council was inquorate.
- 3.2 As the Parish Council is now no longer quorate, it cannot meet or conduct any business. The only option left is to invoke the power to make appointments so that business can continue. Once appointed, the parish will be quorate and the vacant seats can be filled via co-option. A number of parishioners have expressed an interest in being co-opted to the Council and have also agreed to be appointed on a temporary basis.
- 3.3 Once the vacant seats have been filled, any appointee can then resign from the Parish Council if they wish to do so.

4.0 ALTERNATIVE OPTIONS CONSIDERED

- 4.1 None.

5.0 FINANCIAL IMPLICATIONS

- 5.1 There are no financial implications.

6.0 LEGAL IMPLICATIONS

6.1 This report has been prepared with the benefit of legal advice as to the process for appointing temporary members to a parish council.

7.0 EQUALITIES IMPLICATIONS

7.1 There are none.

8.0 CLIMATE CHANGE IMPLICATIONS

8.1 There are none.

9.0 CONCLUSIONS

9.1 By invoking Section 91 of the Local Government Act 1972, Aldbrough St John Parish Council can co-opt to the vacant seats and the appointees can resign from the Parish once the other seats are filled.

10.0 REASONS FOR RECOMMENDATIONS

10.1 Aldbrough St John Parish Council comprises of 5 seats and requires a minimum of 3 seats to be filled to be considered quorate. Following recent resignations there are no Councillors currently leaving the Parish Council inquorate and unable to meet or conduct business. By placing a division member appointee and four parishioners on the Parish Council, it will be quorate and can co-opt to the vacant seats allowing business to continue.

10.2 Whilst legislation does not specify who may be appointed as temporary parish councillors, it is common practice for the elected member of the relevant division of the principal council to be approached in the first instance to fulfil this role and seeking other appointees as required.

11.0 RECOMMENDATIONS

i) That the Council appoints the following under Section 91 (1) of the Local Government Act 1972 to Aldbrough St John (Richmondshire) Parish Council in order to make it quorate, unless or until either sufficient vacancies on Aldbrough St John Parish Council have been filled by way of co-option or election so that the Parish Council is able to act lawfully, or the Order made under Section 91 (1) is revoked.

- Division member for North Richmondshire – Angus Thompson
- Mr Mike Banks
- Mr Stephen Baddon
- Mr Stuart Reed
- Ms Kirstie Thornton

ii) That the Assistant Chief Executive Legal and Democratic Services be authorised to make the required order as attached at Appendix A.

Order Made Under Section 91 (1) Of The Local Government Act 1972

Aldbrough St John Parish Council (Temporary Appointment of Members) Order 2023

THIS ORDER is made on the thirteenth day of December two thousand and twenty three by
NORTH YORKSHIRE COUNCIL (“THE COUNCIL”).

1. WHEREAS following the recent resignation of parish councillors to Aldbrough Parish Council, three persons are required to give a minimum number required for a quorum.
2. Under Section 91 (1) of the Local Government Act 1972, where there are so many vacancies in the office of Parish Councillor that the Parish Council is no longer able to act, North Yorkshire Council may, by order, appoint persons to fill all or any of the vacancies until other Councillors are co-opted or elected to take office.

NOW in pursuance of the Power conferred upon it by Section 91 (1) of the Local Government Act 1972, the Council hereby appoints the following persons to act as Members of Aldbrough St John Parish Council until an election has been held or new Councillors have been co-opted to fill such vacancies as shall constitute and re-establish a quorum on the Parish Council whereupon such appointments and this Order shall cease:

- Councillor Angus Thompson (Councillor for North Richmondshire Division)
- Mr Mike Banks
- Mr Stephen Baddon
- Mr Stuart Reed
- Ms Kirstie Thornton

Temporary Appointment to Irton Parish Council

Report of the Assistant Chief Executive Legal and Democratic Services

1.0 PURPOSE OF REPORT

- 1.1 To inform the Committee of the situation of Irton Parish Council and to seek approval to invoke the power to temporarily appoint a North Yorkshire Council division member to sit on the Parish Council.

2.0 BACKGROUND

- 2.1 In order for a town and parish council to operate, they need to be quorate. There are occasions where, due to resignations or a lack of nominations for vacancies at elections, a town or parish council is not able to operate for this reason.
- 2.2 Section 91 (1) of the Local Government Act 1972 provides that the principal authority (North Yorkshire Council) can make an order to appoint to a town or parish council until such time as the vacancies on the Parish Council have been filled by either election or co-option.

3.0 REQUIREMENT TO APPOINT A MEMBER TO IRTON PARISH COUNCIL

- 3.1 Irton Parish Council comprises of 5 seats and requires a minimum of 3 seats to be filled to be considered quorate. Following 2 resignations, the casual vacancy procedures were followed, and the Parish Council were advised on 12 October 2023 that they could proceed to fill the vacant seats via co-option. On 30 October 2023, Councillor Peter Morrell resigned from Irton Parish Council leaving only 2 remaining councillors.
- 3.2 As the Parish Council is now no longer quorate, the council cannot meet or conduct any business. The only option left is to invoke the power to make an appointment so that business can continue. Once appointed, the parish will be quorate and the vacant seats can be filled via co-option. Officers understand that there is interest within the parish from parishioners who wish to sit on the Council.
- 3.3 Once the vacant seats have been filled, any appointee can then resign from the Parish Council if they wish to do so.

4.0 ALTERNATIVE OPTIONS CONSIDERED

- 4.1 To conduct a Community Governance Review and dissolve the Parish Council. This Council covers an electorate of 283 and a Community Governance Review can take up to 12 months to complete.

5.0 FINANCIAL IMPLICATIONS

5.1 There are no financial implications.

6.0 LEGAL IMPLICATIONS

6.1 This report has been prepared with the benefit of legal advice as to the process for appointing a temporary member to a parish council.

7.0 EQUALITIES IMPLICATIONS

7.1 There are none.

9.0 CONCLUSIONS

9.1 By invoking Section 91 of the Local Government Act 1972, Irton Parish Council can co-opt the vacant seats and the appointee can resign from the Parish once the other seats are filled if she wishes to do so.

10.0 REASONS FOR RECOMMENDATIONS

10.1 Irton Parish Council comprises of 5 seats and requires a minimum of 3 seats to be filled to be considered quorate. Following a recent resignation, there are only two parish councillors left. The Parish Council is now inquorate and as such cannot meet or conduct business. By placing a division member appointee on the Parish Council, it will be quorate and can co-opt the vacant seats and business can continue.

10.2 Whilst legislation does not specify who may be appointed as temporary parish councillors, it is common practice for the elected member of the relevant division of the principal council to fulfil this role.

11.0 RECOMMENDATIONS

i) That the Council appoints the division member for Seamer, Councillor Heather Phillips, under Section 91 (1) of the Local Government Act 1972 to Irton Parish Council in order to make it quorate, unless or until either sufficient vacancies on Irton Parish Council have been filled by way of co-option or election so that the Parish Council is able to act lawfully, or the Order made under Section 91 (1) is revoked.

ii) That the Assistant Chief Executive Legal and Democratic Services be authorised to make the required order as attached at Appendix A.

Decision on whether to proceed with a Community Governance Review of Dishforth Parish

Report of the Assistant Chief Executive (Legal and Democratic Services)

1.0 PURPOSE OF REPORT

- 1.1 To consider a request from Dishforth Parish Council for a community governance review to increase the number of parish councillors on the parish council.
- 1.2 If the Committee support the request of the parish council for a community governance review, to make recommendation to Council that the draft Terms of Reference (Appendix 1) be approved.

2.0 THE REPORT

- 2.1 North Yorkshire Council has received a request from Dishforth Parish Council that it undertakes a Community Governance Review (CGR) of Dishforth parish to increase the number of parish councillors. The matter was discussed at a meeting of the Parish Council and the relevant extract from the minutes is below:

Extract from the minutes of the meeting of Dishforth Parish Council held on 25 July 2023:

8.f To inform the members concerning the increase in parish councillors. The request is hoping to be considered at NYC's Standard and Governance meeting in September.

Cllr Sturzaker requested an increase in parish councillors. Cllr Sturzaker highlighted the increase in parishioners due to the new developments and also with having only 5 councillors at present due to holidays, etc. there could be times when the council maybe inquorate. Cllr Sturzaker suggested an increase to either 7 or 8 councillors.

Resolved -The council approved the request for Dishforth Parish Council to be increased to 8 councillors. The clerk to contact NYC to request the increase.

- 2.2 Under the Local Government and Public Involvement in Health Act 2007 ("the 2007 Act") the Council has the responsibility for undertaking community government reviews of the parish tier of local government. In undertaking a review the Council must have regard of the need to ensure that the community governance arrangements in place are effective and convenient and reflect the identities and interests of the community.
- 2.3 Under the 2007 Act the Council is statutorily obliged to undertake CGRs in response to a "Community Governance Petition" or "Community Governance Application". For all other requests, such as this request from Dishforth Parish Council, and also requests from division Members or local electors, there is a "may undertake" power to conduct a CGR.
- 2.4 At the meeting of the Committee held on 15 September 2023 a protocol was approved which set out how the Council would respond to such requests for community governance reviews

in the period from now until the conclusion of the Local Government Boundary Commission for England's (LGBCE) review of division boundaries for the county, expected to conclude in mid-2025. Following the LGBCE review it is intended to undertake a whole-county CGR. Where requests are received before mid-2025 a decision will need to be taken as to whether they are to be treated as urgent.

2.5 On 15 September the Committee agreed to delegate authority to the Assistant Chief Executive (Legal and Democratic Services) in consultation with the Executive Member for Corporate Services to determine if requests for CGRs should be treated as urgent. At a meeting held on 6 November to consider such requests it was agreed that the request from Dishforth Parish Council could be treated as urgent and brought forward to the Standards and Governance Committee.

2.6 Attached at Appendix 1 to this report are draft Terms of Reference for a review of Dishforth parish, setting out the issues to be considered, how a review would be undertaken and a proposed timetable for a review.

3.0 FINANCIAL IMPLICATIONS

3.1 There is no budget within Legal and Democratic Services for carrying out Community Governance Reviews. Any expenses incurred are likely to be in relation to the consultation process.

3.2 Should a CGR conclude that there be changes to the electoral arrangements a by-election would need to take place for the parish council in May 2025. The by-election would cost approximately £3,200 and would be recharged to the parish council.

4.0 LEGAL IMPLICATIONS

4.1 The Local Government and Public Involvement in Health Act 2007 gives principal councils the responsibility for carrying out Community Governance Reviews in their areas. The Act gives councils the powers in relation to the following:

- Creating, merging, altering or abolishing parishes;
- The naming of parishes;
- The electoral arrangement for parishes (including the ordinary year of election; council size; the number of councillors to be elected to the Council and parish warding);
- Grouping or de-grouping parishes

5.0 EQUALITIES IMPLICATIONS

5.1 The public consultation will be undertaken in such a way as to ensure that a broad range of responses are obtained and no groups are excluded. An Equality Impact Assessment screening form is attached at Appendix 2.

6.0 CLIMATE CHANGE IMPLICATIONS

6.1 None

7.0 CONCLUSIONS

7.1 If the Committee resolve to support the request from Dishforth Parish Council for a Community Governance Review it will need to make recommendation to Council that the attached Terms of Reference be approved, at which point the CGR would formally commence.

8.0 RECOMMENDATIONS

That Standards and Governance Committee support the request from Dishforth Parish Council for a Community Governance Review and make recommendation to Council that the draft Terms of Reference for a Community Governance Review of Dishforth parish, attached at Appendix 1, be approved.

Local Government and Public Involvement in Health Act 2007

COMMUNITY GOVERNANCE REVIEW OF DISHFORTH

TERMS OF REFERENCE

1 Introduction

1.1 North Yorkshire Council has been asked by Dishforth Parish Council to undertake a Community Governance Review of the parish of Dishforth.

1.2 In undertaking the Review the Council will be guided by

- Part 4 of the Local Government and Public Involvement in Health Act 2007 (“the 2007 Act”)
- the relevant parts of the Local Government Act 1972
- Guidance on Community Governance Reviews issued in accordance with Section 100(4) of the 2007 Act by the Department of Communities and Local Government and the Local Government Boundary Commission for England in March 2010.

The review will comply with the legislative requirements, have regard for the associated statutory guidance and will be conducted in accordance with these terms of reference.

1.3 This document is being published on the North Yorkshire Council website and will set out what the review will focus on.

2 Reason for a Community Governance Review

2.1 The Council is undertaking a community governance review following a request from Dishforth Parish Council. On 25 July 2023 the parish council resolved to contact North Yorkshire Council to request an increase in the number of parish councillors from 5 to 8. The request arose from concerns that the parish council may struggle to be quorate at times of holidays or illness and an increase in the number of parish councillors would ensure meetings could continue to take place. An increase was also felt appropriate as the number of residents had increased following a number of housing developments in the village.

3 What is a community governance review?

3.1 A community governance review is the process used to consider parish arrangements. It is a review of the whole or part of the county area to consider one or more of the following:

- Creating, merging, altering or abolishing parishes;
- The naming of parishes and the style of new parishes;

- The electoral arrangements for parishes (the ordinary year of election; Council size, the number of Councillors to be elected to the Council and parish warding); and
 - Grouping parishes under a common Parish Council or de-grouping parishes
- 3.2 The Council wants to ensure that parish governance in the county continues to be robust, representative and enabled to meet challenges that lie before it. Furthermore, it wants to ensure that there is clarity and transparency to the areas that parish councils represent and that the electoral arrangements of parishes are appropriate, equitable and readily understood by the electorate.

4 What will the Review consider?

- 4.1 Where existing parishes are under review a Community Governance Review is obliged under legislation to make recommendations as detailed below:
- (a) Recommendations as to whether a parish should be abolished – the council will be making a firm recommendation to retain Dishforth Parish and that its external boundaries should not be altered
 - (b) Recommendations as to whether the name of a parish should be changed – the council will be making a firm recommendation to retain the name of Dishforth
 - (c) Recommendations whether a parish with a council should continue to have a council – the council will be making a firm recommendation to retain the parish council of Dishforth Parish Council
- 4.2 Where a Review recommends to retain a parish council, the Review must also make recommendations as to what changes (if any) should be made to the electoral arrangements that apply to the Council. The electoral arrangements are:
1. The ordinary year in which elections will be held
 2. The number of councillors to be elected to the council
 3. The division of the parish into wards
 4. The number and boundaries of such wards
 5. The number of councillors to be elected for any such wards
 6. The names of any such wards
- 4.3 The review must take into account:
- The impact of community governance arrangements on community cohesion; and
 - The size, population and boundaries of a local community or parish
- 4.4 The legislation requires that the Council must have regard to the need to secure that community governance within the area under review:
- Reflects the identities and interests of the community in that area;
 - Is effective and convenient; and
 - Takes into account any other arrangements for the purposes of community representation or community engagement in the area.

5 Who undertakes the Review?

- 5.1 North Yorkshire Council is statutorily responsible for carrying out the review. The Standards and Governance Committee will make recommendations in respect of the review to Council following the review for its consideration and approval. This includes approval of the terms of reference and the final recommendations before a community governance order is made.
- 5.2 The lead officer with regard to this review is Barry Khan, Assistant Chief Executive (Legal and Democratic Services) at North Yorkshire Council.

6 Consultation

- 6.1 Before making or publicising the recommendations, the Council will take account of the views of local people. The Local Government and Public Involvement in Health Act 2007 requires the Council to consult the local government electors for the area under review and any other person or body who appears to have an interest in the review. The Council must take the representations into account by judging them against the criteria in the 2007 Act.
- 6.2 The review will be guided by best practice in relation to consultation and engagement. The information provided will be clear and concise and use plain English and will be available in different formats where requested.
- 6.3 The review will include two stages of consultation. At Stage 1 initial submissions will be sought in relation to the request by the parish council, which will be considered and used to formulate draft recommendations. The second phase of consultation will seek views on the draft recommendations to allow final recommendations to be developed.
- 6.4 The Council will:
- Consult the Parish Council
 - Consult the Division Councillor
 - Publish a Notice and these Terms of Reference on the council's website and arrange for copies to be available for public inspection at the Council's offices
 - send a copy of the Notice and these Terms of Reference to the parish clerk
 - seek to arrange for the notice to be published on parish council websites and notice boards

8 Electorate Forecasts

- 8.1 On 1 November 2023 the electoral register shows the following number of electors within the areas subject to the review:

	<i>1 November 2023</i>		<i>2028 forecast</i>
Area	No. of electors	No. of households	No. of electors
Dishforth parish	758	436	443

- 8.2 When the Council comes to consider the electoral arrangements of the parishes in its area, it is good practice to consider any change in the number or distribution of the electors which is likely to occur in the period of five years beginning with the

day when the review starts. This means that any proposals should remain fit for purpose for future years.

- 8.3 The electorate forecast has been prepared using current planning permissions.

9 Electoral arrangements

- 9.1 Dishforth parish comprises a single ward. The current number of parish councillors is 5. Ordinarily it has elections every 4 years, the next scheduled elections will be held in 2027 and every four years thereafter.

- 9.2 A copy of a map showing the extent of the parish is attached at Appendix A.

- 9.3 Dishforth Parish Council has resolved to request an increase to the number of parish councillors from 5 to 8. This constitutes a review of the 'electoral arrangements' of the parish, and as such this review will consider and make recommendations as below.

9.4 **The ordinary year in which elections are held:**

If the review concludes that there will be changes to the electoral arrangements of the parish a by-election will be held in 2025. The government has indicated that it would want parish electoral cycles to coincide with the cycle for the principal council so the costs of elections can be shared. The election in 2025 would be for a reduced term of 2 years to enable the electoral cycle to revert to the normal cycle in 2027 at the next ordinary elections.

9.5 **The number of councillors to be elected to the council:**

The Council notes that the number of Parish Councillors for each parish council shall not be less than five. There is no maximum number and there are no rules relating to the allocation of Councillors between parish wards. Research conducted by the Aston Business School and published in 1992 found the following pattern of council size to electorate in England:

Electorate	Councillor allocation
Less than 500	5 – 8
501-2,500	6 – 12
2,501 – 10,000	9 – 16
10,001 – 20,000	13 – 27
Greater than 20,000	13 - 31

- 9.6 The National Association of Local Councils published guidance in 1998 which suggested that the minimum number of councillors for a parish with less than 900 electors should be 7.

- 9.7 The Yorkshire Local Councils Association published guidance in 2010 which stated that “no council should ever be composed of an even number of councillors, as this increases the risk of matters having to be constantly decided by casting vote.”
- 9.8 The Government’s guidance is that “each area should be considered on its own merits, having regard to its population, geography and the pattern of communities.” Therefore the Council is prepared to pay attention to existing levels of representation, the broad pattern of existing council sizes and the take up of seats at election time.
- 9.9 In parishes where there has been a history of uncontested elections and/or the need to co-opt members to fill vacancies, the Council will consider whether the present levels of representation are appropriate or whether there is a “democratic surplus” in the parish. The government has stated that the conduct of parish council business does not usually require a large body of councillors.
- 9.10 By law, the principal council must have regard to the following factors when considering the number of councillors to be elected for the parish:
- The number of local government electors for the parish
 - Any change in that number which is likely to occur in the period of five years beginning with the day when the review starts
 - To ensure that the allocation of councillors to parishes is broadly equitable across the district / borough, while acknowledging that local circumstances may occasionally merit variation
- 9.11 **Parish Warding:**
The Act requires that in considering whether a parish should be divided into wards for the purposes of elections of the parish council the following should be considered:
- Whether the number or distribution of the local government electors would make a single election of councillors impracticable or inconvenient
 - Whether it is desirable that any areas should be separately represented on the parish council
- 9.12 Government guidance states that the warding of parishes in largely rural areas that are based predominantly on a single centrally located village may not be justified.

10 Reorganisation of Community Governance Orders

- 10.1 The Review will be completed when the Council adopts the Reorganisation of Community Governance Order. Copies of this order, the maps that show the effects of the order in detail, and the documents which set out the reasons for the decisions that the Council has taken (including where it has decided to make no change following a review) will be deposited at the Dishforth Village Hall and on the Council’s website.
- 10.2 In accordance with the guidance the Council will also issue maps to illustrate each recommendation which will be deposited with the Secretary of State at the

Department of Levelling Up, Housing and Communities and also at the Dishforth Village Hall.

Appendix 2 - Equality impact assessment screening form			
This form records an equality screening process to determine the relevance of equality to a proposal, and a decision whether or not a full EIA would be appropriate or proportionate.			
Directorate	Central Services		
Service area	Democratic/Electoral services		
Proposal being screened	Decision on whether to proceed with a Community Governance Review of Dishforth parish		
Officer(s) carrying out screening	Barry Khan – Assistant Chief Executive (Legal and Democratic)		
What are you proposing to do?	To consider commencing a Community Governance Review which would involve consulting with the public		
Why are you proposing this? What are the desired outcomes?	Dishforth Parish Council has requested a Community Governance Review to increase the number of parish councillors. The views of the public would be sought on this proposal.		
Does the proposal involve a significant commitment or removal of resources? Please give details.	It involves consultation with the residents of the parish		
Impact on people with any of the following protected characteristics as defined by the Equality Act 2010, or NYCC’s additional agreed characteristics As part of this assessment, please consider the following questions: <ul style="list-style-type: none"> • To what extent is this service used by particular groups of people with protected characteristics? • Does the proposal relate to functions that previous consultation has identified as important? • Do different groups have different needs or experiences in the area the proposal relates to? If for any characteristic it is considered that there is likely to be an adverse impact or you have ticked ‘Don’t know/no info available’, then a full EIA should be carried out where this is proportionate. You are advised to speak to your Equality rep for advice if you are in any doubt.
