General Licensing and Registration Sub-Committee

Procedure

Introduction

1. The Sub-Committee will conduct its hearings fairly, observing the basic rules of natural justice.
2. Each hearing will take the form of a discussion led by the Chair and cross examination will not be permitted unless the Sub-Committee considers that cross examination is necessary.
3. Hearings will be held in public but the Sub-Committee may decide to exclude the public from all or part of a hearing where it considers the public interest in doing so outweighs the public interest in the hearing taking place in public. In this context "public" includes any party to the hearing or any representative of a party.

Procedure

4. At the beginning of the meeting the Chair shall:-
 - a) ask those present to introduce themselves;
 - b) explain the procedure;
 - c) ask the parties whether they wish permission for another person to appear at the hearing.
5. The Sub-Committee will consider requests from the parties for permission for other persons to appear at the meeting. Such permission will not be unreasonably withheld.
6. The Chair will conduct the hearing taking representations from the parties in the following order:
 - a) the Licensing Officer who will outline the background to the case. The Licensing Officer's role is to provide factual information to the Sub-Committee.
 - b) the applicant/licence holder (including any person appointed to represent the party or any other persons who have been given permission to assist the party).
 - c) any party making representations (including any person appointed to represent the party or any persons who have been given permission to assist the party).

7. Before determination, the applicant/licence holder will be given the final opportunity to address the Sub-Committee.
8. Each party will be given an equal maximum period of time in which to put forward any additional information requested by the Council, to question other persons (if given permission by the Sub-Committee) and address the Sub-Committee.
9. The Sub-Committee may exclude disruptive persons in certain circumstances.
10. The Sub-Committee may adjourn the hearing in certain circumstances.
11. The Sub-Committee will ask the parties to withdraw so that it can consider its determination. In considering its determination, the Sub-Committee may ask its Legal Advisor to provide it with legal and procedural advice. The nature of this advice will be notified to the parties.
12. The Sub-Committee will make its determination at the end of the meeting and this will be confirmed in writing.

Failure of Parties to Attend a Hearing

13. If a party has informed the Council that they do not intend to attend or be represented at a hearing, the hearing may proceed in their absence.
14. Where a party has not so indicated fails to attend or be represented at a hearing the Sub-Committee may:
 - a) where it considers it to be necessary in the public interest, adjourn the hearing to a specified date; or
 - b) hold the hearing in the party's absence.
15. Where the hearing is held in the absence of a party, the authority shall consider at the hearing of the application, representation or notice made by that party.
16. Where a hearing is adjourned to a specified date the Council will notify the parties of the date, time and place to which the hearing has been adjourned.

PH086B – Application for Renewal of Private Hire Vehicle Licence

Report of the Corporate Director of Environment

1.0 PURPOSE OF REPORT

- 1.1 This report asks the Sub-Committee to consider an application for the renewal of a Private Hire Vehicle Licence.

2.0 BACKGROUND

- 2.1 Carlton Cars (NYorks) Ltd is the holder of a private hire vehicle licence (plate number PH086B) in respect of a Volkswagen Jetta vehicle registration mark WP13 LRU. The vehicle has been licensed since 01 October 2017.
- 2.2 The current licence is due to expire on 30 September 2023. A copy of the current licence is attached at **Appendix A**.

3.0 APPLICATION FOR THE RENEWAL OF A PRIVATE HIRE VEHICLE LICENCE

- 3.1 A renewal application was lodged on 25 September 2023. Private hire journeys are authorised between the date of the application and the date of determination. Effectively, the applicant may exercise continuation rights until such time as a decision is made in relation to the renewal. A copy of the application form is attached at **Appendix B**.
- 3.2 All applicants are required to produce the following documents before a licence will be renewed:
- i) proof that the licensing authority's testing arrangements have been satisfied; and
 - ii) a current vehicle insurance certificate or cover note which includes the carriage of passengers for private hire.
- 3.3 The applicant has produced the requisite documents identified in paragraph 3.2 and these have been deemed satisfactory by the Licensing Team.
- 3.4 A copy of the latest vehicle inspection test certificate is attached at **Appendix C**.
- 3.5 The MOT history of the vehicle has been taken from the GOV.UK website and is attached at **Appendix D**.
- 3.6 The most recent data shows that, on 01 September 2023, the recorded mileage was 166,813.
- 3.7 According to the registration document, attached at **Appendix E**, the vehicle in question was first registered on 21 May 2013.

4.0 ALTERNATIVE OPTIONS CONSIDERED

4.1 All of the Sub-Committee's options are outlined in paragraph 11.0. No alternative options are available.

5.0 FINANCIAL IMPLICATIONS

5.1 No financial implications have been identified.

6.0 LEGAL IMPLICATIONS

6.1 The applicant may appeal against the decision of the Sub-Committee if it decides not to grant the application. An appeal must be made to Magistrates Court within 21 days of receiving notification of the decision.¹.

7.0 EQUALITIES IMPLICATIONS

7.1 No equalities implications have been identified.

8.0 CLIMATE CHANGE IMPLICATIONS

8.1 No climate change implications have been identified.

9.0 POLICY IMPLICATIONS

9.1 In carrying out its licensing functions, the Sub-Committee should have regard to the Council's Hackney Carriage and Private Hire Licensing Policy.

9.2 In accordance with paragraph 172 of the policy, the Council imposes general 10-year age limits in respect of private hire vehicles. The vehicle in question surpassed the policy age limit over five months ago.

9.3 The Council's policy can (and is generally likely to) affect the outcome of the decision in most cases and this is entirely lawful. The policy is a means of securing a consistent approach to individual cases.

9.4 Each case must be considered in the light of the policy but not so that the policy automatically determines the outcome.

9.5 The policy allows for exceptions to be made by placing a requirement on the licensing authority to consider each application on its individual merits and to depart from the general policy where the specific circumstances of a case justify making an exception. The onus is on the applicant to demonstrate that any such exception should be made.

10.0 REASONS FOR RECOMMENDATIONS

10.1 The Sub-Committee must consider if the specific circumstances of the applicant's individual case justify making an exception from the general policy and take one of the steps outlined in paragraph 11.0.

¹ Sections 52 and 59 of the Local Government (Miscellaneous Provisions) Act 1976

11.0 RECOMMENDATION(S)

- i) Grant the application; or
- ii) Refuse to renew the licence on the grounds of any reasonable cause.
