General Licensing and Registration Sub-Committee

Procedure

Introduction

1. The Sub-Committee will conduct its hearings fairly, observing the basic rules of natural justice.
2. Each hearing will take the form of a discussion led by the Chair and cross examination will not be permitted unless the Sub-Committee considers that cross examination is necessary.
3. Hearings will be held in public but the Sub-Committee may decide to exclude the public from all or part of a hearing where it considers the public interest in doing so outweighs the public interest in the hearing taking place in public. In this context "public" includes any party to the hearing or any representative of a party.

Procedure

4. At the beginning of the meeting the Chair shall:-
 - a) ask those present to introduce themselves;
 - b) explain the procedure;
 - c) ask the parties whether they wish permission for another person to appear at the hearing.
5. The Sub-Committee will consider requests from the parties for permission for other persons to appear at the meeting. Such permission will not be unreasonably withheld.
6. The Chair will conduct the hearing taking representations from the parties in the following order:
 - a) the Licensing Officer who will outline the background to the case. The Licensing Officer's role is to provide factual information to the Sub-Committee.
 - b) the applicant/licence holder (including any person appointed to represent the party or any other persons who have been given permission to assist the party).
 - c) any party making representations (including any person appointed to represent the party or any persons who have been given permission to assist the party).

7. Before determination, the applicant/licence holder will be given the final opportunity to address the Sub-Committee.
8. Each party will be given an equal maximum period of time in which to put forward any additional information requested by the Council, to question other persons (if given permission by the Sub-Committee) and address the Sub-Committee.
9. The Sub-Committee may exclude disruptive persons in certain circumstances.
10. The Sub-Committee may adjourn the hearing in certain circumstances.
11. The Sub-Committee will ask the parties to withdraw so that it can consider its determination. In considering its determination, the Sub-Committee may ask its Legal Advisor to provide it with legal and procedural advice. The nature of this advice will be notified to the parties.
12. The Sub-Committee will make its determination at the end of the meeting and this will be confirmed in writing.

Failure of Parties to Attend a Hearing

13. If a party has informed the Council that they do not intend to attend or be represented at a hearing, the hearing may proceed in their absence.
14. Where a party has not so indicated fails to attend or be represented at a hearing the Sub-Committee may:
 - a) where it considers it to be necessary in the public interest, adjourn the hearing to a specified date; or
 - b) hold the hearing in the party's absence.
15. Where the hearing is held in the absence of a party, the authority shall consider at the hearing of the application, representation or notice made by that party.
16. Where a hearing is adjourned to a specified date the Council will notify the parties of the date, time and place to which the hearing has been adjourned.

Application for the renewal of a Private Hire Vehicle Licence – PHV 073E

Report of the Corporate Director – Environment

1.0 PURPOSE OF REPORT

- 1.1 To seek the determination by the Licensing Sub Committee of an application for a private hire vehicle licence that does not comply with the standard criteria as stated in the Council's Hackney Carriage and Private Hire Policy ("the Policy"). Such vehicles may be licensed at the discretion of the General Licensing and Registration Sub Committee.

2.0 BACKGROUND

- 2.1 An application for the renewal of a private hire vehicle licence has been received from Mr Edward Johnson. The application form is attached at **Appendix A**.
- 2.2 The vehicle is now over 10 years of age, and it does not comply with the vehicle age criteria outlined in the Policy. The Policy requires vehicles to be less than 10 years old from the date of first registration.
- 2.3 Details of the vehicle are as follows:

Make:	JAGUAR
Model:	XJL Portfolio V6 D Auto
Colour:	BLACK
First Registration:	30 September 2003
Mileage:	139,471 (at time of MOT test)
Fuel Type:	DIESEL
Transmission:	AUTO
Engine Size:	2993 cc
Co2 Emission	167 g/km
Ved Co2 Band	H

- 2.4 As part of the application process, Officers can confirm that the vehicle passed an MOT test on 3 November 2023 with no failure or advisory notices. The vehicle also passed the Council's vehicle inspection on 12 January 2024 with no defects identified (vehicle inspection checklist attached at **Appendix B**).
- 2.5 Members are encouraged to view the vehicle prior to making their decision.

3.0 ALTERNATIVE OPTIONS CONSIDERED

- 3.1 All of the Sub-Committee's options are outlined in paragraph 10.0. No alternative options are available.

4.0 FINANCIAL IMPLICATIONS

4.1 No financial implications have been identified.

5.0 LEGAL IMPLICATIONS

5.1 The Licensing Authority must determine an application for the grant of a private hire vehicle licence in accordance with relevant legislation and the Council's Policy. The Licensing Authority would leave itself open to appeal at the Magistrate's Court or judicial review should it not comply with all legal requirements.

6.0 EQUALITIES IMPLICATIONS

6.1 No equalities implications have been identified.

7.0 CLIMATE CHANGE IMPLICATIONS

7.1 No climate change implications have been identified.

8.0 POLICY IMPLICATIONS

8.1 In carrying out its licensing functions, the General Licensing and Registration Sub-Committee should have regard to the Council's Hackney Carriage and Private Hire Licensing Policy.

8.2 According to paragraph 8 of the Council's policy, the licensing regime should ensure that licensed hackney carriage and private hire vehicles are of high quality, offer safety and comfort to the users and operate in such a way as to protect the public's safety and well-being. Whilst facilitating access to an efficient and effective public transport service.

8.3 According to paragraph 15 of the Council's policy, in most cases, when considering licence applications, the licensing authority will consider each application on its individual merits. It may, at times, allow exceptions to the general policy.

8.4 According to paragraph 16 of the Council's policy, it will be necessary to consider, in relation to any particular application, whether the specific circumstances justify allowing an exception.

8.5 According to paragraph 17 of the Council's policy, it will be up to the applicant to show that an exception should be made to the policy, and if the objectives can still be met, the licensing authority may exercise its discretion to depart from the general policy. Where exceptions are made, reasons will be given.

8.6 According to Paragraph 172 of the Council's Policy, the licensing authority will only generally issue a licence in respect of a private hire vehicle if it is less than 10 years old (the age of the vehicle shall be taken from the date of first registration shown on the vehicle registration document, V5C). Paragraph 172 of the Council tax policy also has other criteria to take into account when deciding whether to grant a licence. Such criteria includes considering, is a vehicle fit for purpose, safe and comfortable for its users and any members of the public and whether it has a clean and smart appearance, both internally and externally. The policy with regard to vehicle specification shall be applied in the majority of cases when considering licensing applications, but the licensing authority will consider each application on its individual merits and may, at times, allow exceptions to this policy. Where exceptions are made in this regard, vehicles shall be subject to three mechanical inspections each year.

9.0 REASONS FOR RECOMMENDATIONS

9.1 The vehicle does not comply with the standard criteria as stated in the Policy; therefore, the determination of the application rests with the Sub-Committee.

10.0 RECOMMENDATION(S)

- i) to grant the application.
- ii) to grant the application including additional conditions; or
- iii) to reject the application.

You, the new keeper, must ensure the vehicle is taxed before you drive it.

You will be fined if our records show that the vehicle is not taxed, insured or no Statutory Off Road Notification (SORN) has been made.

It's quick and simple to tax online at: gov.uk/vehicle-tax or tax at a Post Office® using this slip.

Declare the vehicle off road online at: gov.uk/make-a-sorn

You should receive your new V5C within 4 weeks of the registered keeper giving us your details.

If you do not receive your V5C, you'll need to fill in a V62 form to apply for a new one. Send it, with this slip, to DVLA, Swansea, SA99 1DD. Make sure the date of sale/transfer box is filled in.
