12 Mar 2024	Executive		Housing Enforcement Policy	Yes	The report will set out the detail of the proposed NYC housing enforcement policy, which is required in order for us to deliver our statutory duties in relation to housing standards in the private sector.	As this is based on statutory legislation, consultation has been undertaken in house with environmental health and enforcement officers across the legacy council areas who deliver the service, in addition to other environmental health colleagues regionally and nationally.	Consultation was undertaken initially as part of the LGR work streams. The policy has been developed based on the good practice of other authorities, through information sharing at regional and national meetings. A housing enforcement workshop was utilised to discuss the key points of the policy amongst all staff delivering housing enforcement. 					areas in relation to their policy approach and their interpretation and implementation of legislation. Whilst all areas are using the powers and flexibilities given within the legislation, there has been some variation in terms of scope of works undertaken along with differences in financial thresholds and parameters adopted. The report will outline how the policy seeks to draw together an interpretation of the mandatory elements of Disabled Facilities Grant (DFG) legislation and the discretionary elements of the RRO into a single published document. The report will therefore sets out the key recommendations for the policy and seek agreement to adopt the North Yorkshire Housing Assistance		had taken place with representatives from the LGR Housing work stream.
