					The statement is a mandatory part of the legislation linked to our current funding arrangements but must make clear reference to a document, written by West and North Yorkshire Chamber of commerce called the Learning Skills Improvement Plan (LSIP) and the key priorities of the council. This document is this year's version of a document approved for 2023-24 and our response is largely based upon the strategy for adult learning and skills engagement that we consulted on in July 2022 and just defines targets based on the LSIP and national skills requirements	external consultation is based upon work with local further education providers as part of the LSIP steering board, with colleagues from the combined authority as part of the work to shape the MCA skills strategy and with colleagues at Yorkshire Learning Providers.	the document must detail the key role the service plays in the adult education ecosystem, so consultation with these stakeholder groups is essential and will involve direct feedback on drafts of the document.
