

## NORTH YORKSHIRE LOCAL PENSION BOARD

### ANNUAL REPORT FOR PERIOD 1 APRIL 2021 TO 31 MARCH 2022

#### **Background**

In June 2014 the Government published a consultation “The Local Government Pension Scheme (Amendment) Regulations 2014: draft Regulations on scheme governance”. These Regulations were essentially a crystallisation of the governance arrangements framework set out in the Public Service Pensions Act 2013.

The Regulations required Administering Authorities to each establish a Local Pension Board by 1 April 2015, being a formal body constituted by North Yorkshire County Council (the Administering Authority for the North Yorkshire Pension Fund (NYPF)), and the Board to be operational by 1 August 2015.

The Terms of Reference for the Pension Board were drafted in February 2015 to comply with the draft Regulations and guidance, in consultation with the Chair and Vice-Chair of the Pension Fund Committee and the Assistant Chief Executive (Legal and Democratic Services). The document was approved by the Council on 18 February 2015.

The Pension Board was established and its membership developed, and it held its first meeting on 30<sup>th</sup> July 2015.

In April 2016, the LGPS Scheme Advisory Board (SAB) was established as a statutory body encouraging best practice, increasing transparency and co-ordinating technical and statutory issues at a national level. Alongside this the role of the Pensions’ Regulator had been extended to cover public sector schemes, and guidance has been introduced in the form of the Regulator’s Code of Practice 14, which includes the reporting of statutory and regulatory breaches, for example the late payment of contributions and the issue of Annual Benefit Statements after the statutory deadline.

#### **Role**

The role of the local Pension Board is defined by sections 5(1) and 5(2) of the Public Service Pensions Act 2013 as follows:

1. To assist the Council as Administering Authority in its role as Scheme Manager to:
  - secure compliance with the Local Government Pension Scheme (LGPS) regulations and any other legislation relating to the governance and administration of the LGPS;
  - secure compliance with the requirements imposed in relation to the LGPS by the Pensions Regulator;
  - secure the effective and efficient governance and administration of the LGPS for the Pension Fund
  - assist in such other matters as the LGPS regulations may specify
2. To provide the Scheme Manager with such information as it requires to ensure that any member of the Pension Board or person to be appointed to the Pension Board does not have a conflict of interest

It is not the role of the Pension Board to be involved in the day to day running of the NYPF.

The operation of the Pension Board is open and transparent, its meetings are open to the public and all required details relating to the Pension Board, including minutes of meetings, are on the North Yorkshire County Council website, together with recordings of the virtual, formal meetings, as these were broadcast live –

Alterations to the Terms of Reference allowed virtual, formal meetings to take place up to the cessation of the emergency regulations in May 2021. Following that the remaining meetings were held remotely, but informally, with any decisions made by the Chief Executive of the Administering Authority under his emergency powers, in consultation with the Board.

### **Terms of Reference**

A copy of the Board's Terms of Reference is attached at **Appendix 1**. The Terms of Reference, agreed by the Administering Authority in February 2015, are reviewed at least annually. The LGPS Pooling arrangements had previously been a major issue of consideration for the Pension Board. The NYPF was now committed to membership of the Border to Coast Pensions Pool, along with a number of other LGPS. The pool began operating in July 2018 and the Pension Board has been committed to scrutinising the governance arrangements for the pool.

### **Data Quality**

In line with the requirement introduced by the Pensions Regulator, to include each Fund’s data score in the annual return with effect from 2019, NYPF have submitted the following scores:

Common Data: 97.52%  
 Conditional Data: 94.95%

Data from previous years is also provided to enable a comparison:-

Year	Common Data Score	Conditional Data Score
2018	93.47%	85.26%
2019	94.37%	93.52%
2020	95.97%	96.97%

Common data is that set of data that is defined as necessary and applicable to all members of all schemes. This data is that required to identify scheme members. For example, surname, date of birth, national insurance number, address, etc. There are 10 data items listed by the Pensions Regulator as being classed as common data.

Conditional data is that set of data that is defined as additional detailed data required for the administration of a pension scheme. This data is dependent on scheme type, structure and system design. For example, employer, salary history, contributions, transfer in details, etc.

A suite of reports have been developed to enable the identification of data errors and calculation of the annual data score. These reports will form the basis of targeted data cleansing work.

A data improvement plan has been created to ensure quality and scores improve from year to year. Part of this plan is the ongoing rolling schedule of data quality checking and cleansing.

### **Conflicts of Interest**

The Board adopted a Conflicts of Interest Policy, attached as **Appendix 2**, at its inaugural meeting on 30<sup>th</sup> July 2015 and this is reviewed annually. The requirement to declare Conflicts of Interest is an item on every agenda for Board meetings. No conflicts were identified nor disclosed in the period to 31 March 2022.

### **Skills and Development Activities**

The Board adopted a Training Policy, attached as **Appendix 3**, at its inaugural meeting on 30<sup>th</sup> July 2015.

### **Pension Board self-assessment**

The Board's terms of reference and guidance from the Pension Regulator's Code of Practice 14 require that the Board undertakes a review of its effectiveness and the knowledge and skills of Board members.

In relation to this, questionnaires have previously been circulated to Board Members to provide an evaluation of skills and experience. Details have been fed back into the Board accordingly and an appropriate joint training plan with members of the Pension Fund Committee will be developed. Consideration is currently being given to the provision of a dedicated training package to encompass both bodies and has resulted in the introduction of the online training package, as detailed above.
