North Northallerton Bridge - update

1.0 Purpose of the Report

- 1.1 To keep Members informed of ongoing progress on the delivery of the Bridge at the North Northallerton Development

2.0 Update on the Bridge Delivery

- 2.1 Works to the bridge are now substantially complete although there remain some minor remedial items to be undertaken, including the installation of two light columns.
- 2.2 Confirmation is now being sought from Network Rail as to their sign off and approval for opening of the bridge to traffic.

3.0 Update on the Opening of full Link Road

- 3.1 Prior to the opening of the full route between the A167 and A684 the developers were required to arrange for a road safety audit of the completed scheme. This independent stage 3 audit was carried out on the 10 August, with North Yorkshire Police and officers from the local highway office in attendance.
- 3.2 The safety audit report and a response from the scheme designers is to be submitted to NYCC for review.
- 3.3 On receipt of these reports, NYCC will consider all recommendations from the audit team and if required instruct the developers to undertake further works prior to agreeing an opening date for the full through route between the A167 the A684.

4.0 Recommendation

- 4.1 The contents of the report are noted
