3.0 Local Transport Plan

- 3.1 The existing, and fourth, North Yorkshire Local Transport Plan (LTP) was adopted in 2016 and has been in place since. The LTP, which sets the policy and investment approach for highways and transport within the county, focusses on five key national policy objectives, within the local policy to manage, maintain and improve the county's transport network and facilities. Since that plan was adopted, there have been significant changes, in terms of social policy, but also technology and the wider transport industry, which mean that some of the content of the LTP requires updating. Whilst the LTP had a strategic horizon of 2040, the delivery plan for LTP4 was shorter term, and therefore it is appropriate, particularly in light of the wider contextual changes, to consider updating the LTP.
- 3.2 In a report presented to BES Exec in July 2022 it was recommended and agreed that a complete rewrite of the document should be progressed. Officers are now working with City of York Officers to devise a programme, including stakeholder engagement that will enable draft documents to be in place by May 2024, when Mayoral elections are anticipated. Department for Transport are producing guidance on LTP development and this is expected later this year or early next year. The LTP delivery team will be working closely with other teams across the authority including the Countryside Access team. The LAF will be a key stakeholder and once we have a timetable for stakeholder engagement we will give the members advanced warning and arrange to attend a LAF meeting.

4.0 Regional Forum

- 4.1 The last meeting of the Yorkshire Humber and North Lincolnshire Regional Access Forum was held on 7 September 2022. The draft Minutes will be circulated in due course.
- 4.2 The next meeting of the Regional Forum will be held at Leeds Civic Hall on a date to be confirmed.

5.0 Discretionary Restriction Notices

- 5.1 Since the last Forum meeting two notifications of discretionary '28 day' restrictions under Section 22 of the Countryside and Rights of Way Act 2000 have been received, and one withdrawal of a discretionary restriction under Section 22 of the Countryside and Rights of Way Act 2000.
