

North Yorkshire County Council
Thirsk & Malton Area Constituency Committee
30 September 2022
Appointments to Outside Bodies

1.0 Purpose of the Report

- 1.1 Further to the previous meeting the Area Constituency Committee is invited to complete the appointments to Category 2 Outside Bodies, on behalf of the County Council.

2.0 Background

- 2.1 At the previous meeting of the ACC appointments were made to Category 2 and 3 Outside Bodies(known as Local Bodies).
- 2.2 Appointments to Category 2 outside bodies were duly made, and are outlined in the minutes, apart from to the Safer Ryedale Delivery Team, with further information requested as to whether this body still meets. Unfortunately it has not yet been clarified whether meetings of this body are to recommence, therefore, it is proposed that an appointment be made to ensure there is a representative of NYCC able to attend, should these be re-instated.
- 2.3 There were a number of Category 3 appointments that required Members to make further enquiries before a nomination could be made, and these are outlined in Appendix A.

3.0 Term of Appointments

- 3.1 Past practice has been to appoint representatives to outside bodies to serve until the date of the subsequent County Council elections.
- 3.2 In accordance with 5.1, it is recommended below that the appointments now made to Category 2 outside bodies should be “to serve until the County Council elections in 2027”.
- 3.3 With regard to Category 3 outside bodies, the alternative is for the Area Constituency Committee to appoint for the term “until a replacement is appointed”.
- 3.4 Local Members are asked to provide, to Steve Loach, following today’s meeting, the contact details (ie, postal address, email address and phone number) of the local members of the community who the Area Constituency Committee appoints to Category 3 outside bodies. Such information is required for forwarding to the Secretary of the outside body.

4.0 Recommendation

- 4.1 That in respect of the Safer Ryedale Delivery Team, Category 2 outside body an appointment be made to ensure there is a representative of NYCC able to attend, should these be re-instated, to serve until the County Council Elections in 2027.
- 4.2 With regard to the Category 3 outside bodies listed at Appendix B, that the nominee for each vacancy, to be nominated at today's meeting by the relevant local Member, be appointed as the County Council's appointee on that outside body, to serve until a replacement is appointed.
