Selby and Ainsty Area Constituency Committee

Work Programme

Purpose of Report

That Members review the Committee's work programme, taking into account the outcome of discussions on previous agenda items and any other developments taking place across the area.

Work Programme

The Work Programme is attached at **Appendix 1** and takes account of the areas of work identified by the previous Committee. These items could be considered during 2022/23 by the new Committee and Members can prioritise these for consideration at future meetings. Members can also suggest new issues for consideration that can be placed into the Work Programme.
