

North Yorkshire County Council

Part II Local Government (Miscellaneous Provisions) Act 1976

NOTICE IS HEREBY GIVEN in accordance with section 45(3) of the Local Government (Miscellaneous Provisions) Act 1976 ('the 1976 Act'), that it is the intention of North Yorkshire County Council ('the Council'), to pass a resolution at a meeting of its Executive on the 7th February 2023 that the provisions of Part II of the 1976 Act (other than section 45) shall be adopted and shall apply within the county of North Yorkshire with effect from 1 April 2023.

In accordance with the North Yorkshire (Structural Changes) Order 2022, from 1 April 2023 the North Yorkshire Council will be the sole principal authority for North Yorkshire. The relevant predecessor district and borough councils (consisting of Craven, Hambleton, Harrogate, Richmondshire, Ryedale, Selby and Scarborough) previously resolved to adopt the provisions of Part II of the 1976 Act, which relates to the licensing of hackney carriages and private hire vehicles, drivers and operators.

The Council's intention is to adopt the provisions to take effect across whole of the Council area. The intended resolution will have the effect of confirming North Yorkshire Council as a 'controlled district' for the purpose of the 1976 Act.
