

North Yorkshire Council

Selby and Ainsty Area Constituency Committee

Work Programme

Purpose of Report

That Members review the Committee's work programme, taking into account the outcome of discussions on previous agenda items and any other developments taking place across the area.

Work Programme

The Work Programme is attached at **Appendix 1** and takes account of the areas of work identified previously. These items have been grouped into themes for possible consideration at themed meetings, Member working groups or task and finish groups. Members can also suggest new issues for consideration that can be placed into the Work Programme.

It is recommended that the new Committee regularly revisits the Work Programme to review areas that could be covered in forthcoming meetings with additional, relevant items identified by Members added to the Work Programme.
