Equality Impact Assessments (EIAs) are public documents. EIAs accompanying reports going to County Councillors for decisions are published with the committee papers on our website and are available in hard copy at the relevant meeting. To help people to find completed EIAs we also publish them in the Equality and Diversity section of our website. This will help people to see for themselves how we have paid due regard in order to meet statutory requirements.

How will you pay due regard? e.g. working group, individual officer	The Bradleys Both Neighbourhood Development Plan has been prepared and submitted by Bradleys Both Parish Council. Spatial Planning Officers have worked with Bradley Parish Council as part of the local planning authority’s duty to support those preparing neighbourhood plans. An EIA was produced in March 2022 and was provided as appendix 5 to the submitted Bradleys Both Neighbourhood Plan and can be viewed at Bradley North Yorkshire Council
When did the due regard process start?	15/05/2023

Section 1. Please describe briefly what this EIA is about. (e.g. are you starting a new service, changing how you do something, stopping doing something?)

All Development Plan Documents, including Neighbourhood Plans are accompanied by an Equalities Impact Assessment (EIA) to ensure that planning policies do not unlawfully discriminate against any protected characteristic.

Section 2. Why is this being proposed? What are the aims? What does the authority hope to achieve by it? (e.g. to save money, meet increased demand, do things in a better way.)

The Localism Act 2011 introduced new powers for people, including Parish Councils to make neighbourhood plans for their local areas, putting in place a strategy and policies for the future development of their areas. Once made/adopted a Neighbourhood Plan forms part of the statutory development plan for the area, which means that local planning authorities and planning inspectors considering planning applications or appeals must make their decisions in accordance with the policies of the development plan for the area, unless material considerations indicate otherwise.

The EIA prepared and submitted with the Bradleys Both Neighbourhood Plan assesses whether the planning policies included within the plan do not unlawfully discriminate against any protected characteristic. [Bradley | North Yorkshire Council](#)

Section 3. What will change? What will be different for customers and/or staff?

If the submitted Bradleys Both Neighbourhood Plan is successful at referendum and then made/adopted it will be used consider planning applications and appeals, as described above.

Section 4. Involvement and consultation (What involvement and consultation has been done regarding the proposal and what are the results? What consultation will be needed and how will it be done?)

The submitted Bradleys Both Neighbourhood Plan and associated documents including the EIA submitted as appendix 5 to the Bradleys Both Neighbourhood Plan has been subject to a period of public consultation as required by The Neighbourhood Planning (General) Regulations 2012 (as amended).

Further details about public consultation that has been carried out by the Parish Council on the draft Bradley's Both Neighbourhood Plan is provided in the EIA to the Bradleys Both Neighbourhood Plan, submitted as appendix 5.

Section 5. What impact will this proposal have on council budgets? Will it be cost neutral, have increased cost or reduce costs?

The Localism Act requires the local planning authority to pay for the local referendum and examination in respect of a neighbourhood plan. The Department for Levelling Up Housing and Local Communities (DHULC) provides financial support for neighbourhood planning in the form of a Neighbourhood Planning Grant (NPG). The NPG will be used to fund the referendum for the Bradley Neighbourhood Plan.
