School Admission Arrangements for the School Year 2022/23

Report of the Corporate Director – Children and Young People’s Service

| | |
|------------|--|
| 1.0 | Purpose of Report |
| 1.1 | To seek views from Members on the response to the proposed admission arrangements for Community and Voluntary Controlled schools for the school year 2022/23 and to seek approval for recommendation to the County Council for determination. |

2.0 Background

- 2.1** As the Admission Authority for all Community and Voluntary Controlled schools in North Yorkshire, the local authority consults annually on admission arrangements. The local authority is currently required to determine its admission arrangements, which includes admissions policy and admission limits, annually by 15 April each year. When changes are proposed to admission arrangements, all admission authorities must consult by 1 March. Where the admission arrangements have not changed from the previous year there is no requirement to consult, subject to the requirement that admission authorities must consult on their admission arrangements at least once every seven years, even if there have been no changes during that period.
- 2.2** Consultation must last for a minimum of six weeks and take place between 1 October and 31 January in the determination year. This means that schools are consulted in the autumn term each year for admissions nearly two years later. The process is therefore, based to some degree on schools’ best estimates of the numbers of requests for places informed by the local authority’s forecasting model, which takes into account the patterns of parental preference over the years. Since the Council is the only body that may determine the matter, it falls to the Council in February each year.
- 2.3** The Education (Relevant Areas for Consultation on Admission Arrangements) Regulations 1999 (SI 1999 No. 124) require local authorities to determine relevant areas for consultation on admission arrangements. The relevant areas for schools maintained by North Yorkshire County Council are as follows:
- For Community and Voluntary Controlled Schools, the relevant area for consultation is the entire County of North Yorkshire, plus the City of York and the area of Bradford Metropolitan Authority served at secondary level by South Craven School.
- For Voluntary Aided, Foundation, Trust Schools and Academies the relevant area for consultation is North Yorkshire County Council and admission authorities within a radius of 3 miles of the school, including admission authorities in neighbouring local authority areas.
- It is proposed that relevant areas for consultation remain unchanged.
- 2.4** Consultation has taken place with the headteachers and governors of three Nursery Schools, 304 Primary schools (99 Community, 89 Voluntary Controlled (VC), 26 Voluntary Aided (VA), 70 Converter Academy Schools, 17 Sponsored Academy schools, two Free Schools and one Foundation Trust). The local authority also consulted 43 Secondary schools (16 are Community,

three Voluntary Aided (VA), 16 Converter Academy Schools 7 Sponsored Academy Schools and one Free School), parents and other groups in the local area, the 13 neighbouring authorities, and with the relevant diocesan authorities. The consultation took place between 16 October and 4 December 2020 and was published on the NYCC website; all schools are asked to display a poster promoting the consultation and providing a link to the consultation and giving details of how to obtain a hard copy of the consultation documents. We also undertook a social media campaign with the aim of promoting the consultation more widely to raise awareness and give people an opportunity to engage.

- 2.5** At the closing date of 4 December 2020 a total of 219 responses (all of which were from schools) had been submitted. The majority of responses were in respect of the published admission numbers (PAN). Any Member wishing to see the detail of a response from a school in their area may do so by contacting the Admissions Team at schoolorganisation@northyorks.gov.uk
- 2.6** Schools were asked to express their agreement or otherwise with the proposals relating to their own proposed Published Admission Number (PAN), the proposed admissions policy for Community and Voluntary Controlled schools, the proposed admissions policy for Nursery schools and classes, pre-reception classes and pre-schools under school governance, and the proposed In-Year Fair Access Protocol. In addition, they had the opportunity to make any other comments. Not all school respondents commented on every proposal within the consultation.
- 2.7** As in previous consultations we have again found that many consultees simply respond to the agree/disagree questions. In an effort to encourage greater interaction with the wider range of consultees, all respondents were asked to put forward comments on any aspect of the consultation. The Local Authority received no comments.
- 2.8** There are three key areas to the consultation, details of which are set out below:

3.0 Admission Policy

- 3.1** Admissions policy (criteria for determining admissions where schools are oversubscribed):

The proposed admission policy for community and voluntary controlled schools, and the proposed policy for nursery schools and schools with nursery and pre-reception classes remain unchanged from 2021/22 arrangements.

- 3.2** Responses to the proposed Admission Policy for Community and Voluntary Controlled Schools.

A total of 219 schools responded. No comments were received regarding the proposed policy.

- 3.3** Responses to the proposed Admission Policy for Nursery Schools, Schools with Nursery and Pre-reception classes. A total of 219 schools responded. No comments were received regarding the proposed policy.

4.0 Published Admission Numbers (PAN)

- 4.1** The proposed Published Admission Numbers (PAN's) for 2022/23 are attached at appendices 5 and 6. The County Council sets the admission limits of Community and Voluntary Controlled schools in consultation with the governing body of the school.
- 4.2** An own admission authority school (Voluntary Aided, Foundation, Trust Schools, Academies or Free Schools) is not required to include a proposal to increase or keep the same admission number in any consultation on admission arrangements. Conversely, all admission authorities must consult if they propose a decrease in PAN. As the admission authority for a community or voluntary controlled school the local authority **must** consult the governing body of each school whether it proposes to increase, decrease or keep the same admission number. Community and Voluntary Controlled

schools have the right to object to the Schools Adjudicator if the PAN set for them is lower than they would wish.

- 4.3 The Authority has consulted with the governing bodies of all community and voluntary controlled schools as part of this annual consultation process. There are 204 Community and Voluntary Controlled schools of which 119 agreed, 14 requested a PAN change and 71 schools didn't respond. Of the 14 requesting a change the authority has been able to agree eight of them. Subsequent discussions have been held with those schools' whose requests couldn't be accommodated.
- 4.4. The local authority is responsible for school place planning across the whole of the county and must ensure that there are sufficient school places for every child of statutory school age. This means that schools cannot be considered in isolation and the wider impact of any reduction change in admission numbers must be taken into consideration.

5.0 Co-ordinated Admission Arrangements

- 5.1 All admission authorities must participate in co-ordination and provide the local authority with the information it needs to co-ordinate admissions for the normal admission rounds by the dates agreed within the scheme. There is no longer a mandatory requirement that local authorities undertake in-year co-ordination on behalf of all schools within their area and in liaison with their neighbouring LA's. This does not mean that local authorities cannot propose to continue to do so within their own local area. The Co-ordinated Admission Arrangements Scheme (Appendix 3) proposes the retention of in-year co-ordination of admissions by the local authority. As the number of own admission authority school's increases parents may find it increasingly difficult to navigate a system which is fragmented in terms of numbers of admission authorities, proliferation of different admissions criteria and a lack of clarity about where accountability sits for securing their rights.
- 5.2 It is proposed that within North Yorkshire the local authority will continue to co-ordinate in-year admissions for all community and voluntary controlled schools. In order for the scheme to operate effectively across all schools, including own admission authority schools, it is proposed that the local authority will also continue to co-ordinate in-year admissions on behalf of the governing bodies of own admission authority schools which elect to be party to the scheme. It is considered that as the admission authority for community and voluntary controlled schools the local authority should retain responsibility for in year co-ordination within these schools and in the interests of parents and children it is proposed to continue to deal with in year admissions for all own admission authority schools which request us to do so.
- 5.3 The School Admissions Code states that 'local authorities must, on request, provide information to a parent about the places still available in all schools within its area. Any parent can apply for a place for their child at any time to any school outside the normal admission round.
- 5.4 Own admission authority schools must, on receipt of an in-year application, notify the local authority of both the application and its outcome, to allow the local authority to keep up to date figures on the availability of places in the area.
- 5.5 Of the 219 school respondents, no schools made comment in respect of the proposed arrangements. No responses have been received from any of North Yorkshire's neighbouring LA's.

6.0 In-Year Fair Access – Protocol – Update

- 6.1 The authority changed the in-year Fair Access Protocol last year. We have now been able to implement this protocol for secondary schools and have developed Fair Access Panels which are working well and children who are hard to place are now gaining access to appropriate provision in a more timely fashion.

6.2 The protocol submitted for your consideration has been amended slightly to now include primary schools and we are working in the development of Fair Access Panels that will assist in the placement of hard to place primary school pupils in a similar way to secondary school pupils.

7.0 Selection Update – Changes to the Selective Testing Process

7.1 From September 2019, there was a change to the selection testing scheme operated by the Local Authority to determine eligibility for selective education at Ripon Grammar School and Ermysted's Grammar School. We reduced the testing process to one day. The subsequent reduction in time and staffing required to carry out the selection scheme will reduce our future costs. As part of these discussions, Ermysted's Grammar School consulted on their own testing arrangements and carried out their own testing in October 2020. This again further reduces the burden on the local authority in future years both administratively and financially.

7.2 The authority will continue to review the future arrangements for selective testing and the associated expenditure.

8.0 General Comments

8.1 All schools were given the opportunity to submit any general comments in relation to the consultation, the majority of schools did not do so.

9.0 Legal Implications

9.1 The consultation on proposed admissions arrangements for 2022/23 is in accordance with the requirements of the School Admissions Code 2014 and associated legislation. Failure to comply with admission arrangements as determined can lead to challenge by way of objections to the Schools Adjudicator or complaints to the Local Government Ombudsman.

9.2 The authority has considered that if the recommendations are accepted they have universal application, and therefore no adverse impacts upon any person or groups who have protected characteristics under the Equality Act 2010.

10.0 Recommendations

- 10.1** That the proposed Admission Arrangements be recommended to the County Council for approval on 17 February 2021 these include:
- i) the proposed admission policy for community and voluntary controlled schools; and
 - ii) the proposed admission policy for nursery schools, schools with nursery classes and pre-reception classes, appendices 1 & 2.
 - the proposed co-ordinated admission arrangements appendix 3
 - the proposed In-Year Fair Access Protocol appendix 4
 - the proposed published admission numbers (PAN's) for community and voluntary controlled schools as shown in appendices 5 (Primary) and 6 (Secondary)

ADMISSIONS POLICY FOR COMMUNITY AND VOLUNTARY CONTROLLED SCHOOLS FOR THE SCHOOL YEAR 2022/23

All governing bodies are required by section 324 of the Education Act 1996 to admit to the school a child with an Educational Health and Care Plan (EHCP) that names the school. This is not an oversubscription criterion. This relates only to children who have undergone statutory assessment and for whom a final Educational Health and Care Plan has been issued.

If the number of applications exceeds the Published Admission Number (PAN), after the admission of children where the school is named in the Education Health and Care Plan the following oversubscription criteria will apply:

| ORDER OF PRIORITY: | Notes: |
|---|--|
| <p><u>Priority Group 1:</u></p> <p>Looked after children and all previously looked after children for whom the school has been expressed as a preference. Previously looked after children are children who were looked after, but ceased to be so because they were adopted¹ or became subject to a child arrangement order² or special guardianship order.</p> | <p><i>This applies to all looked-after children, including those who are in the care of another local authority or being provided with accommodation by a local authority in the exercise of their social services function at the time of making an application.</i></p> <p><i>In the case of previously looked after children, a copy of the relevant documentation will be required in support of the application.</i></p> <p>¹<i>This includes children who were adopted under the Adoption Act 1976 and Children who were adopted under the Adopted & Childrens Act 2002.</i></p> <p>²<i>Child Arrangement Orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a Child Arrangement Order.</i></p> |
| <p><u>Priority Group 2:</u></p> <p>Children who appear to the Admissions Authority to have been in state care outside of England and cease to be in state care as a result of being adopted.</p> | <p><i>A child is regarded as being in state care outside of England if they were accommodated by a public authority, a religious organisation or any another provider of care whose sole purpose is to benefit society.</i></p> |
| <p><u>Priority Group 3:</u></p> <p>Children the Authority considers have special social or medical reasons for admission.</p> | <p><i>We will only consider applications on social or medical grounds if they are supported by a professional recommendation from a doctor, social worker, or other appropriate professional. The supporting evidence should set out the particular social or medical reason(s) why the school in question is the most suitable school and the difficulties that would be caused if the child had to attend another school.</i></p> <p><i>Panels of professionally qualified people will consider all applications made under priority group 2.</i></p> |
| <p><u>Priority Group 4 :</u></p> <p>Children living within the normal area of the school.</p> | <p><i>Refer to tie break</i></p> |
| <p><u>Priority Group 5:</u></p> <p>Children of staff at the school.</p> | <p><i>Priority in this oversubscription criteria is given in either or both of the following circumstances:</i></p> <ul style="list-style-type: none"> <i>a) Where a member of staff has been employed at the school for more than two years at the time when the admission to the school is made,</i> <i>and/or</i> <i>b) the member of staff has been recruited to fill a demonstrable skill shortage.</i> |
| <p><u>Priority Group 6:</u></p> <p>Children living outside the normal area of the school.</p> | <p><i>Refer to tie break</i></p> |

Children in higher priority groups will be offered places ahead of those in lower priority groups (priority group 1 being the highest and priority group 6 being the lowest). All applications within each priority group will be

considered equally (i.e. all applications, regardless of order of preference).

Tie break:

If there are not enough places for all the children in one of these priority groups, we will give priority first to those with a sibling at the school in September 2022 (in all cases sibling refers to brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent / carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling) and then to those living nearest the school.

If within a priority group there are not enough places for all those with a sibling at the school in September 2022, we will give priority to those children with a sibling living nearest the school.

All distance measurements are based on the nearest route recognised by the County Councils electronic mapping system from a child's home address to school. The measurement is made from a fixed point within the dwelling, as identified by Ordnance Survey, to the nearest school entrance using footpaths and roads. The routes measured to determine the allocation of school places will be those recognised by the electronic mapping system used by the school admissions team.

If the distance tie-break is not sufficient to distinguish between applicants in a particular priority group a random allocation will be used.

RANDOM ALLOCATION PROCEDURE

Random allocations are necessary where:

1. There is more than one applicant ranked equally according to the published admission rules and there are insufficient places available to allocate all of the equally ranked applicants
2. This occurs where applicants are equidistant from a school because the usual method of measuring distance to the school results in two unrelated applicants having the same distance measurement. Each random allocation event only holds for the allocation of the currently available school place. On any waiting list the remaining applicants remain equally ranked and any further place is offered as the result of a further random exercise. In making a random allocation it is important that there is scrutiny from a person who is not involved in the allocation process.

DEFINITION OF ROLES

Independent Scrutineer (IS) – this is a person who ensures the process is carried out in a correct and transparent way. The IS must be independent of the school for which the allocation is to be made and also must be independent of the Council's Admissions and Transport team.

Admissions Officer (AO) – this is an officer from the Council's Admissions and Transport team who is responsible for carrying out the administration of the random allocation procedure and recording the results, under the scrutiny of the IS.

Person who makes the draw (P) – this must be a person independent of the school for which the allocation is to be made and must be a person who is not part of the Council's Admissions and Transport team.

PROCESS TO BE FOLLOWED – N.B. This entire process is to be carried out in sight of, and under the scrutiny of, the IS

1. The AO allocates each pupil to be included in the draw a number and records it on the 'Random Allocation Cross Reference Sheet'. This is placed in a sealed envelope.
2. The AO prepares as many equal sized pieces of white paper as are necessary, which are numbered consecutively.
3. The AO folds each numbered sheet and seals them in identical envelopes, i.e. envelopes with no visibly identifiable differences.
4. The AO shuffles the envelopes and hands them to P who shuffles the envelopes again, picks one envelope and opens it.
5. The AO records the first number drawn on the 'Random Allocation Record sheet'.
6. If more than one place can be offered they continue to draw envelopes and record numbers until all of the available places are allocated.
7. The AO then opens the previously sealed envelope containing the 'Random Allocation cross reference sheet' and records the numbers drawn on the 'Random Allocation cross reference sheet', marking clearly which child(ren) has(have) been allocated a place and which have not.
8. Once the process has been completed, the AO, IS and P should sign and date both the 'Random Allocation Record sheet' and the 'Random Allocation cross reference sheet' in order to certify that the procedure has been carried out correctly.

We may be able to meet your preference for a place at a school that does not serve the local area you live in. In this case, you will normally be responsible for travel arrangements and the costs of your child's travel to and from school.

LOCAL ARRANGEMENTS:

Scarborough area - Graham School - For priority group 4 applications (that is, children living within the normal area covering the school), priority will be given as follows:

- a) Children living in the area normally served by East Ayton Community Primary School and the area west of Scalby Road from Lady Edith's Drive to Scalby Beck.
- b) Children who will have an older sibling at the school of their choice.
- c) Children who live nearest to the school of their choice.

Scalby School - For priority group 4 applications (that is, children living outside the normal area of the school), priority will be given to children who live in the areas normally served by East Ayton Community Primary School and the area west of Scalby Road from Lady Edith's Drive to Scalby Beck and who:

- a) will have an older sibling at Scalby School at the start of the term when the younger sibling starts school;
or
- b) would have to make the longest journey to another school without them becoming eligible for help with travel costs from us under the local authority transport policy.

Selby area - Brayton Academy and Selby High School – For the purposes of admissions for priority group 4 children a distinction is drawn between those who live in Selby rural area and Selby town area. Each school, Brayton Academy and Selby High, has its own designated rural area and the two schools are jointly the normal schools for the Selby town area. Places will be offered, within priority group 4, to children from the individual rural area associated with each school before those in the town area, using the tie break elements of the Admissions policy for community and voluntary controlled schools for the school year 2022/23 where necessary.

Ripon Grammar School - Ripon Grammar School is a designated grammar school,¹ this means that the school is permitted to select its entire intake on the basis of high academic ability². The school does not have to fill all of its places if applicants have not reached the required standard. Ripon Grammar School offers 103 day places and 14 boarding places.

As a maintained boarding school Ripon Grammar School may take boarders as well as day pupils. Maintained boarding schools can set separate admission numbers for day places and boarding places. A maintained boarding school can interview applicants to assess suitability for boarding, but such interviews **must** only consider whether a child presents a serious health and safety hazard to other boarders or whether they would be able to cope with and benefit from a boarding environment. To help with this assessment, they may also use a supplementary information form, and information provided by the previous school and by the child's home local authority (on safeguarding issues).

Boarding schools **must** give priority in their oversubscription criteria in the following order:

- a. looked after children and previously looked after children;
- b. children of members of the UK Armed Forces who qualify for Ministry of Defence financial assistance with the cost of boarding school fees;
- c. children with a 'boarding need', defined by Ripon Grammar School as follows:
 - i. Children at risk or with an unstable home environment and children of service personnel who have died while serving or who have been discharged as a result of attributable injury; or
 - ii. Children of key workers and Crown Servants working abroad, e.g. the children of charity

¹ As designated by the Education (Grammar School Designation) Order 1998 (SI 1998/2219). Where a designated Grammar School converts to become an Academy, the Academy is permitted to continue selecting their entire intake: Section 6(3) of the Academies Act 2010.

² Section 104 of the School Standards and Framework Act

workers, people working for voluntary service organisations, the diplomatic service or the European Union, teachers, law enforcement officers and medical staff working abroad whose work dictates that they spend much of the year overseas.

DEFERRED APPLICATIONS FOR INFANTS

Admission authorities **must** provide for the admission of all children in the September following their fourth birthday.

Parents offered a place in reception for their child have a right to defer the date their child is admitted, or to take the place up part-time, until the child reaches compulsory school age. Places cannot be deferred beyond the beginning of the final term of the school year for which the offer was made.

Children reach compulsory school age on the prescribed day following their 5th birthday (or on their fifth birthday if it falls on a prescribed day). The prescribed days are 31 August, 31 December and 31 March.

SUMMER BORN CHILDREN

Children born in the summer term are not required to start school until a full year after the point at which they could first have been admitted – the point at which other children in their age range are beginning year 1. As noted above, school admission authorities are required to provide for the admission of all children in the September following their fourth birthday, but flexibilities exist for children whose parents do not feel they are ready to begin school at this point.

If you feel that your summer born child is not ready to start school in the September following his/her fourth birthday, you should still submit your application for your child's normal age group at the usual time and at the same time submit a request for admission out of the normal age group directly to the local authority. You will be advised of the outcome of your request for delayed entry prior to the primary national offer date of 19 April 2022.

The DfE has issued non-statutory guidance, "Advice on the Admission of summer born children", which can be accessed via <https://www.gov.uk/government/publications/summer-born-children-admission>

The DfE guidance states that:

- 'It is reasonable for admission authorities to expect parents to provide them with information in support of their request – since without it they are unlikely to be able to make a decision on the basis of the circumstances of the case. This should demonstrate why it would be in the child's interests to be admitted to reception rather than year one.
- In some cases parents may have professional evidence that it would be appropriate for them to submit, for example, when a child receives support from a speech and language therapist. However, there should be no expectation that parents will obtain professional evidence that they do not already have. Admission authorities must still consider requests that are not accompanied by professional evidence. In such cases the supporting information might simply be the parent's statement as to why they have made their request.'

If your request is agreed, your application for the normal age group may be withdrawn before a place is offered. If your request is refused, you must decide whether to accept the offer of a place for the normal age group, or to refuse it and make an in year application for admission to year one for the September following your child's fifth birthday.

Where your request is agreed, you must make a new application as part of the main admissions round the following year.

ADMISSION OF CHILDREN OUTSIDE THEIR NORMAL AGE GROUP

The School Admission Code states that 'Parents may seek a place for their child outside of their normal age group, for example, if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to reception rather than year 1.'

When such a request is made, the local authority will make a decision on the basis of the circumstances of the case and in the best interests of the child concerned, taking into account the views of the headteacher and any supporting evidence provided by the parent. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their

normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. The local authority will notify parents in writing of the outcome of their request setting out the reasons for their decision. Parents have a statutory right to appeal against the refusal of a place at a school for which they have applied. This right does not apply if they are offered a place at the school but it is not in their preferred age group.

**ADMISSIONS POLICY FOR COMMUNITY AND VOLUNTARY CONTROLLED
NURSERY SCHOOLS, NURSERY CLASSES, PRE-RECEPTION CLASSES AND SCHOOL
RUN PRE SCHOOLS UNDER SCHOOL GOVERNANCE
FOR THE SCHOOL YEAR 2022/23**

All governing bodies are required to admit to the school a child with an Educational Health & Care Plan (EHCP) that names the school. This is not an oversubscription criterion. This relates only to children who have undergone statutory assessment and for whom a final Education Health & Care Plan has been issued.

Where the number of applications exceeds the number of places the Governing Body will use the following oversubscription criteria to prioritise applications.

| ORDER OF PRIORITY: | <i>Notes</i> |
|--|--|
| <p><u>First Priority</u></p> <p>Looked after children and all previously looked after children for whom the school has been expressed as a preference. North Yorkshire
County Council

2022/23
CO-ORDINATED ADMISSION
ARRANGEMENTS

Introduction

The aim of the North Yorkshire Coordinated Primary and Secondary School Admissions Scheme is to provide an open and fair way for considering parental preferences for admission to schools. Our scheme complies with current legislation relating to school admissions and with advice contained in the Department for Education 2014 School Admissions Code.

The scheme is reviewed annually and is designed to ensure that every child living in North Yorkshire, who is due to start at a North Yorkshire primary school, or transfer to junior or secondary school, is offered a single school place on the same day. It aims to ensure that each parental preference is considered equally and parents receive a school place in accordance with their highest ranked preference which is available. This scheme applies to admissions in the normal round but not those that take place in-year. In-year admissions are those made during the school year and applications for admission to age groups other than the normal year of entry.

North Yorkshire Local Authority (LA) will work with Community, Voluntary Controlled, Voluntary Aided, Foundation, Trust primary and secondary schools and Academies including Free Schools within North Yorkshire, to ensure the co-ordinated scheme operates as smoothly as possible for parents and we will work closely with our thirteen neighbouring authorities to ensure admission arrangements are co-ordinated. Our 13 neighbouring admission authorities, Voluntary Aided, Foundation, Trust schools and Academies are listed at Appendix 3 and Appendix 4.

After consideration of all parental preferences for all schools with reference to the order in which these are ranked, the LA will notify parents living within North Yorkshire of the offer of one school place on behalf of all admission authorities operating within the co-ordinated admissions scheme.

The detailed arrangements and timetables for co-ordinating school admission with the separate arrangements for secondary and primary schools can be found at Appendices 1 and 2.

Arrangements for In Year admissions can be found at page 25 of this co-ordination document. This document is also available on our website at www.northyorks.gov.uk/admissions

The website includes information about:

- The operation of our admissions schemes for all North Yorkshire Community and Voluntary Controlled schools;
- The timescales and timetables for each admission process;
- The number of allocations made at each school in the previous school year;
- The number of schools that were oversubscribed resulting in parental appeals and the numbers and outcome of these appeals. This information about allocations and appeals should help parents to assess realistically their likelihood of obtaining a place at their preferred schools.

Co-ordination

1. The scheme does not affect the duty of the governing bodies of Academies including Free Schools, Voluntary Aided, Foundation and Trust schools to determine their own admissions policies.
2. We will receive information of children expressing preferences for our Community, Voluntary Controlled, Voluntary Aided, Foundation and Trust Schools and Academies including Free Schools from neighbouring LAs, which we will process as part of our co-ordinated arrangements along with those for North Yorkshire children.
3. Parents requesting literature on Voluntary Aided, Foundation, Trust schools or Academies including Free Schools or non-North Yorkshire schools will be referred to the appropriate school or admissions authority. Where non-North Yorkshire parents complete our form in error, we request that parents submit a further form through their home authority.
4. We will receive complete ranked lists of all preferences from North Yorkshire Voluntary Aided, Foundation, Trust schools and Academies including Free Schools as well as lists from neighbouring Local Authorities of children to whom they can offer places. We will produce lists of children to whom we can offer places at our Community and Voluntary Controlled Schools. We will inform our neighbouring LAs which of their children can and cannot be offered places at any of our schools.
5. Having received information from other admissions authorities we will allocate places to children living in our area according to the highest ranked preference for which a place is available.
6. Where we cannot meet any of the parental preferences expressed for a North Yorkshire child we will allocate a place at an alternative school with places available after all those preferencing the school have first been allocated a place. This may or may not be the local school and may be some distance from their home.
7. Supplementary Information Forms may need to be completed by parents applying for Voluntary Aided primary or secondary schools or Academies including Free Schools.

Admissions Co-ordination 2022/23

The number of schools as at October 2020

Secondary

North Yorkshire's co-ordinated admissions scheme applies to 3 Voluntary Aided Secondary Schools, 16 Community Secondary schools, 23 Academies, and 1 Free School UTC

Primary

1 Foundation Primary, 87 Academy, 26 Voluntary Aided Primary Schools, 188 Voluntary Controlled and Community Primary Schools and 2 Free Schools.

We co-ordinate with 4 Diocesan Authorities and 13 Neighbouring Authorities.

On line applications for school places can be made by logging on to our website at www.northyorks.gov.uk/primaryadmissions or www.northyorks.gov.uk/secondaryadmissions.

Applying for a Primary, Infant, Junior or Secondary School Place

8. Parents can list up to 5 schools in order of preference. Parents should consider including their local/catchment school as one of their preferences because if we are unable to meet a higher preference and their local/catchment school is oversubscribed, we will give children a place at the nearest school with places available which may be some distance from their home.
9. If parents name a school other than their catchment area school, they will be responsible for transport under the terms of the Home to School Transport Policy.

Late Applications

10. Any Common Application Form for school places received after the closing date of 31 October 2021 for secondary schools and 15 January 2022 for primary schools will be considered as a late application unless a reason has been provided that is acceptable to us as the admission authority. Late applications whose reasons have been agreed will be considered along with applications received on time.
11. Applications received on or after 1 March 2022 for secondary schools or 19 April 2022 for primary schools will be co-ordinated using the same arrangements and criteria as previous applications. The offer of a school place will be made in accordance with our agreed and published scheme. However applications received after the first day of the school year will be considered as in-year applications.
12. No changes can be made to applications for secondary schools after the 19 December 2021 and to primary applications after 21 February 2022. This includes any changes of address. Any applications received after these dates will only be processed after the allocations dates of 1 March 2022 for secondary applications and 19 April 2022 for primary applications.

The Offer of a Place

13. No places will be held in reserve for any school.
14. We will contact all parents of North Yorkshire children on 1 March 2022 for Secondary Schools and on the 19 April 2022 for Primary, Infant and Junior Schools, notifying them of the single school place allocated to their child or children.
15. The place offered could be at one of our Community or Voluntary Controlled schools, Voluntary Aided, Foundation, Trust schools or Academies including Free Schools within North Yorkshire or a school in an area served by another LA.

Appeals

16. Where we have been unable to offer a school place listed as a higher preference, parents will be offered the statutory right of appeal against the decision.
17. In such circumstances the offer letter or email will give the reasons why we have been unable to allocate their other stated preferences. Where the statutory right of appeal is the responsibility of North Yorkshire LA we will inform the parents where the appeal forms can be located on the NYCC website.
18. Where the responsibility is that of another admissions authority, we will advise parents to contact them to confirm appeal arrangements.
19. Where the LA has multiple appeals for one school these will be grouped appeals unless the authority decides that this would not be appropriate.
20. Parents who have been refused a place at a North Yorkshire school by their home authority will be informed that they should contact us to discuss the appeals process.
21. The outcome of successful admission appeals will lead to further modifications to the original allocation. These changes must again be communicated to other admission authorities (and theirs to us) to enable all authorities to make final adjustments to the allocation.
22. Once appeals have been completed we will communicate with all the schools within our boundary to ensure that they have a correct and up-to-date allocation list.

Waiting Lists

23. A waiting list will be maintained for all oversubscribed Community, Voluntary Controlled, Voluntary Aided, Foundation, Trust Schools and Academies including Free Schools until 31 December 2022. Each child added will require the list to be ranked again in line with the published oversubscription criteria.
24. The LA requires the governing body of Voluntary Aided, Foundation, Trust Schools and Academies including Free Schools to update us when places become available unless

the LA are maintaining the schools waiting list on their behalf. The co-ordination regulations require that any offer of a school place must always be made by the LA.

25. Where places become available they will be allocated from the waiting list in accordance with the published oversubscription criteria. The school admissions team will offer the place to the child at the top of the waiting list. Parents will have five working days to reply before the place is offered to another child. If North Yorkshire Council, after using all advised contact details, is unable to contact a successful applicant to offer a place, the available place will be offered to the next child who qualifies for that place from the waiting list. The authority will confirm, in writing, that your child has been removed from the waiting list. Should you wish for your child (ren) to be placed back on the waiting list you would need to notify the LA in writing. It is the applicant's responsibility to keep the authority informed of updated contact and address details.
26. If you change address whilst your child is on a waiting list, you need to send evidence of your new address. If your new address affects your child's position(s) on any waiting list(s), then they will be changed accordingly.
27. Where we are able to offer a place to a non-North Yorkshire child from the waiting list we will liaise with their home authority.

Secondary Transfer Scheme 2022/23

28. The secondary scheme enables parents living within North Yorkshire whose children are transferring to secondary school to complete a single application either on-line or in paper form.
29. The parents of Year 6 children who will be Year 7 in September 2022 will be informed by letter via their child's primary school that they will need to apply on-line for a school place. They can express up to 5 preferences for admission to any Community, Voluntary Controlled, Voluntary Aided, Foundation, Trust schools and Academies including Free Schools both within North Yorkshire and neighbouring LA areas, giving reasons for their preferences where appropriate.
30. Parents without internet access will be informed that they will need to contact the admissions team for a paper copy of the common application form to enable them to apply for a school place for their child.
31. Parents will be informed that supplementary information may also be requested by Voluntary Aided, Academies including Free Schools or non-North Yorkshire schools, in order for the school to apply their oversubscription criteria.
32. Common application forms will be required for all transfers at Year 7. Applications for any other year group, apart from the normal year of entry (Year 7) will be dealt with as in-year applications.
33. Parents must return their applications by the closing date of 31 October 2021.

34. Parents will not be allowed to change their preferences after 31 October 2021 without a reason that is acceptable to the admission authority.
35. Parents who wish their children to attend independent schools will be encouraged to tell us. Independent schools are not included in the co-ordinated arrangements. These parents may also wish to apply for a place at a North Yorkshire school.
36. If parents living outside of North Yorkshire enquire about our schools they will be directed to the North Yorkshire County Council website. Parents will be advised to complete a common application form for their home authority.
37. On the common application form parents will need to provide their child's name and residential address. The address provided must be where the child lives permanently. If residency is split, the address provided should be the place where the child lives for the majority of the school week (Monday to Friday). Confirmation and agreement in writing by both parents will be required.
38. The offer of a single school place will be made on 1 March 2022 and allocation emails will be sent on that date. For those who have completed a paper application or requested a letter, letters will be sent on that date by second class post.
39. We will offer a place at a North Yorkshire school even if parents have not completed a common application form because we have a duty to ensure a school place is available for every North Yorkshire child.
40. Parents who do not wish to accept a place at a school offered to them must notify the admission authority as soon as possible in writing advising the LA of the alternative provision that is being made. Without this information the place will remain allocated.
41. The timetable for secondary school admissions is attached at Appendix 1 of the Co-ordinated Admissions Arrangements, Secondary Transfer 2022/23.

Selection

42. There are 3 selective grammar schools within North Yorkshire; a Voluntary Aided boys' school, a mixed co-educational school and a girls' school which has Academy Trust status.
43. If a child is entered for selection testing, parents must make sure that they name the selective school they would like them to attend on the common application form.

Skipton Selection

44. Places will normally be provided at Ermysted's Grammar School for boys who are deemed suitable for a grammar school education in accordance with the agreed selection scheme and who live in the area served by the primary schools in Beamsley, Bradley, Burnsall, Carleton, Cracoe, Embsay, Gargrave, Grassington, Kettlewell, Kirkby-in-Malhamdale, Skipton, Thornton-in-Craven and Threshfield. Ermysted's Grammar School is a selective grammar school that offers education to boys aged 11 to 18. Children can only be admitted to Ermysted's Grammar School if they have been deemed suitable for a grammar school education. Further information about the tests can be obtained direct from the school.
45. The governing bodies of Ermysted's Grammar School (Voluntary Aided) and Skipton Girls' High School (Academy Trust) are responsible for applying their own admissions policies and the LA applies the published co-ordinated admissions arrangements on behalf of these schools.
46. Skipton Girls' High School is a selective grammar school that offers education to girls aged 11 to 18 who are deemed suitable for a grammar school education in accordance with their selection scheme. Further information about the tests can be obtained direct from the school
47. The Skipton Academy is a non-selective Academy and Upper Wharfedale School is a non-selective secondary school in a selective area offering education for children aged 11 to 16.

Ripon Selection

48. Places will normally be provided at Outwood Academy Ripon and Ripon Grammar School for children who live in the City of Ripon together with the parishes of Aldfield, Azerley, Bishop Monkton, Bridge Hewick, Burton Leonard, Copt Hewick, Eavestone, Givendale, Grantley, Grewelthorpe, Hutton Conyers, Kirkby Malzeard, Laverton, Lindrick, with Studley Royal and Fountains, Littlethorpe, Markenfield Hall, Markington-with-Wallerthwaite, Newby-with-Mulwith, North Stainley with Sleningfird, Sawley, Sharow, Skelding, Skelton, Studley Roger and Winksley.
49. Outwood Academy Ripon is a non-selective Academy in a selective area offering education for children aged 11 to 18. Ripon Grammar School is a selective grammar school that offers an education for children aged 11 to 18. Children can only be admitted to Ripon Grammar School if they have been deemed suitable for a grammar school education, in accordance with the LA selection scheme. The LA administers both the published selection scheme and the allocation of school places at Ripon Grammar School as it is a community school. The LA will apply the published co-ordinated admission arrangements on behalf of both Outwood Academy Ripon and Ripon Grammar School.
50. All children living and attending schools within the area served by the Ripon schools will be invited to sit the selection tests. Parents will be required to return a reply slip.

Ripon Selection Tests

51. Tests for all forms of selection must be clear and objective and give an accurate reflection of the child's ability or aptitude, irrespective of sex, race or disability. It is for the admission authority to decide the content of the test, providing that the test is a true test of aptitude or ability.
52. The results of these selection tests are used to identify the highest scoring 28% or as close as possible of Year 6 children who live in the Ripon selective area. This procedure sets the cut-off mark in the selective area and sets the standard which children in Ripon must reach, to be deemed suitable for grammar school education.
53. For us to consider children who live outside the selective area to be deemed suitable for a grammar school education at Ripon Grammar School they must reach the cut-off mark which is set by the performance of the children who live in the selective area, as explained above.
54. There is no guarantee that children who reach the cut-off mark in the selection tests will be allocated a place at a grammar school. If the school is oversubscribed with children who are deemed suitable for a grammar school education, places will be allocated using the published oversubscription criteria.
55. The LA ensures that parents are aware that meeting the academic requirements for entry to Ripon Grammar School is not, in itself, a guarantee of a Grammar School place.
56. If a child is refused a place at the school on 1 March 2022, parents will be offered their statutory right of appeal for a place at the school.
57. The School Admissions Code 2014 states that LAs should take all reasonable steps to inform parents of the outcome of selection tests before the closing date for secondary applications on 31 October so as to allow parents time to make an informed decision when selecting their preferences.
58. The LA must ensure that tests are accessible to children with special educational needs and disabilities, having regard to the reasonable adjustments for pupils with a disability required under equalities legislation.

Selection Testing 2022/23

59. Selection testing will take place in September 2021 and the results of selection testing will be sent out to parents on 15 October 2021.
60. Late tests will take place on designated dates during the year. There will be dates set in January for any children moving into the area or for any children where there is a genuine reason that is agreed by the LA. Any other late tests will take place in April, June and August.

Primary Transfer Scheme 2022/23

61. The primary scheme enables parents living within North Yorkshire to complete a single application either on-line or in paper form listing up to five preferences for admission to any primary, infant or junior schools both within North Yorkshire and neighbouring LA areas, giving reasons for their preferences where appropriate.
62. Parents without internet access will be able to contact the LA for a common application form to enable them to apply for a primary school place for their child.
63. If parents list a Voluntary Aided school or Academy including Free Schools as a preference the school may request supplementary information in order for them to apply their oversubscription criteria.
64. Parents must return the common application forms by the deadline of 15 January 2022.
65. Parents will not be allowed to change their preferences after 15 January 2022 without a reason that is acceptable to the admission authority.
66. Parents who wish their children to attend an independent school will be encouraged to tell us. Independent schools are not included in the co-ordinated arrangements. These parents may also wish to apply for a place at a North Yorkshire school.
67. If parents living outside of North Yorkshire enquire about our schools they will be directed to the North Yorkshire County Council website. Parents will be advised to complete a common application form for their home authority.
68. On the common application form parents will need to provide their child's name and residential address. The address provided must be where the child lives permanently. If residency is split between two parents, the address used must be the address where the child lives for the majority of the school week (Monday to Friday). Confirmation and agreement in writing from both parents will be required.
69. For primary school applications, all offers must be made on the 19 April 2022.
70. Parents who do not wish to accept a place at a school offered to them must notify the admission authority as soon as possible in writing advising the LA of the alternative provision that is being made. Without this information the place will remain allocated.
71. The timetable for primary school admissions is attached at Appendix 2 of the Co-ordinated Admissions Arrangements, Primary Transfer 2022/23.

**CO-ORDINATED ADMISSION
ARRANGEMENTS**

**PRIMARY & SECONDARY
IN-YEAR ADMISSIONS 2022/23**

Introduction

1. In-year admissions are those which occur outside of the normal admissions round. The normal admissions round refers to admissions which admit children into infant, junior, primary or secondary school in the first year of entry. These applications become in-year if they are submitted on or after the first day of the first school term of the admission year.
2. There is no requirement for LAs to co-ordinate in-year applications from the offer year 2014/15 and all subsequent years but they must provide information on their website to show how in-year applications can be made and will be dealt with. LAs must, on request, provide information to a parent about the places available in all schools within its area. A preference form must be completed by parents when applying for a school place for their child at any Community or Voluntary Controlled school within North Yorkshire. A preference form will also need to be completed for any Voluntary Aided, Foundation, Trust primary and secondary schools and Academies including Free Schools that have agreed North Yorkshire LA will continue co-ordinating in-year admissions on their behalf. Any parent can apply for a place for their child at any time to any school.
3. In determining applications for school places outside the normal admissions round, whether in-year or at the start of a school year which is not a normal point of entry to the school, admission authorities must comply with parental preference unless the published oversubscription criteria or one of the statutory reasons for refusing admission applies.
4. All applications outside of the normal admissions round for Community, Voluntary Controlled and any Voluntary Aided, Foundation, Trust, primary and secondary schools and Academies including Free Schools that have agreed to continue co-ordinating with North Yorkshire LA will be processed and if applicable offered by the LA. Schools that are their own admission authority and are not continuing to co-ordinate in-year admissions with North Yorkshire LA must communicate the availability of places to the LA when requested and must, when in receipt of an in-year application notify the LA of both the application and its outcome. The Admission Authority must also inform parents of their right to appeal against the refusal of a school place.
5. Each LA must have a Fair Access Protocol, agreed with the majority of schools in its area to ensure that, outside the normal admissions round, unplaced children, especially the most vulnerable, are offered a place at a suitable school as quickly as possible. There is no duty for LAs or admission authorities to comply with parental preference when allocating places through the Fair Access Protocol.
6. Parents who do not wish to accept a place at a school offered to them must notify the admission authority in writing within 2 weeks of the offer being made.

Applying for a school place

7. North Yorkshire LA in-year preference forms must be completed by parents living or moving into North Yorkshire requesting a place at any North Yorkshire primary or secondary school. Proof of residency may be required.
8. If a child already attending a North Yorkshire school wishes to transfer to another school, parents should, in the first instance discuss the transfer with the current school.

9. Where a child is moving within or into North Yorkshire and is unable to attend the previous school and is without a school place, the application will be processed as soon as possible. Where a child already has a school place but is seeking an alternative school without moving, the application will be processed within a timescale that will enable the child to commence at the proposed new school at the start of the next term or half term. If there are more applications than places available for that year group, the oversubscription criteria will be applied.
10. Where UK passport holders or EU passport holders* apply for a school place whilst living abroad, the application will be processed whilst they are still abroad up to 6 weeks in advance of the requested start date. For non EU residents applications will be processed on their arrival in the UK. Exceptions to this would be when an application is received from a forces family which is accompanied by a posting order/assignment order or an official letter that declares a relocation date and a unit postal address or an area address. We would accept a UK address from parents living abroad if they have an address in the UK and they can provide proof that they lived at that address immediately prior to their move abroad and will be returning to that same property.

*Brexit - At the time this document is written we have new guidance from the government in respect of Brexit in respect of school places for EU nationals and UK pupils returning to England from the EU after Brexit. This guidance confirms that:

Schools and local authorities cannot take into account nationality or immigration status when deciding which pupils to admit. There will be no change to this as a result of the UK leaving the EU.

EU, EEA and Swiss citizens, who are eligible for the EU Settlement Scheme, will continue to be entitled to attend a state-funded school. If the UK leaves the EU without a deal, EU, EEA and Swiss citizens who successfully apply for [European temporary leave to remain](#), will also be entitled to attend a state-funded school until their temporary leave to remain ends. After that time, the UK's new immigration system will apply to them.

EU, EEA and Swiss children arriving after 31 December 2020, who are not dependents of UK residents or of parents in the UK on a work or study visa - and who wish to study in the UK, will need to meet the requirements of the future immigration system. This will not permit non-dependent foreign national children to enter the country to attend a state-funded school.

State-funded schools that routinely recruit EU, EEA and Swiss nationals from overseas should reconsider their recruitment strategy in light of the above changes to the immigration system.

The right of Irish nationals to access education will continue to be protected under the [Common Travel Area](#) arrangements.

Where necessary Home Office guidance will be sought.

11. When we receive an in-year preference form from a parent living in North Yorkshire requesting any North Yorkshire school, we will process the form by attempting to comply with the parent's highest ranked preference of school. We will liaise with the school listed as their highest preference.

12. If we are able to allocate the highest ranked preference on the form we will send an offer of that school place to the parent. If we are unable to allocate a place we will offer the statutory right of appeal and will then consider other schools listed in order of preference and will offer a place at one of those schools if possible. If we are unable to do so we will again offer parents the statutory right of appeal.
13. When we receive a request for a place in the normal year of entry if the school is oversubscribed a waiting list will be maintained by the relevant admission authority until 31 December 2021.
14. We require a reply from schools informing us if they are able to accommodate additional children within 5 school days. If they are oversubscribed we will offer parents the statutory right of appeal.
15. Voluntary Aided schools or Academies including Free Schools may require parents to complete a supplementary information form available from the school before a school place can be considered.
16. If parents name a school other than their catchment school, they will be responsible for transport.

In Year Fair Access Protocol

September 2021

In Year Fair Access Protocol

Purpose

The In Year Fair Access Protocol (known as the Protocol) will ensure that school places for maintained schools and academies are allocated and offered in an open and fair way. Outside the normal admissions round, unplaced children (especially the most vulnerable), must be offered a place at a suitable school as quickly as possible. It is recognised that this action will have a significant impact on both future attendance and achievement.

The School Admission Code which came into force on 1st December 2014 includes a requirement for a Fair Access Protocol (FAP) and describes how it is implemented. This protocol reflects the requirements of the Admissions code. The Protocol must be agreed by the majority of schools and academies and all schools and academies must participate.

The Protocol will be used when a child or young person is identified via the admissions process as IYFA or has not secured a school or academy place through the in-year admission procedures.

The Protocol will also ensure that no school or academy, including those with available places, is asked to take a disproportionate number of children and young people who have been excluded from other schools or academies or who have challenging behaviour.

Once it has been agreed that a child or young person should attend a named school or academy that school or academy must be accountable for that person. There is a collective responsibility to ensure the safeguarding of all young people and we must work together to protect them and act in their best interests. Every young person will be made an offer of an educational place as soon as is reasonably practical and within 30 school days.

Principles – Secondary Schools

It is important to emphasise that, in the vast majority of cases, hard to place children in the categories listed below requiring a school place will continue to be admitted in accordance with the usual admission procedures, rather than through the protocol.

The protocol does not cover the admission of children with an Education Health Care Plan (EHCP) which will continue to be managed through the statutory processes.

All schools, including those who are their own admissions authority agree to admit hard to place pupils. The Fair Access Panel (FAP) will consider a ‘weighting’ for small secondary schools where the impact on small year groups may be considerable.

Schools will not insist on an admission appeal being heard before admitting a child under this protocol. There is no duty for local authorities or admission authorities to comply with parental preference when allocating through the In Year Fair Access Protocol.

Schools will not refuse to admit a pupil who has been denied a place at that school at appeal, if through the protocol The FAP identifies that the school as the one to admit the child.

For a pupil to be placed at a North Yorkshire Grammar School in line with the In Year Fair Access criteria, he or she must also meet the academic criteria for that school. It should be noted that designated Grammar schools are permitted under the Education (Grammar School Designation) Order 1998 to select their intake on the basis. It would be appropriate to expect a short delay in the process to enable a child to access the appropriate selective test.

Wherever possible, pupils with a religious affiliation should be matched to a suitable school. If the school with a religious affiliation has already taken pupils under the protocol in that year group, then the pupil may be offered a place at a different school that doesn't have the religious affiliation.

Admissions agreed between secondary schools under the Managed Moves protocol do not count as places allocated under the protocol. The local authority will collate data on the two schemes separately and make the data available to panels on a regular basis.

Whilst working within the spirit of the protocol local FAP's must use discretion and judgement to achieve the best outcome for the child concerned. For example, one school may have compelling reasons (agreed by the FAP) for not admitting to a particular year group at that time. The school might therefore agree to more pupils in a different year group.

Fair Access Protocols should not be used as a means to circumvent the normal in year admissions process. A parent can apply for a place as an in-year admission at any point and is entitled to an appeal when a place is not offered. Schools following receipt of an application should not request that a pupil be considered as a Managed Move (MM) prior to dealing with such an application.

In the event that the majority of schools in an area can no longer support the principles and approach of the local Protocol, all the school heads should initiate a review with the local authority. The existing Protocol, however, remains binding on all schools up until the point at which a new one is adopted.

The Process - Secondary

The Fair Access Protocol must be agreed with the majority of schools in North Yorkshire and all own Admission Authorities must participate in it to ensure that children and young people are allocated a school place quickly.

The operation of the Protocol is triggered when a child is identified as hard to place through the information received, or an eligible child has not secured a school place under in-year admission arrangements. This provision does not apply to children looked after by the local authority; a child previously looked after by the local authority or a child with an Education, Health and Care Plan (EHCP) naming the school in question, as these children must be admitted. (Note 1)

Admission Authorities must not refuse to admit a child thought to be potentially disruptive, or likely to exhibit challenging behaviour, on the grounds that the child is first assessed for special educational needs.

No school will be asked to take a disproportionate number of children who have been excluded from other schools or who have challenging behaviour. Each FAP will determine an appropriate percentage based on local factors.

A list of children and young people that are 'eligible' to be considered is contained at the end of the Protocol.

The Secondary Protocol will be administered through locality Fair Access Panels. The operation of these Panels is described below.

The Primary Protocol will be administered through Fair Access Panels on an ad hoc basis as described below.

Membership of the Fair Access Panels - Secondary

The Secondary Panels will meet in accordance with the frequency agreed by each collaborative. All locality schools will attend and a representative of these schools who has delegated authority will attend. It may be appropriate that council officers are involved along with outside agencies when they have information that could contribute or assist the decision making process.

It is essential the each collaborative clerk records the responses from the FAP, recording and informing the decisions regarding the destination of students referred to the panel. Allocations will be made to schools, regardless of whether they contribute to the meeting, if appropriate and offers made on the day will be binding unless exceptional circumstances or a safeguarding issue comes to light.

Principles – Primary Schools

It is again important to emphasise that, in the vast majority of cases, hard to place children in the categories listed below requiring a school place will continue to be admitted in accordance with the usual admission procedures, rather than through the protocol.

The protocol does not cover the admission of children with an Education Health Care Plan (EHCP) which will continue to be managed through the statutory processes.

All schools, including those who are their own admissions authority agree to admit hard to place pupils. The Fair Access Panel (FAP) will consider a 'weighting' for small primary schools where the impact on small year groups may be considerable.

Schools will not insist on an admission appeal being heard before admitting a child under this protocol. There is no duty for local authorities or admission authorities to comply with parental preference when allocating through the In Year Fair Access protocol.

Schools will not refuse to admit a pupil who has been denied a place at that school at appeal, if the protocol identifies that school as the one to admit the child.

Wherever possible, pupils with a religious affiliation should be matched to a suitable school. If the school with a religious affiliation has already taken pupils under the protocol in that year group, then the pupil may be offered a place at a different school that doesn't have the religious affiliation.

Admissions agreed between schools under a Fresh Start agreement do not count as places allocated under this protocol. The local authority will collate data on the two schemes separately and make the data available to panels on a regular basis.

Whilst working within the spirit of the protocol local FAP's must use discretion and judgement to achieve the best outcome for the child concerned. For example, one school may have compelling reasons (agreed by the FAP) for not admitting to a particular year group at that time. The school might therefore agree to more pupils in a different year group.

Fair Access Protocols should not be used as a means to circumvent the normal in-year admissions process. A parent can apply for a place as an in-year admission at any point and is entitled to an appeal when a place is not offered.

In the event that the majority of primary schools in an area can no longer support the principles and approach of the local Protocol, all the school heads should initiate a review with the local authority. The existing Protocol however remains binding on all schools up until the point at which a new one is adopted

The Process – Primary

The Fair Access Protocol must be agreed with the majority of schools in North Yorkshire and all own Admission Authorities must participate in it to ensure that children and young people are allocated a school place quickly.

This provision does not apply to children looked after by the local authority; a child previously looked after by the local authority or a child with a statement of special educational needs naming the school in question, as these children must be admitted. (Note 1)

Admission Authorities must not refuse to admit a child thought to be potentially disruptive, or likely to exhibit challenging behaviour, on the grounds that the child is first to be assessed for special educational needs.

No school will be asked to take a disproportionate number of children who have been excluded from other schools or who have challenging behaviour. Each FAP will determine an appropriate percentage based on local factors.

A list of children and young people that are 'eligible' to be considered is contained at the end of the Protocol.

The Primary Protocol will be administered through locality Fair Access Panels which will be convened on an ad hoc basis. The operation of these Panels is described below.

Membership of the Fair Access Panels – Primary

It is expected that the Primary Panels will meet as and when required and the membership would consist of a Local Authority representative(s) and the Head teachers of the preferred school/academy plus other local schools as well as the current school. Other Council officers attending will be from teams within Children's Services - as well as any other team or department within NYCC or outside agencies working with families and young people, to contribute specific information about children and families that they are working with.

Monitoring and Accountability

The school/academy nominated by a Panel will be accountable for the young person once a school place has been agreed at the meeting. Meetings will be held virtually on a weekly basis unless no applications under the IYFA protocol have been received. Meeting dates will be agreed in advance of the academic year. A record of decisions made by either the secondary or primary FAP will be maintained by the Local Authority following each meeting.

Each young person that is referred to the Panel will be discussed individually and the decision will be made by the FAP as to what they determine is in the child's best interests taking parental preference into consideration and the facts of each case. The decision and the reason for it must be clearly recorded. (Note 2)

Clerks of the Fair Access Panels and the Local Authority should all keep a record of the outcomes of the meetings to avoid any disputes and advise of any issues within five school days of distribution.

In all cases the decision made by the FAP will be relayed in writing by the admissions team to the parent/carer of the young person and the school/academy will contact the family to facilitate the admission.

Where a young person is to be offered a school/academy, the school/academy must meet with the parent/carer of the young person and start the admission of the young person no later than ten school days after the FAP meeting.

The Admissions Team will inform parents of the progress of their case until a start date at an educational provision has been agreed. It is then the responsibility of the educational provider to liaise with the parent/carer.

The information received by admissions from the FAP will form an annual report on IYFA admissions. The completed report will be shared with each FAP and will form the basis of the annual report to the Office of the Schools Adjudicator (OSR) which is a statutory requirement on the Local Authority.

Timelines

It is expected that all parties will act with a sense of urgency to identify a school place for any child who has had difficulty securing one or who falls under the IYFA Protocol. The FAP will act to ensure that schools are held to account for the timeliness of their admissions in line with the IYFA Protocol and must ensure that children are enrolled within the timescales below. Every effort must be made to keep the time out of education to a minimum. Schools agree not to advise parents to:

Remove their child from school and find another school

Remove their child from the roll of the school and Electively Home Educate (EHE)

All schools, including Academies, are expected to respond to requests by the FAP to admit a child under Fair Access Protocols with the aim of securing a place at a suitable school or academy as quickly as possible and although 30 school days is the maximum stated in this protocol our intention is to act as quickly as possible.

In compliance with the Pupil Registration Regulations the Local Authority must notify the school/academy of the date by which the child is to be admitted and on the school roll.

Decision Making

Children and young people will only be referred to FAP who have been identified as eligible based on the information received by the admissions team or where a child has been refused entry through the normal admissions process, any refusal under the normal admissions process must include a full explanation of why the young person cannot be admitted with regard to the prejudice of efficient education and efficient use of resources. (Note 2)

Where a Fair Access Panel judges that a child is not yet ready for mainstream provision, based on the information provided, they will allocate a school roll and will consider which provisions are appropriate. The school is responsible for securing appropriate full-time educational provision.

The decision as to which school/academy will be offered to a child will be taken by the FAP as a whole. Where a Panel fails to make a decision the Local Authority Inclusion officer will ensure that the schools representatives have input into the decision of any instructions and will support a request for direction from the EFA, or local authority, if required.

Children returning from Elective Home Education should be offered a place at the school which they previously attended if appropriate. If the child now lives outside of the previous school's panel area and there is a more appropriate or accessible school within a different area, an alternative should be considered, once the child is back on roll at their previous school unless there are exceptional circumstances which would prevent a return to that school e.g. safeguarding issues, distance

Children returning to an area in which they previously lived, should be offered a place at the school which they previously attended, unless they left due to extended leave when it is up to the Panel to determine if this is appropriate. The Panel may also consider previous

attendance, behaviour and any safeguarding issues in their decision making. This only applies to children continuing in the same phase of education.

Children who are referred to a FAP due to being out of education for two months or more will be referred because they have not accessed any education at all, anywhere.

Local Authority Instruction

If a FAP does not make an offer of a school place, the Local Authority will identify a school/academy to admit the young person taking into consideration the number of young people already accepted by each school under the Protocol and the accessibility of the school/academy for the young person. Consideration can also be given to any other personal circumstances of the young person.

The allocated school/academy may not always be within the Panel area within which the young person lives. (Note 3)

If a school/academy refuses to agree to an 'instruction' from the Local Authority they must put their reasons in writing within seven days. The Local Authority will then consider the reasons given and decide whether or not to issue a direction (community schools) or in the case of Academies refer the matter to the Education Funding Agency (ESFA) using the processes in place to seek a direction.

Children and young people eligible to be considered under the protocol

The list of children included within this FAP includes the following children of compulsory school age who may have difficulty securing a school place:

Mandatory

- a) Children from the criminal justice system or Pupil Referral Units who need to be reintegrated into mainstream education;
- b) Children who have been out of education for two months or more;
- c) Children of Gypsies, Roma, Travellers, refugees and asylum seekers;
- d) Children who are homeless;
- e) Children with unsupportive family backgrounds for whom a place has not been sought;
- f) Children who are carers; and
- g) Children with special educational needs, disabilities or medical conditions (but without an Education, Health and Care Plan).
- h) Children permanently excluded from a school or children with fixed term exclusions exceeding 15 days in the current academic year;

- i) Children without a school place and with a history of serious attendance problems (i.e. less than 85% attendance)

Locally agreed categories

- a) HM Forces children moving into area
- b) Children returning from Elective Home Education (EHE)
- c) Children that have been missing from education (CME)
- d) Children who are permanently excluded who are not placed/referred to the Behaviour & Attendance Collaborative
- e) Children whose parents have been unable to find them a place after moving to the area because of a shortage of places within a 'reasonable distance' as defined in legislation.

General application of the protocol

Following consultation it was agreed that the local authority would revisit the protocol in light of discussions and feedback received. The Local authority has amended the protocol to ensure effective integration of children outside of the normal admission rounds who are vulnerable and to ensure compliance of the requirement within the IYFA protocol (admission code 2014).

As part of the discussion and feedback it was clear that a more effective process would be to use a Fair Access Panel (FAP). The FAP would consist of representatives of existing locality schools within existing areas for secondary's and appropriate primary schools based on a geographical area for primaries. Details on how the FAP will operate can be found at annex 1

Transport

Free or assisted transport will be provided to enable a pupil to attend the school agreed by the panel if it is over two miles from home for primary age pupils under the age of 8 and three miles from home for all other pupils. Transport provision will comply with the Home to School Transport Policy.

Financial procedures

Where a pupil is permanently excluded the excluding school must return any remaining Age Weighted Pupil Unit (AWPU) and Pupil Premium (PP) funding for that particular pupil to the Local Authority for transfer to the receiving school.

Cross Border issues

The Local Authority will consult with neighbouring authorities over financial arrangements and equity for pupils who meet the IYFA protocol, and who attend school

in one authority and live in another. It is the home local authority who has responsibility for the IYFA of their pupils.

NOTES:

Note 1

Children who are Looked After by the Local Authority or children who are Formerly Looked After by the Local Authority (in accordance with the School Admissions Code of Practice 2014) must always be admitted to the preferred school when requested by the legal guardian. The Code applies to all schools regardless of status and these requests are dealt with through the normal In Year Admission process.

Note 2

Admissions undertake background checks with the previous school. On receipt of this information, the Admissions Team will pursue any additional background checks which are needed. This information should provide the FAP with the details required to make an informed decision in the best interest of the child. Details of these decisions should be recorded accurately and retained.

Note 3

It may sometimes be necessary to instruct a school to take a child even if the child does not live in their area. Any instructions will only be made after careful consideration of the child's individual circumstances and in partnership with the Chair of all Panels affected. This recognises that our geographical boundaries can result in a child having to travel unreasonable distances.

Note 4

The online mid-year admission application form now contains specific questions in respect of IYFA. The protocol seeks to ensure that access to education is secured quickly for children who have no school place but for whom a place at a mainstream school or alternative provision is appropriate.

Questions within the application form include:

- a) Has the child had more than 15 day's absence from school? (1)
- b) Has the child had a permanent exclusion? (7)
- c) Has the child had a fixed term exclusion from any school? (3 points for under 15 days,
7 points for over 15 days)
- d) Has the child received Managed Move from any school? (5)

- e) Has there been any other involvement with social care or other public agencies? (3)
- f) Is the child home educated? (7)
- g) Has the child been out of school more than two months? (7)
- h) Is the child currently attending a PRS or has the child previously attended a PRS?(7)

Confirmation of the presence of any difficulties ascertained through the admission questions will be investigated by the admissions team to confirm the accuracy of information provided through contact with the previous school.

An email will be sent to the previous school requesting further information to inform a decision about whether the application should be considered under general admission or the IYFA protocol. There will be a requirement on the previous school to respond within 7 working days.

Once confirmation has been received a decision will be made using a point based system. The points allocated for each positive response to the questions above are illustrated by the figures within the brackets. The threshold for applications to be considered by the FAP is 7 points or more.

Admissions will send all supporting evidence to the Collaborative Clerks for the secondary FAP via secure email who will compile the agenda for the FAP and circulate to all members in advance of the meeting. For primary schools this information will be forwarded direct to the schools, within the identified geographical area. This again will be done via secure email.

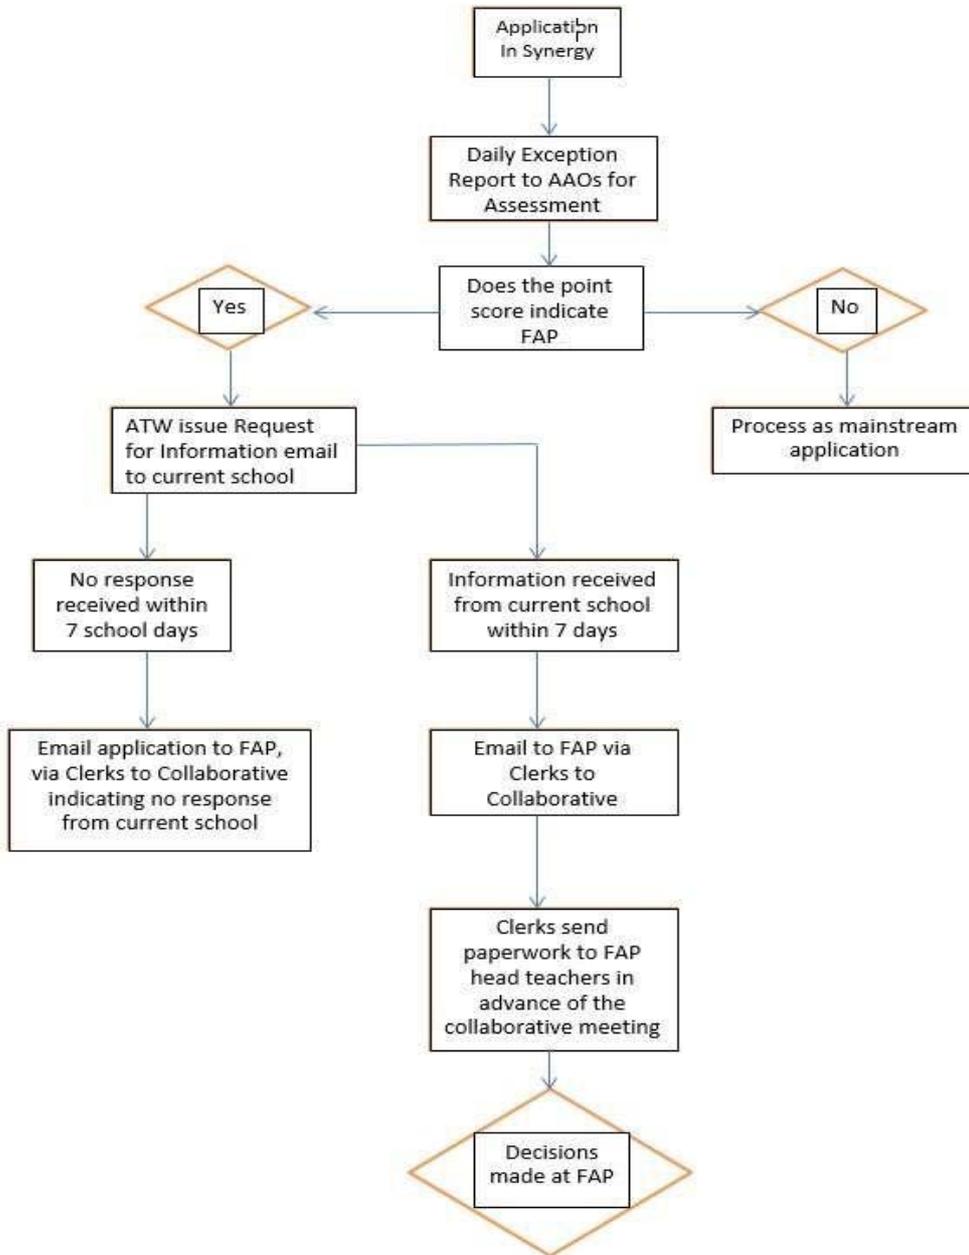

Applications identified under the protocol will be considered by the Fair Access Panel (FAP) who will decide to offer a place at either the requested or alternative school.

For secondary schools the collaborative clerk will collate a record of decisions and return this to the admissions team within 5 days of the meeting. For primary schools, this record will be made by the Local Authority representative attending the meeting. Following receipt of the record of decision and confirmation that there is no dispute in the decision made the admissions team will allocate to the school indicated and inform parents via letter with a copy also being sent to the allocated school for information.
