21/01833/FULMAJ – application for the erection of 23 No. residential dwellings included associated access, landscaping and drainage works at land comprising field 432860 465889, Knaresborough Road, Bishop Monkton.

Considered:-

The Assistant Director – Planning sought determination of a planning application for the development of 23 dwellings on land at Knaresborough Road, Bishop Monkton.

The application was recommended for approval subject to conditions and completion of a S106 agreement on terms set out in the report.

Members had undertaken a site visit to gain a better understanding and context of the site within the village. At the meeting, additional photographs from Bishop Monkton Parish Council and Bishop Monkton Action Group were circulated to Members and relevant parties.

The Committee considered the application set out in the Assistant Director Planning's report, as well as taking into account comments made at the meeting by the applicant's representative, Parish Council and objector(s). Members commented on the long standing drainage problems in the village that could potentially be exacerbated by the proposed development as well as driver and pedestrian safety when coming down the hill on the road adjacent to the site.

The decision:

The application be DEFERRED for the following reasons:

1. To enable further information from the Council's Highways Department regarding public safety concerns in relation to the siting of the proposed chicane and lack of footpath along the road.
2. That Yorkshire Water be asked to respond to concerns relating to foul water drainage issues which were already a problem in the village.
3. To request Yorkshire Water and the Council's Highways Department to attend Committee to clarify and explain further, their comments set out in the case officer's report.
4. That Planning Officers are asked to discuss with the applicant possible modifications to address the Committee's concerns regarding the impact the development would have on the adjacent Conservation Area and the impact of part removal of the hedge.

Voting Record

Unanimous for deferral.

(Jonathan Beer from the Bishop Monkton Action Group spoke against the application.)

(Councillor Culshaw spoke on behalf of Bishop Monkton Parish Council objecting to the application.)

(Steven Longstaff, the applicant's agent spoke in support of the application.)
