**PREMISES LICENCE APPLICATION
LICENSING ACT 2003**

Thank you for your email received on 14 June 2023 regarding the above application. Please use the reference above when corresponding with us about this matter.

Representations must relate to one or more of the four licensing objectives of crime prevention, public safety, public nuisance and child protection.

1. The prevention of crime and disorder. This relates to any crime, disorder or anti-social behaviour at the premises or related to the management of the premises. A licence holder/applicant cannot generally be held responsible for the conduct of individuals once they leave the premises;
2. Public safety. This relates to the safety of the public on the premises, for instance, fire safety, electrical circuitry, lighting, building safety or capacity, and first aid.
3. Prevention of public nuisance. This can relate to issues such as hours of operation, noise emanating from the premises, vibrations, lighting and litter.
4. Protection of children from harm. This relates to protecting children from the activities carried out on the premises whilst they are there. The law already provides special protections for children under 18 to buy alcohol.

Any comments cannot be considered if they relate to anything else, such as planning permission, the need for the premises, trade competition, or the effect on house prices. Frivolous and vexatious representations will also be rejected.

Your representation has been accepted and will be sent to the applicant who will be advised to give careful consideration and to contact this department should they wish to start negotiating with a view to resolving the issues you have raised. Should your concerns be resolved by this process you can withdraw your representation at any point.

If resolution cannot be reached and the representation is not withdrawn the application will be dealt with by a Licensing Sub-Committee hearing which will be arranged within 20 working days of the end of the consultation period. Please be aware that the Licensing Authority has a maximum of two months from the original submission of the application to make a final determination so it is important that any negotiation is swiftly conducted.

Any representations submitted to the Licensing Authority will be forwarded to the applicant, or their representative, in an edited format removing any personal contact details, however your name and locality will be disclosed as per the Licensing Act 2003.

Should the application require a Licensing sub-committee hearing your full details will be disclosed in the papers required for any such hearing.

Kind regards

Subject: 1858 Bar, High Street, Knaresborough

Good afternoon

I would like to object to request for a licence for the above premises,

Prevention of Crime and Disorder:

The town already sees crime and disorder after all the bars and restaurants have closed, especially at the weekend. Only a couple of weeks ago police and fire had to be called as traffic cones were set on fire. In the same weekend, at least two cars were damaged when late night revellers climbed over the bonnet and on to the roof of each car, causing residents to ring the police.

Public Safety

When walking home after a shift at work, It is very disconcerting to be faced with groups of pub goers who tend to be extremely loud and in a lot of cases incredibly rude.

Prevention of Public Nuisance

The examples contained in the points above relate to public nuisance, another drinking hostelry has the potential to increase the number of people spilling out into the High Street and hence increase noise. Arguments often break out, which may not happen when people are sober, and in some cases these arguments turn into fist fighting.

Protection of Children from Harm

There are children who are resident in the High Street, and whilst they may not be outside late at night, I know from speaking to residents that they are concerned that sleep is broken and children hear bad language. Children learn better after a full nights sleep and they should not be subject to disruption already faced in the area.

Kind regards.
