**Subject:** RE: Full Variation Crimple - C23/00828/LAPFUV

Dear Freja

Thank you for your help on how to submit a representation against a licensing application. I would like to resubmit my objection to this application, having read your helpful guidance.

Please find below the representation from myself, Councillor John Mann, member for Oatlands, and Pannal division, North Yorkshire Council

My comments and objections below are based on preventing public nuisance, one of the aims of the council's licensing policy.

Crimple Hall is situated in an open location in Crimple Valley, and there are no natural sound barriers or mufflings to prevent sound waves, reaching All Saints Court, which comprises some half-dozen houses; and in the near future, there will be a similar number of new houses built next to this street once the current planning application for Pannal House Farm is approved.

By the same token, there is nothing to prevent sound travelling across the Pannal Sports junior football club's playing field to those residential properties (approximately 30-40 in streets off Station Road) in the centre of Pannal village.

Similarly, houses in Pannal Green backing onto the open fields in the Crimple Valley (approximately 15 to 20), and properties in Clark Beck Close (around 20) would be similarly affected.

It is my belief that sound emanating from the premises already causes a nuisance and can be heard as far afield as the properties at All Saints Court.

I believe that the current conditions regarding finishing times should remain as they are, and that music, eating and drinking outside the premises should not occur under any circumstances after 9:30pm as doors are inevitably left open for access and egress therefore allowing sound to travel up and around the valley thus causing a public nuisance.

Councillor John Mann,  
North Yorkshire Council

**Subject:** RE: Full Variation Crimple - C23/00828/LAPFUV

Dear Cllr Mann

Thank you for your email received by licensing on 24<sup>th</sup> July 2023.

We are unable to accept your representation for the following reason:

There is no information regarding how the application undermines the 4 licensing objectives. It would be useful if you could expand the detail of the rep. How many houses, how close, whether they suffer disturbance already and how it affects them etc.

I have attached the Environmental Protection Rep that has been agreed with the applicant. These conditions will be added onto the Premises Licence.

I have attached the guidance to make a representation for a premises licence to aid you should you wish to make a further representation. As per the guidance, all representations must be about the likely effect of granting the licence on the promotion of at least one of the four licensing objectives. You must therefore, explicitly link any representation to one or more of the objectives. Representations should be specific to the premises and evidence based.

Should you wish to make a representation this must be received by midnight on 27 July 2023, this may be emailed to [licensing.har@northyorks.gov.uk](mailto:licensing.har@northyorks.gov.uk)

If you require anything further, please let me know.

Kind regards

Hello

As the local Council Member for this application I wish to object to this application.

I consider that the requested extended hours of opening are too late, given the venue's proximity to housing. My considered view is that the hours of the establishment should remain as they are, ie closing at 1130pm every day of the week including Sunday.

I discussed this application with the parish council and their views are given below – they have asked me to pass them on to NYC Licensing Team.

Please note that both myself and a parish councillor representative would wish to speak when this application comes before the NYC Licence Sub-Committee.

Many thanks

Cllr John Mann, Oatlands and Pannal Division

VIEWS OF THE PARISH COUNCIL ON THE APPLICATION

**From:** [REDACTED]  
**Date:** 19 July 2023 at 15:57:32 BST  
**To:** John Mann <[REDACTED]>  
**Cc:** howard.west [REDACTED]  
**Subject:** Crimple Hall licence application

Good afternoon John

Following councillors' consideration of this application at their PC meeting on 13<sup>th</sup> July, when it was unanimously decided that the Friday / Saturday extension time from 11pm to 2am should not be granted, it would be much appreciated if you would kindly use your offices to present this decision from the Parish Council. In addition, a parish

councillor representative would wish to speak when this application comes before the NYC Licence Sub-Committee.

Many thanks and kind regards

Jane

Parish Clerk
