Forward Plan Report

1.0 Purpose of the Report

- 1.1 To consider, develop and adopt a Forward Plan of items of business for future meetings.

2.0 Background

- 2.1 The 'Guidance on Local Access Forums in England' published by the Department for Environment, Food and Rural Affairs (Defra) strongly recommends that forums prepare a forward work programme which sets out the forum's priorities and special areas of interest.
- 2.2 This can play an important role in helping the forum to:
- Ensure a focus on issues which are the most relevant for the area
 - Clarify the issues on which the County Council or other section 94(4) bodies would benefit from receiving advice
 - Timetable when specific matters are likely to be considered
 - Inform the public about the forum's work
 - Identify training needs
 - Review effectiveness and prepare an annual report.

3.0 Forward Plan

- 3.1 The Forward Plan is attached at Appendix A, which lists the agreed meeting dates for the coming municipal year.
- 3.2 The Forum meets three times a calendar year but may choose to agree further meeting dates (based on need) and may set up sub-groups to progress specific pieces of work outside of the formal meetings.
- 3.3 The remaining meeting date for this municipal year is 24 January 2024.

4.0 Recommendation

- 4.1 Forum members are asked to note the date of the final meeting in 2023/24 and agree the work programme for that meeting, taking into account the discussions and suggestions made at this meeting.
