APPENDIX B

<p>Will the proposal have a significant effect on how other organisations operate? (e.g. partners, funding criteria, etc.). Do any of these organisations support people with protected characteristics? Please explain why you have reached this conclusion.</p>	<p>No – this procurement is for the processing of garden waste, it would only impact on collections, and the service delivered to residents if processing points decided not to tender for the works. However, engagement with the current processing points shows that they are happy to continue to deliver the service.</p>
