Hi Gemma,

I am in receipt of your representation regarding the above application via Nicola Kemp of the Licensing Team.

Just for clarification, I think you are saying that we should keep the conditions on the license regarding "Prevention of Public Nuisance" and "Conditions agreed with Harrogate Borough Council's Environmental Team", but by adding the wording you suggest at the bottom to the Licence, we will be able to use the external areas until 23.00 between the months of April and September, from Monday to Saturday. If that is correct I am more than happy to agree to your representation.

Thanks in advance for your help with this and I look forward to hearing from you soon.

Best regards.

Jez
