> Hi there, I am a resident and owner of a property at [REDACTED] and wish to share my concerns with regards to the application for La Féria to extend trading hours on the terrace.

> * My property [REDACTED] and indeed it is already quite noisy for us.

> * We have a young family and it is important that we are able to live in a peaceful residential environment, as this location is zoned.

> * Indeed, if the restaurant was operating as they intend with their new application, we would not have purchased this house for reasons listed below.

> * If La Féria is to extend their license hours on the terrace over the summer (already the noisiest time of the year) this will significantly impact our peace and quiet and the ability for our young child to sleep.
