20th September 2018

Dear Mrs Warren,

Following a restructure within the highways team I have now taken over the role as Highways Customer Communications Officer (HCCO) from my colleague, Sharon Fox. I previously worked in Ryedale for many years as the County Council's Road Safety Officer so am quite familiar with the area. I will also continue to be the HCCO for the Scarborough and Whitby area but will work in Ryedale as well.

Sharon continues to work as a HCCO covering the Selby and Skipton areas.

I will hopefully be organising some parish/town council workshops before the end of the year so I hope I will get to meet some of you in the near future.

Yours sincerely,

Andrew Santon
Highways Customer Communications Officer
