

North Yorkshire Police, Fire and Crime Panel

22 February 2021

Work Programme

1 Purpose of Report

- 1.1 To invite the Panel to consider its future work programme.

- 2 The Panel is responsible for setting its own work programme taking into account the tasks that the Panel must undertake and the priorities defined by the Commissioner within the context of the Police and Crime Plan and Fire and Rescue Plan.
- 3 The work programme at Appendix A highlights those issues which have been previously agreed or which have been added since the last meeting in discussion with the Chair or Vice Chairs.
- 4 A degree of capacity has been deliberately retained across the programme for the coming year to ensure there is sufficient flexibility to plan in around priorities set following the election of a Commissioner in May 2021.
- 5 Members are invited to make any suggestions for the work programme.

5 Recommendation

- 5.1 It is recommended that the Panel agrees its outline work programme.
