

Transparency notices / publication

Flowchart

This flowchart demonstrates the notices and other information that you may publish throughout the end-to-end procurement lifecycle (depending on the procurement procedure followed, the nature of the contract and / or the contracting authority). **Further details about each notice can be found in the notices fact sheet.**

Appendix 1: publication triggers (publication when required)

The following table sets out the publication triggers that apply to notices and other information that should be 'publish when required' on the central digital platform. Exemptions to publication apply, see the notices fact sheet for more details.

Notice / information	Publication trigger
Pipeline notice	Where organisational procurement spend is £100m+, publish 12-month forward of procurements £2m+
Planned procurement notice	Publish a qualifying planned procurement notice to reduce tender timescales
Preliminary market engagement notice	Publish where pre-market engagement is planned or has taken place (or explain why not, in tender notice)
Procurement termination notice	Publish if, following a tender or transparency notice, the procurement ends without a contract award
Dynamic market notice	Publish to advertise, establish, change or terminate a dynamic market
Copy of awarded contract (and KPIs)	For contracts over £5m total value, KPIs must be set and the contract (redacted as required) published
Contract performance notice	Publish annual KPI data (contracts £5m+), and/or as required to report breach of contract / poor performance
Contract payments notice	Publish where one or more contract payment of £30k+ is made under a public contract (quarterly)
Contract change notice	Publish when making a contract modification (unless exemption applies)
