05/10/2020	Administration	Failure to issue 3 members with annual Pension Saving Statements (PSS) in the relevant years. One member was missing a PSS for the 18/19 year, one was missing a PSS for 16/17 and one was missing a PSS for 16/17, 17/18, 18/19 & 19/20.	There are two main causes as follows: missing data and staff not realising a statement should have been issued when the record was recalculated.	Finance Act 2004	When the member receives a PSS they have to declare the tax liability to HMRC via an annual tax return. They can elect to either pay the tax charge via a Scheme Pays option or directly to HMRC. Because the PSS haven't been issued members are now late submitting to HMRC. We are aware of members who have ignored the information we have sent for a number of years, when they do contact HMRC they are advised to just pay what is due. There appear to be no penalties applied. Because we haven't advised members at the correct time they have been unable to take action to mitigate the impact in subsequent years. Members in this position often switch to the 50/50 section to reduce their pension accrual. A penalty of up to £300 for failure to provide the required information on time may be levied on NYPF when we resubmit our annual returns for the relevant years.	We have issued the relevant PSS to all 3 members and have had discussions with them regarding the actions they now need to take. We have struggled to establish how to report the breach to HMRC but will resubmit the annual HMRC returns for the relevant years. We will then respond to HMRC accordingly. We have reviewed our internal processes and are taking steps to educate the wider team and address some of the issues at source rather than waiting until year end. A targeted working group will be established in the summer to address the backlog of changes we get each year. This will involve training a small number of staff on the whole Annual Allowance process, what it is, why it's important, the impact on affected members and how to update and maintain records correctly. This taskforce will take responsibility for updating member records. Once knowledge is established and embedded further staff will be trained until the whole team knows what is expected.	05/03/2021	14/01/2021	PB - Require further information on mitigating actions taken to prevent recurrence before reaching a decision about reporting to IPR.
