Subject: RE: The Wicked Wolf - Environmental Protection representation (our reference C24/00764/LAPREM) PCX:000005000003237

Hi Nicola

I have now spoken to the client regarding the representation from the EHO.

The client is happy to agree the condition but with the following amendment:-

**Original wording at the beginning of the “Informative Note”**

Licensees are advised to carry out a simple “sound check” outside the nearest noise sensitive property by listening to the music etc. coming from regulated entertainment. If the music etc. is clearly audible, then it is likely that this condition is being breached. Steps should then be taken to reduce the volume of the noise.

**Proposed re-wording at the beginning of the “Informative Note”**

The Premises Licence Holder or Designated Premises Supervisor are advised to carry out a simple “sound check” outside the nearest noise sensitive property when regulated entertainment is taking place, by listening to the music etc. coming from regulated entertainment. If the music etc. is clearly audible, then it is likely that this condition is being breached. Steps should then be taken to reduce the volume of the noise.

If this is agreeable then the client is happy to include this on the new licence, should the application be granted.

Many thanks

Angie Gardner | Paralegal
