### **PREMISES LICENCE APPLICATION LICENSING ACT 2003**

Thank you for your email received on 16<sup>th</sup> July 2024 regarding the above application.

Representations must relate to one or more of the four licensing objectives of crime prevention, public safety, public nuisance and child protection.

1. The prevention of crime and disorder. This relates to any crime, disorder or anti-social behaviour at the premises or related to the management of the premises. A licence holder/applicant cannot generally be held responsible for the conduct of individuals once they leave the premises;
2. Public safety. This relates to the safety of the public on the premises, for instance, fire safety, electrical circuitry, lighting, building safety or capacity, and first aid.
3. Prevention of public nuisance. This can relate to issues such as hours of operation, noise emanating from the premises, vibrations, lighting and litter.
4. Protection of children from harm. This relates to protecting children from the activities carried out on the premises whilst they are there. The law already provides special protections for children under 18 to buy alcohol.

Any comments cannot be considered if they relate to anything else, such as planning permission, the need for the premises, trade competition, or the effect on house prices. Frivolous and vexatious representations will also be rejected.

Your representation has been accepted and will be sent to the applicant who will be advised to give careful consideration and to contact this department should they wish to start negotiating with a view to resolving the issues you have raised. Should your concerns be resolved by this process you can withdraw your representation at any point.

I have attached conditions that the applicant has added onto the Premises Licence to prevent nuisance.

If resolution cannot be reached and the representation is not withdrawn the application will be dealt with by a Licensing Sub-Committee hearing which will be

arranged within 20 working days of the end of the consultation period. Please be aware that the Licensing Authority has a maximum of two months from the original submission of the application to make a final determination so it is important that any negotiation is swiftly conducted.

**Any representations submitted to the Licensing Authority will be forwarded to the applicant, or their representative, in an edited format removing any personal contact details, however your name and locality will be disclosed as per the Licensing Act 2003. Should the application require a Licensing sub-committee hearing your full details will be disclosed in the papers required for any such hearing.**

Should you have any questions or require clarification on any particular point please do not hesitate to contact the Licensing Team.

Kind regards

**Freja Lythgow**

Dear Sir/Madam

I understand the above business have applied for an alcohol license until 3 am. I strongly oppose this on the following grounds

Extreme likelihood of anti social behaviour when drink is consumed over such a long period.

Resulting pressure on police time and local A&E who have to deal with the unpleasant results of extreme intoxication to the detriment of those with genuine medical emergencies.

Disturbance to residents in surrounding flats and houses from noise and litter

Contrary to the image of Harrogate as a safe and civilised town for tourists and locals.

A very late licence such as this will attract those who have had sufficient alcohol already and cause anti social behaviour to the detriment of the majority of our citizens and visitors.

A business whose aim is to make profit from excess alcohol consumption should not have priority over the safety and amenity of our town.

I urge the council to reject this application. 11 pm would be a late enough closure in my view.

Regards

Julia Lamb
