Good afternoon,

PREMISES LICENCE APPLICATION LICENSING ACT 2003

Thank you for your email received on 25th July regarding the above application.

Representations must relate to one or more of the four licensing objectives of crime prevention, public safety, public nuisance and child protection.

1. The prevention of crime and disorder. This relates to any crime, disorder or anti-social behaviour at the premises or related to the management of the premises. A licence holder/applicant cannot generally be held responsible for the conduct of individuals once they leave the premises;
2. Public safety. This relates to the safety of the public on the premises, for instance, fire safety, electrical circuitry, lighting, building safety or capacity, and first aid.
3. Prevention of public nuisance. This can relate to issues such as hours of operation, noise emanating from the premises, vibrations, lighting and litter.
4. Protection of children from harm. This relates to protecting children from the activities carried out on the premises whilst they are there. The law already provides special protections for children under 18 to buy alcohol.

Any comments cannot be considered if they relate to anything else, such as planning permission, the need for the premises, trade competition, or the effect on house prices. Frivolous and vexatious representations will also be rejected.

Your representation has been accepted and will be sent to the applicant who will be advised to give careful consideration and to contact this department should they wish to start negotiating with a view to resolving the issues you have raised. Should your concerns be resolved by this process you can withdraw your representation at any point.

I have attached conditions that the applicant has added onto the Premises Licence to prevent nuisance.

If resolution cannot be reached and the representation is not withdrawn the application will be dealt with by a Licensing Sub-Committee hearing which will be arranged within 20 working days of the end of the consultation period. Please be

aware that the Licensing Authority has a maximum of two months from the original submission of the application to make a final determination so it is important that any negotiation is swiftly conducted.

Any representations submitted to the Licensing Authority will be forwarded to the applicant, or their representative, in an edited format removing any personal contact details, however your name and locality will be disclosed as per the Licensing Act 2003. Should the application require a Licensing sub-committee hearing your full details will be disclosed in the papers required for any such hearing.

Should you have any questions or require clarification on any particular point please do not hesitate to contact the Licensing Team.

Kind regards

Subject: Objection Letter - Wicked Wolf, Harrogate

Please find my objection letter to the opening hours applied for in respect of the Wicked Wolf as per the notice below.

As a near neighbour, I think this will add to the noise and disruption to myself and other residents of [REDACTED] particularly late and night, and in the early morning, as explained in my letter below.

If the main attraction of these hours after 2300 is simply to attract customers from other venues after their normal closing times, then we believe that this will further

enhance the likelihood of problematic behaviours, noise and disruption beyond what is reasonable to nearby residents.

Thank you

David Dockray
