

Hard Facilities Management Fire Equipment Procurement Exercise

REPORT TO; Assistant Director, Property, Procurement and Commercial

DECISION DATE: 20th August 2024

SUPPORTING ANNEX; This report includes a supporting Annex which contains exempt information as described in paragraphs 1 and 3 of Part 1 of Schedule 12A to the Local Government Act 1972 (as amended).

PROPOSED RECOMMENDATION

To undertake a procurement exercise to establish a new contract for Hard Facilities Management Fire Equipment: Inspection and Supply for North Yorkshire Council.

BACKGROUND TO SUPPORT THE RECOMMENDATION

The Hard Facilities Management Fire Equipment: Inspection and Supply contracts established by the former County Council are due to expire on the 31st March 2025. The new contract will also include provision to provide all relevant servicing and maintenance for additional Council properties as other contract arrangements expire.

A decision will be made to undertake a procurement exercise to establish a new contract for these contracts. The procurement will commence later this year with a view to having new contracts in place for the 1st April 2025. It is proposed that the contracts will be for a duration of three years with options to extend for a further two – two-year periods (resulting in a maximum contract period of seven years).

LEGAL AND GOVERNANCE COMPLIANCE

The procurement exercise will be undertaken by the Council's Procurement and Contract Management Service.

This is a key decision. The proposal to procure was entered on the forward plan in December 2023.

RECOMMENDATION

That the procurement exercise to establish a new contract for Hard Facilities Fire Equipment: Inspection and Supply be approved.
