Why are you proposing this? What are the desired outcomes?	<p>This report provides an update on the Catterick Garrison Regeneration Project, and in particular the progress the council and the Defence Infrastructure Organisation (DIO) have made against the pre-construction conditions contained in the Collaboration Agreement overseeing the delivery of the Project.</p> <p>A procurement process has been undertaken by the council to select a contractor and the council has been working with the selected contractor, Willmott Dixon, as part of the early contractor involvement stage.
