Corporate Calendar 2025/26

Report of the Assistant Chief Executive Legal and Democratic Services

1.0 PURPOSE OF THE REPORT

- 1.1 For full Council to note the dates and times of committee meetings in the corporate calendar 2025/26, as attached at Appendix A.

2.0 BACKGROUND

- 2.1 The Council's Constitution provides that the date, time and place of Executive and committee meetings will be determined by the Assistant Chief Executive Legal and Democratic Services. The corporate calendar for the 2024/25 municipal year is before full Council to note the dates and times of committee meetings.

3.0 COMMITTEE MEETINGS BETWEEN MAY 2025 AND APRIL 2026

- 3.1 The exercise to draft the corporate calendar for 2025/26 has adopted a slightly different approach to previous years in order to try and remedy some of the issues encountered this year around scheduling, including:
- Ensuring there are no clashes of committee meetings for Members, wherever possible;
 - Spreading each scrutiny committee meeting cycle across a slightly longer period in order to avoid condensed 'peak' periods and to enable greater capacity in the longer term to support scrutiny review work;
 - Avoiding scheduling meetings in the afternoon following a Members' Seminar;
 - Avoiding the first 7-10 days of September and January for meetings;
 - Considering the impact of school holidays, wherever possible.
- 3.2 In order to achieve the above principles, it has been necessary in some cases to schedule meetings on a day or time which may not have been the 'traditional' slot for that meeting, but it's hoped that this assists Members in attending and being able to manage their involvement across a number of committees. Attention has also been given to reviewing the feasibility of travel time and attendance for multiple meetings in the same day where this occurs for a given Member; for example considering whether attending a meeting in Northallerton mid-morning would present challenges if they were needed to attend a meeting at the other side of the county mid-afternoon. Democratic Services has therefore tried to avoid scenarios of 'clustering' in this way wherever possible but given the above principles adopted there have been some limitations to this.
- 3.3 It should additionally be highlighted that the draft calendar has been shared for information with the Mayoral Combined Authority and the National Park Authorities and we have similarly tried during this exercise to avoid any clashes with their scheduled meetings.
- 3.4 Executive Members, committee Chairs and Vice Chairs and senior officers were among those consulted on the draft calendar in October 2024.

3.5 A couple of queries were raised by Members regarding scheduling of certain meetings within the draft, most of which were resolved through clarification. The scheduling of the February 2026 dates for full Council should be treated as provisional dates at present and subject to alteration, until such time as the timeframe for the production of the Council budget, the announcement of the local government settlement and the details of the precepting process for 2026/27 are known.

3.6 The dates and times of committee meetings within the 2025/26 municipal year will be published on the Council's website.

4.0 ALTERNATIVE OPTIONS CONSIDERED

4.1 Not applicable.

5.0 FINANCIAL IMPLICATIONS

5.1 There are no significant financial implications arising from this report.

6.0 LEGAL IMPLICATIONS

6.1 The legal implications are set out in the body of this report. It is noted that the Regulations which allowed virtual committee meetings to make decisions are no longer in force.

7.0 EQUALITIES IMPLICATIONS

7.1 The meetings of the Council, Executive, Planning (Strategic and Area) and the Police Fire and Crime Panel will be routinely recorded and broadcast to enable members of the public to attend meetings virtually without the requirement to travel. Consideration will be given to the recording and broadcasting of other committee meetings, where there is significant public interest. The accessibility of Council buildings has been considered when scheduling meetings.

8.0 CLIMATE CHANGE IMPLICATIONS

8.1 There are no significant climate change implications arising from this report.

9.0 REASON FOR RECOMMENDATIONS

9.1 To provide a schedule of committee meetings for the 2024/25 municipal year.

10.0 RECOMMENDATION(S)

10.1 That full Council:

- i) Notes the dates and times of committee meetings in the corporate calendar 2025/26, as attached at Appendix A.
