Reasons for decision: -

North Yorkshire County Council Health and Adult Services Directorate currently commissions the offenders and substance misuse housing-related support services through two separate contracts, both of which are due to expire at the end of September 2020 having utilised all permitted extensions. North Yorkshire County Council intends to re-procure these services from 1st October 2020 within a single procurement process.

Details of any alternative options considered and rejected: -

Decommission the service: not pursued as the service is valued and aligns with strategic need
Jointly commission with other supported housing services: not pursued as the mix of services was not appropriate at this stage.
