

North Yorkshire Police, Fire and Crime Panel

6 February 2025

Work Programme

1.0 Purpose of Report

1.1 To invite the Panel to consider its future work programme.

2.0 The Panel is responsible for setting its own work programme taking into account the statutory duties that the Panel must undertake and the priorities defined within the context of the Police and Crime Plan and Fire and Rescue Plan.

3.0 The work programme at Appendix A highlights those issues which have been previously agreed or which have been added since the last meeting in discussion with the Chair and Vice Chair.

4.0 The work programme looks at key topics and areas of interest under the rubric of the four CARE principles, as drawn from the current two key statutory plans.

5.0 Further to the Mayor issuing new plans (prior to the end of March 2025), the Panel's work programme for 2025/26 will need to be reviewed in the spring, to ensure that the Panel is continuing to focus on scrutinising key themes and objectives from the statutory plans.

6.0 Members are also reminded that it is preferable for the Panel to agree just a couple of key substantive reports to come to each meeting; and perhaps just one thematic report where this is taken in addition to statutory reporting. This is to ensure that sufficient time can be given to each discussion and also to ensure that the ask of the Mayor's office is not overly burdensome.

7.0 All full Panel meetings will continue to be held in person and venues are highlighted on the programme where these have been confirmed.

8.0 Financial Implications

8.1 There are no significant financial implications arising from this report.

9.0 Legal Implications

9.1 There are no significant legal implications arising from this report.

10.0 Equalities Implications

10.1 There are no significant equalities implications arising from this report.

11.0 Climate Change Implications

11.1 There are no significant climate change implications arising from this report.

12.0 Recommendations

12.1 That the Panel agrees its outline work programme.
