### Training

#### 1.0 Purpose of the Report

To provide an update on Pension Board member training.

#### 2.0 Background

The Training Policy was adopted by the Pension Board at its inaugural meeting in July 2015. This set out the knowledge and understanding requirements of members of the Pension Board, routes to obtaining training, and training review arrangements.

It states that the suitability of training events and activities should be based on a self-assessment carried out by each Pension Board member. The regulations place the responsibility for making this assessment, and subsequent action to ensure Pension Board members have an appropriate level of knowledge and understanding, on the individual members. In addition, the Pensions Regulator requires that Pension Board members invest time in learning and development.

#### 3.0 Training Activity

Further to the "Introduction to the LGPS" training session held in January 2021, and in-line with a discussion undertaken at the March 2021 meeting of the Pension Fund Committee, Members are requested to identify issues relevant to the Pension Board, that could be the subject of future "in-house" training sessions, and, where appropriate undertaken in conjunction with Members of the Pension Fund Committee. A copy of the Board's Terms of Reference has been provided (**Appendix 1 – Section 8**) to assist Members with identifying training issues, relevant to the remit.

Detailed of training events attended and activities undertaken by Pension Board members are contained in a report that is now published on-line with the documents, but is no longer circulated with the papers. COVID 19 has prevented a number of training events and conferences from taking place, however, training activities have continued to take place via virtual platforms, and Members are encouraged to utilise these for the time being. Board members are asked to review the training record and advise officers if updates are required.

Pension Board members may wish to discuss the merits of recently undertaken training activity and where appropriate the pros and cons, to inform other Board members of its usefulness.

#### 4.0 Recommendations

- (iii) That Members provide details of any issues relevant to the Pension Board, that could be the subject of future "in-house" training sessions, and, where appropriate undertaken in conjunction with Members of the Pension Fund Committee .
