M Describe any additional steps you intend to take to promote the four licensing objectives as a result of the proposed variation:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 11

In order to promote the licensing objectives, we conduct regular assessments and ensure that they are reviewed and updated as necessary to reflect any changes.

We stay engaged with the local community addressing concerns promptly and keeping a line of communication open to ensure that our premises are seen as a positive addition to the area.

We closely monitor the consumption of alcohol to ensure that customers do not become overly intoxicated. As part of this, we train staff to identify and deal with intoxicated individuals and implement a "last orders" policy well before closing time.

We display clear, visible signage outlining the premises' rules and policies, including details on age verification, no smoking and fire measures.

b) The prevention of crime and disorder

To promote the prevention of crime and disorder, we have installed CCTV cameras in strategic locations, both inside and outside the premises, to monitor activities and deter criminal behaviour.

We provide staff training to recognise and report suspicious behavior. And ensure staff are trained in handling difficult situations and de-escalating potential issues.

We always check the age of customers purchasing alcohol, in particular anyone who looks under 25.

We have a policy in place to report any criminal activity to the police.

c) Public safety

To promote the public safety objective, we always ensure that we comply with fire safety regulations. We have working fire alarms, clearly marked exits, fire extinguishers, a fire risk assessment and staff are trained in the emergency evacuation procedure.

We maintain a clean, hazard-free environment, ensuring that heating, and lighting are safe and to standard. We regularly check the building for any potential safety risks.

We have first aid kits available and ensure that we always have a first aider on the premises to assist in case of injury or medical emergencies.

We ensure the interior and exterior areas of our premises are properly lit to prevent accidents.

d) The prevention of public nuisance

To ensure the prevention of public nuisance, we manage music volume and do our best to ensure doors and windows remain closed.

We set clear guidelines for customer behaviour and ensure that all staff are trained to deal with unruly customers, including asking them to leave if necessary.

To avoid disturbing the neighbourhood with loud noises from bins being emptied, we empty these at reasonable hours, and ensure deliveries are made after 9am.

We display notices to ensure customers are quiet during entry and exit of the premises.

e) The protection of children from harm

To ensure the protection of children from harm, we display clear signage about our policy on serving alcohol and ensure that age verification checks are carried out.

To ensure we don't sell any alcohol to minors, we make sure all staff carry out age checks, we ensure staff are trained in how to check ID is real.

We don't offer any promotions or advertisements that could appeal directly to children or encourage poor behaviour.

We ensure all staff are trained to identify and deal with situations where children might be exposed to harm (e.g. exposure to intoxicated adults or inappropriate language)
