TPR Code Compliance model

This report sets out how North Yorkshire Pension Fund (NYPF) complies with the Pension Regulator's (TPR) General code of practice (the Code) in relation to the management of the North Yorkshire Pension Fund (NYPF) which is part of the Local Government Pension Scheme (LGPS).

Note that the Code applies to governing bodies of all occupational, personal and Public Service Pension Schemes and therefore it is generic in nature. This document highlights all the key elements of the Code relevant to Public Service Pension Schemes and sets out whether North Yorkshire Council is compliant in each of the Code's modules. There may be a number of requirements relating to these elements that are specifically stipulated within LGPS legislation and it is not the purpose of this compliance model to consider that level of detail.
