**Date:** 28 February 2025 07:33:28

---

I am writing to you to hopefully get an extension on this vehicle for a year. It is kept in very good condition. It has an annual DVLA mot done at beansheaf garage and a twice yearly mot at Lowfield garage for yourselves as well as 2 services a year done at Beansheaf garage. It is used for a school transport contract taking children from Lockton to the 3 schools in pickering for which we need 6 seats. It has an annual inspection with NYC as well as all the above.

Best regards
