Community Safety Hub Update

21 March 2025

Community Safety Hubs- Police & NYC Roles

- Supt Lam & Chief Insp Williamson force lead
- Agreed revised CSH Terms of Reference
- Role Guidance – NYC & NYP Officers in the Community Safety Hub
- Review of the NYP staff compliment for each locality – will be change
- Geography across NY
- Consistency needed, clear framework

Community Safety Hubs- Priorities

- Intelligence Led
- Thematic & Project work eg knife bins
- Better use of tools & powers
- Early Intervention – young people framework
- The Co-location model – what next? who else?
- Our interaction with Neighbourhood Policing – enhanced approach, more holistic, build on what works
- Training & development

Community Safety Hubs – Performance Framework

- Monthly Performance Report per CSH
- What does the crime data tell us?
- Where are our hotspots?
- Workloads – what are the common themes / understanding trends / patterns / where no patterns what are local concerns
- Delivery linked to Priorities locally and strategically
- Improved accountability

Community Safety Hubs- Operational Delivery
