Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

The premises will continue to operate as a public house, maintaining its current practices and commitment to promoting the four licensing objectives. This application seeks identical timings to those of the existing licence and aims solely to update the layout and include the external area within the licensable premises rather than having to submit multiple applications. These changes will be implemented with full consideration of the licensing objectives, ensuring that the premises remain a safe, well-managed, and community-focused establishment.

Given the changes proposed, we have carefully considered the application, the effect on the licensing objectives and taken into account the Council's Licensing Policy. We have implemented some modern and robust conditions to be added to the licence.

Considering the above, we believe that the variation would not have an adverse impact on the licensing objectives, and we believe that the measures proposed are adequate and will ensure the premises promote the licensing objectives.

Please see conditions we will be implementing as part of the application:

b) The prevention of crime and disorder

1. A CCTV system shall be installed at the premises. The CCTV system shall be maintained in working condition and record the premises when they are conducting licensable activities.
 - (a) All entry and exit points will be covered enabling frontal identification of every person entering in any light condition.
 - (b) The CCTV system shall continually record whilst the premises is open for licensable activities and during all times when customers remain on the premises and will include the external area immediately outside the premises entrance.
 - (c) All recordings shall be stored for a minimum period of 31 days with date and time stamping.
 - (d) Viewing of recordings shall be made available immediately upon the request of Police or authorised officer throughout the entire 31-day period.
2. The Premises Licence Holder or nominated person shall ensure that all relevant members of staff receive training in their responsibilities under the Licensing Act 2003. Such training shall be documented, and records made available upon request from the Police or an authorised officer of the Licensing Authority.
3. A record of refusals shall be maintained which documents every instance that a sale of alcohol (and any other age restricted product) is refused on the premises, indicating the date and time the refusal was made, and the member of staff making the refusal. The record of refusals shall be available for inspection by authorised officers of the licensing authority, officers of the trading standards service, and officers of the police.
4. An incident log shall be kept at the premises for at least 12 months, and made available on request to a Police officer or an authorised officer of the licensing authority, which will record the following:

All crimes reported to or by the premises to the Police.
All ejections of patrons
Any incidents of crime and disorder
Seizures of drugs, offensive weapons, fraudulent ID or other items
Any faults with the CCTV system
Any refusal of the sale of alcohol

5. Drug prevention measures must be employed, and signs displayed.
6. Alcohol supplied between the hours of 08:00am and 11:00am must be as part of a substantial meal.

c) Public safety

7. The premises will have first-aid facilities available on site.

d) The prevention of public nuisance

8. Clear legible notices are to be displayed at all exits from the premises requesting patrons to respect the needs of local residents and to leave the premises and area quietly.
9. A direct telephone number for the premises shall be available upon request to resident in the vicinity, to call at all times the premises are open.
10. The doors (except for access and egress) and windows to the premises will be kept closed at all times when there is regulated entertainment.
11. The external bar will be closed from 23:00pm.

e) The protection of children from harm

12. 'Challenge 25' policy shall be adopted, implemented, and maintained ensuring that all members of staff are trained to refuse supply to anyone who appears to be under the age of 25 and who is seeking to obtain any age restricted product unless that person provides credible photographic proof of age evidence. Such credible evidence shall include a photograph of the customer and acceptable form of ID. Examples of acceptable ID are limited to photo card driving licence, passports, military identification, or proof of age cards bearing the 'PASS' hologram. No other evidence of age and identity may be accepted.
13. Challenge 25 posters shall be displayed at the premises.
14. Children are not permitted on the premises beyond 11pm unless attending a specific event or private function.

14. This is the address which we shall use to correspond with you about this application.
15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

- 1) by providing with this application, copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service.

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at

<https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office.
