Dear Sir/Madam

Re: Request for alcohol license for No.1 The Square, Grassington.

I live in Pletts Fold, Grassington and my house is attached to No.1 The Square.

I understand No.1 is to become a Tapas Bar and Restaurant and the application comes from The Devonshire Hotel, Grassington,

There are four hotel/public houses, one bar and seven tea rooms – we do not need another licensed property in Grassington

Pletts Fold is a privately owned courtyard managed by the Pletts Fold Management Company with seven residential properties and there could be considerable disruption caused by cooking odours and noise during the day and evening.. Also the only parking place for No. 1 is on the front of the property.

I ask you please to consider all of the above when making your decision/

Yours faithfully
