

To award a contract for the construction of a replacement gym and changing rooms at Sherburn High School

REPORT TO; The Corporate Director - Strategic Resources

DECISION DATE: 24th August 2020

SUPPORTING ANNEX; This report includes a supporting Annex which contains exempt information as described in paragraphs 1 and 3 of Part 1 of Schedule 12A to the Local Government Act 1972 (as amended).

PROPOSED RECOMMENDATION

To award a contract for the construction of a replacement gym and changing rooms at Sherburn High School.

BACKGROUND TO SUPPORT THE RECOMMENDATION

In 2018 Sherburn High School suffered an arson attack which caused the collapse of a building and the loss of the gymnasium, changing rooms and ancillary facilities. Temporary facilities were arranged for the school and a scheme has now been developed and a procurement exercise undertaken to replace the facilities that were lost. The works will be funded via an insurance claim. The construction works will commence on site in September 2020 and is due for completion in April 2021.

LEGAL AND GOVERNANCE COMPLIANCE

The procurement exercise has been undertaken by the Council's Procurement and Contract Management Service.

This is a key decision. The proposal to contract award was entered on the forward plan in May 2020 and dates updated in June 2020.

RECOMMENDATION

Following completion of the procurement exercise, it is recommended that the Authority awards a JCT intermediate building contract for the replacement of the gymnasium and changing rooms at Sherburn High School.
