Re proposed restaurant and licence for  
Bosc Kitchen, Main St, Hawes Dns 30L.

I am in full support of the above  
application for the above property. We have  
a lack of restaurants in the town and  
the opening of a quality venue will be a  
valuable asset for the town. I cannot  
see any problems that would be caused  
and it will be good to see a premises that  
has been empty for nearly three years to  
be in use again.
